INNOCENT MAN RUNS GAUNTLET

Harry Evans, who resides on Bloomsburg r. f. d. No. 4, had an exciting experience Saturday night, that he will not care to repeat very soon.

Mr. Evans had been visiting Saturday evening in Frosty valley. On his return home, while his horse was plodding along the road, he fell asleep. With the master wrapped in the arms of Morpheus, the steed wandered whither he pleased, eventually winding up in a barn yard.

The owner of the place that had been invaded, hearing the noise that the intruder had occasioned among the fowls, unceremoniously opened fire. Mr. Evans, thinking that discretion, in his case, would be the better part of valor, fled.

But the irate farmer, was not to be so easily appeased. With the aid of his handy rural phone, he woke up every householder in Frosty valley, and told each one to capture or kill a thief, who had just left his place in a buggy.

As a consequence when Mr. Evans appeared dashing up the road he was greeted by a fusillade of shots at each farmhouse. For five miles he ran the gauntlet, and then was captured. It was with some difficulty that he was able to induce the captors to believe that he was really not a dangerous robber, but only an ordinary, everyday citizen, doing his best to get home to bed. He was finally allowed to depart.

GOOD NEWS.

Many Danville Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Danville are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Miles Fry, carpenter, of 445 West First St., Bloomsburg, says: "The statement I made in 1906 is about all I can say regarding my experience with Doan's Kidney Pills. I have not had any backache since I used them. Before taking this remedy I had chills in my back across the loins accompanied by a weakness and dull heavy pain in my head as well. I was also very much annoyed by too frequent action of the kidney sections. I used many remedies without relief until I learned of Doan's Kidney Pills and obtained a box. They soon cured me and I have had no return of the trouble during the past eight years. I know of several other people in Bloomsburg who have used Doan's Kidney Pills with good results and who speak of them in the very highest terms."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The Great Van Amburg Show. The Great Van Amburg Show is advertised to exhibit at the Gearhart lot, South Danville, on Friday, August 2.

Over five hundred people travel with this big show. It has the finest of circus features and one of the best traveling menageries in America. Animals from every quarter of the globe are represented. There is a hiena said to be the largest ever in captivity. There are real live tigers, a whole cage of them fresh from the jungles of India, where their ancestors have supplanted on many a luckless native, and a great cage of lions, baby lions and some of them not babies. There are hundreds of monkeys to delight the small boy. Those strange animals, the water buffalo, direct from our own Philippine Islands, will be found in our collection. There are the sacred cows, camels, buffalo, elk, deer, caribou and many other strange and curious animals. There are a number of elephants, among them the largest and the smallest elephants in the known world.

The street parade will traverse the principal streets of the city in the morning. In the parade will appear about 40 cages and wagons, drawn by four, six and eight teams. A large calliope will play all the latest music of the day.

One of the noticeable features at the grounds where the Van Amburg Show appears is the courtesy of the employees. Every one is willing and anxious that the spectator shall see all of it. The show employs only those who know how to be gentlemen, and particular care to ladies and children is the first consideration of the Van Amburg management.

Two performances will be given, beginning at 2 and 8 p. m. respectively. Don't forget the date, August 2nd.

Home Grown Articles. A man in a neighboring town who secured a wife through a matrimonial agency is trying to secure a divorce. Just another instance of finding that mail order bargains are not just as represented and that a much better grade of the same article could have been obtained at home. Good enough for him, he ought to patronize home industry. The home grown article is usually the best.

Be an American Patriot. A good American flag is worth \$2.50. THE PHILADELPHIA PRESS offers a fine hand-sewed American Flag (size 3 x 5 feet) and a year's subscription to THE DAILY PRESS, both for \$3.50. AS THE DAILY PRESS alone is worth \$3.00 you practically are getting the flag free. Cash must accompany all orders. Send \$3.50 to-day and get in on this great bargain. Address THE PRESS, 7th & Chestnut Sts., Philadelphia, Pennsylvania.

Painting Rectory. The rectory of Christ Episcopal church is receiving a new coat of paint. Charles Robson is doing the work. The building as far as completed presents a very fine appearance.

Stimulation Without Irritation. That is the watchword. That is what Orino Laxative Fruit Syrup does. Cleanses and stimulates the bowels without irritation in any form. For sale by all dealers.

STORM WRECKED GREEN HOUSES

A storm accompanied by wind of cyclonic fury, swept Bloomsburg Saturday afternoon, creating havoc at a number of places, but doing especial damage at Dillon's fine greenhouses.

