Shiloh Reformed church, of shis city, has rounded out one-half a century of life and at the latter part of May or the first of June the congregation will celebrate its semi-centennial with a monster jubilee, that will last one week.

Prior to the presumetion of the Shiloh congregation and the erection of the commedious church structure, fifty years ago, the Reformed church at Mausdale and the one at Bidgeville were already in existence.

When Shiloh Reformed aburch was organized there were only fourteen members. When it is stated that there are now 350 members of the congregation it is plain that the church has grown and prospered. The Sunday school connected with the Shiloh Reformed church is said to be the largest in Danville.

For many years Shiloh Reformed church and the churches of that denomination at Manadale and Ridgeville were incorporated in one charge. They continued thus until some afteen years ago, since which sime the churches at Mansdale and Ridgeville have comprised one charge and Shiloh has had a paster of its own.

When the three charches were un one paster there were few more important charges in the State. Among the preachers in charge were some of the most learned and eminent divines of the Reformed church. Beginning with the organization of Shiloh church the pastors in charge were as follows: Rev. Dr. Steinmets, Bev. George W. Hall, Rev. W. C. Schaeffer, D. D. : Rev. J. A. Peters D.D. : Rev. Charles B. Alispach, Bev. Diodoras Dieffenbacher, Rev. William E. Bushong, Rev. George E. Limbert and Rav. Joseph E. Guy.

Of the above clergymen, former pastors of Shiloh, Rev. Dr. Steinmetz. Rev. Dr. Peters, Rev. Diodoras Dieffenbacher, and Rev. George E. Limbert are deceased. An effort will be made to have those of the above who survive present as speakers during the week of jubilee.

Rev. Joseph E. Guy, the present pastor, is diligently at work on a souvenir volume, which will be completed and ready for delivery when the time of the jubilee arrives. It will be a highly interesting volume containing, beside valuable historical data, illustrations showing a number of Danville's residences, business houses, &c.
