## A Lesson in Health.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. For sale by all dealers.

### FAIRER NO THAN EVER

At the moment when some of the country's most successful business men were beginning at the foot of the ladder they had companions and fellow workmen who had an equal chance to make good in the struggle for exist-ence. Some of those men achieved a moderate degree of success and others accomplished a dead failure. If you were to interrogate the latter they would probably tell you that they

"never had a fair chance." Some of them may tell the truth.

Nature may have handicapped them at birth. For it is the merest folly to hold that all men are endowed by nature with the qualities which make mouth. There were several hundred mouth. There were several hundred feet from shore, where the river is maximum of \$1,000 per year. The standard of the Dandard will carriers will be receiving the maximum of \$1,000 per year. The visions of this act shall be deemed and of the Dandard will carriers will be receiving the maximum of \$1,000 per year. The visions of this act shall be deemed and one of \$100 to take to the total to the plane of the plane of \$100 to take to the plan great opportunities for the reason that about the boys found that they were they lack capacity. Concerning all beyond their depths, and becoming ranging from \$50 to \$100 per year on such the tongue of censure should be slightly alarmed, they turned and silent. Men who have but a single started for shore, Walter Mills and STAMPED ENVELOPES RAISED shall be sentenced to pay a fine of not gift, and that a very ordinary one, Unger swimming ahead. cannot expect to move among the masters of the race.

but his zeal is short-lived.

This is a wonderful country. No less wonderful now than in the beginning. There were golden chances fifty or sixty years ago. Unquestionably. And yet there were just as many disappointed geniuses, in proportion to the population, roaming the country or holding down boxes in the country store in those days as one finds in the pool rooms and tobacco shops of the twentieth century. We are told that the chances are more remote for the
