# LEGAL CAMPAIGN EXPENSES

There are many inquiries as to what are legitimate election expenses under the corrupt practice act passed at the recent extra session of the legislature The act defines them as follows:

1. For printing and traveling ex penses and personal expenses inciden thereto, stationery, advertising, postage, expressage, freight, telegraph telephone and other public messenger

2. For dissemination of informatic to the public

3. For political meetings, demon strations and conventions and for the pay and transportation of speakers. .4. For the rent, maintenance an furnishing of offices.

5. For the payment of clerks, type writers, stenographers, janitors and nessengers actually employed. 6. For the employment of watcher

at primary meetings and elections to the number allowed by law. 7. For the transportation of voter

to and from the poles. 8. For legal expenses, bona fide, in curred in connection with any nomina tion or election.

These are the authorized expendit ares. Candidates or treasurers of political committees are forbidden to pay, lend, give or lend, agree to pay give or lend either directly or indirect. ly any money or other valuable thing for any nomination or election ex penses whatever, save as declared, in these eight exceptions. Considerable latitude is allowed as may be seen. All the expenditures permitted are perfectly legitimate however. There are some things that both candidate and political committees must do, and there is no purpose in the new law least be half a chance that the boys would develop into lawabiding and useful citizens.

There were adopted by the specifications were adopted by the would develop into lawabiding and useful citizens.
