LOCAL TIME TABLES. ENGINEERS MAKING

FINAL SURVEY

A corps of engineers representing work on North Mill street yesterday making the final survey, on which wil for the paving and the macadam that the borough has decided to put dow

Nearly all formality has now bee complied with. The ordinance was ac opted on its final reading Friday nigh and a copy was sent to the State high way department. On the strength of this the engineers were sent here yes terday to make the final survey so that proposals for putting down the pave ment and macadam may be invited.

The promptitude of the State high way department in sending the engine ers is very gratifying and indicate that in a very short time all thing will be ready for the beginning of work. Considering the nature of the work to be done ample time exists for 1.23, 2.13, 3.03, 3.53, 4.43, 5.33, 6.23, 7.13, 8.03, 8.53, 9.43, 10.33, 11.30 p. m., completing the job long before cold weather sets in. THE UPRIGHTS WILL BE TAKEN DOWN

The United Telephone and Telegraph ompany will remove the wooden up ights placed on top the iron work o he river bridge and will devise some other plan for carrying the wires ove As explained in a previous is sue the intention was to attach cros arms to the upright posts erected suffi cient to carry thirty wires. There was ore the work had progressed very faend work until a joint meeting of the we boards of county commissioner could be held to take action on the

The joint meeting took place in Sun oury on Friday. A full board of Mon our county commissioners -Messrs Leighow, Cook and Sechler-accom canied by Clerk Horace C. Blue an County Solicitor E. S. Gearhart, was present along with Messrs. Frank Erd nan, P. J. Glennan, Casper A. Tharp and Clerk J. O. Shearer of the North umberland county board.

After a short discussion the comnissioners were unanimously of the ppinion that to carry the system of vires above the iron work as proposed would be to spoil the appearance of the bridge very much and it was agreed that the telephone people be requested o remove the upright posts already in position and to devise some othe neans for carrying the wires across or

level with the top of the bridge. Pursuant to this action H. N Daniel, manager of the United Tele phone and Telegraph company, camup from Sunbury Saturday afternoon and looked over the ground. He states that the company will endeavor to conform with the wishes of the couny commissioners, but just what plan will be adopted for carrying the wires verhead is not known.

Not After Nomination.

A Hair Dressing

Nearly every one likes a fine hair dressing. Something to make the hair more manage able; to keep it from being too rough, or from splitting at the ends. Something, too, that will feed the hair at the same time, a regular hair-food. Well-fedhair will be strong, and will remain where it belongson the head, not on the comb! The best kind of a testimonial—"Sold for over sixty years."
