Great Demand For Stuart.

There was a great demand upon Chairman Andrews, of the Republican state committee for meetings to be addressed by Candidate Stuart, and as far as possible an effort was made to meet every reasonable request for such meetings

Colonel Andrews has announced the appointment of Colonel Daniel B. with a quiet skill that made Mrs. Mar-Shepp, a member of Governor Pennypacker's staff, to be chief of the bureau of speakers for the Republican and it is predicted that he will enlist many of the best orators of the Repub-Hean party in this and other states in the cause of Republicanism in Penn-

sylvania. Uncle "Joe" Cannon is among oth ers that Colonel Shepp is confident he will have to speak for the whole Re publican ticket in this state this fall

Colonel Shepp has been in communication with Chairman Sherman, of the Republican National Congressional Committee, and has been advised that a number of national celebrities will be assigned to speak in this state. Republicans realize that the skirmish of the next presidential campaign is

The loyalty of Republicans every where must be appealed to, that they shall not be misled by the cry for fusion candidates, with the declarations that there is no national significance to the canvass in this state this fall Emery and his supporters are busy with arguments that this is simply a local fight, but when the Garmans, the Guffeys, the Donnellys and the Ryans et al. go over to New York and tell Bryan what they are really doing in Pennsylvania it is time that Republicans all along the line should awaken to the true situation and rally around the banner of Edwin S. Stuart, their nominee for governor, and have Pennsylvania give a ringing answer to the Bryan presidential boomers with a tremendous Republican and Roosevelt

majority in November.
