John Thomas, In these days of rush and hurry courtes is often forgotten. In the mad, pell mell rush of our life little things are done to offend that we rather remained undone. A hastily eaten meal and its reasultant headache may cause us social or financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol For Dyspepsia. It digests what you eat and puts your stomach back into shape.

Fire in Kitchen.

Timely discovery prevented a bad fire at the home of Jacob H. Rudy, East Danville, Monday night. The fire originated in the kitchen in a box of wood that stood back of the stove. The family had already retired and the flames had gained considerable headway before they were discovered. A basket of clothes-Monday's washwas burned, and the walls, ceiling and door were badly burned.
