The school room can be made attracthe science and art of forestry, especi them, and how to fight the enemie that destroy trees and their fruit. \* Every school should observe arbor day at least once a year. Since some rural schools are not in session during the April arbor days, it has/become mary in Pennsylvania to design hereby named as autumn arbor day, to celebrate the day by the planting of trees and by exercises designed to stimulate an interest in the

The bad conduct of boys about town, which culminated in the arrest of a couple last week for throwing stones, has assumed a form of malicious mis chief that has thoroughly aroused the borough, and from now on the evil disposed fellows will be closely pur

ing stones at the peril of pedestrians the bad boys have now sought new amusement in the breaking of the large globes of the arc lights on the streets. This is apt to occur in almost any part of the borough, but it is carried to extremes in the third and fourth wards.

There is scarcely a week but several globes are found broken, which in the aggregate entails a considerable loss upon the borough to say nothing of the annovance and unnecessary work caused. There appears to be no doubt as to who the guilty parties are, nor as to the fact that the mischief is done deliberately and maliciously.

Mincemoyer offers a reward of ten dollars for information that will lead to the agrest and conviction of the person throwing stones at, or interfering in any way with the borough electric

## Fine Farm to be Sold.

Bills have been posted announcing the sale on one of the finest farms in this section, that of the late J. Depue Pursel, in Hemlock township, Columbia county. There are over 98 acres of land in the farm, some 16 acres being virgin forest of fine timber. A beautiful and substantial brick residence and a large bank barn add to the value of the property.

## Demand For Young Men.

Calls for men who have graduated in the present course for teachers, at the Bloomsburg, Pa., State Normal School, have exceeded the supply. Positions paying \$650 to \$750 per year are going begging. We advise young men to get in touch with this school, by writing for a catalogue. In addition to Courses in Music, Business Courses, and College Preparatory Courses (including an exellent Medical Preparatory Course) are also maintained. Send for catalogue. Address J. P. Welsh, A. M., Ph. D.

## MILTON'S BIG FAIR.

The fall meeting of the Milton Fair ociation will be held on Tuesday, October 2nd, 3rd, 4th and 5th. The management promises that this meeting will be one of the best in the society's history. The Milton Fair is an interstock and main building departments. There is every promise of a large field of horses for the races. The midway will be as popular as ever, and free from anything tainted with immor ality. The attractions this year will be entirely out of the ordinary and are the most expensive ever contracted for by a central Pennsylvania fair management. Good order will be main tained and the gambler and crook has no place at the Milton Fair. All rail-

ture is on each box. 25 cents.