At about 4:45 o'clock two storms, one from the northeast and one from the southwest seemed to meet nearly above Normal hill. There was a terrific downpour of rain and some hail, but the greatest damage was done by the excessively high wind.

The force of the storm was first felt at Dillon's residence, where trees were uprooted. Mr. and Mrs. N. Schaffie, visitors at the Dillon home, were driving up the Bloomsburg, in a buggy. The wind, striking the buggy, overturned it, threw out the occupants, and demolished the vehicle. An empty hay wagon, standing in a nearby field, was thrown over, and splintered.

At the green houses, two of the big houses were completely demolished. One, a rose house, 210 by 22 and another, a carnation house, 210 by 11 were unroofed and nearly every glass broken. W. C. Bryfogle, who was in the rose house, was caught by the falling timbers, and narrowly escaped with his life. The stack on the engine house was blown over. In all about 7000 square feet of glass was broken.

Several other industries in that section of Bloomsburg, were partly unroofed and other minor damage was done, but the wind seemed to spend most of its fury in the vicinity of the Dillon greenhouses.

Nearly all old-fashioned Cough Syrups are constipating, especially those that contain opiate. They don't act just right. Kennedy's Laxative Cough Syrup contains no opiate. It drives the cold out of the system by gently moving the bowels. Contains Honey and Tar and tastes nearly as good as maple syrup. Children like it. Sold by Paules & Co.

Delightful Birthday Party. A delightful party was tendered P. A. Rishel, at his home in Jerseytown Saturday evening, in honor of his 59th birthday.

Thousands of people are daily suffering with kidney and bladder troubles—dangerous ailments that should be checked promptly. DeWitt's Kidney and Bladder Pills are the best remedy for backache, weak kidneys, inflammation of the bladder. Their action is prompt and sure. A week's treatment for 25c. Sold by Paules & Co.

Many Luxuriant Fields of Corn. Another large market Tuesday morning attested to the abundance of vegetables, berries and other products of the soil, which follows as the result of the hot sunshine and the abundance of rain. Farmers from every part of the county express themselves as amazed at the rapid growth and development of the crops. The corn, which at many places in the spring was a month later than usual, has more than made up for lost time and was never farther ahead at this season. Here and there fields may be seen in which the rank, luxuriant stalks reach nearly to a man's shoulder. All of this goes to show that nature has a compensation for nearly every drawback and is quite consoling after the general prediction made that the crops owing to the backward spring, would be short this season.

J. W. Lowrie of Strawberry Ridge, who was in this city Tuesday, remarked that his wheat crop this year is the heaviest he has ever harvested in his life.

Operation Was Successful. The many friends of our townsman, D. C. Hunt, will be pleased to learn that he is improving after having undergone a serious operation at the University of Pennsylvania hospital in Philadelphia.

Mr. Hunt left for the hospital a week ago last Friday. On Monday the operation was performed, but it was not until Saturday that an encouraging report was received which announced that the patient was improving.

Funeral Monday. Mrs. Elizabeth J. Davis, whose death occurred Friday, was consigned to the grave in the Episcopal cemetery Monday afternoon, Rev. Edward Haughton officiating. The pall bearers were: T. J. Price, Hon. H. M. Hinckley, John Jenkins, Benjamin Cook, D. C. Williams, and T. W. Bedea.

FIVE MINUTES IN HOSPITAL, DIED

Five minutes after she was admitted to the Joseph Ratti hospital, at Bloomsburg, at about 8:30 o'clock on Saturday morning, Miss Ida Goldsmith, of this city, died. She was suffering from peritonitis, with which she had been ill a week.

The young woman was taken ill Saturday a week ago, and as the illness grew worse, her physician, advised that she be taken to the Joseph Ratti hospital for the purpose of having an operation performed in the hopes of saving her life.

Owing to the fact that the young woman was also subject to car sickness, it was thought best to drive the whole distance. This was decided upon, and she was placed in a hack on a cot, and the trip was made.

When the party was nearing Bloomsburg it was seen that she was serious, and she had hardly been taken inside the institution when she died.

Beside her mother, Mrs. Caroline Goldsmith, the deceased is survived by the following brothers and sisters: Mrs. Max Gross, of Bloomsburg; Mrs. Harry Ellenbogen and Mrs. Herbert Drefuss, of Danville; Mrs. Sannael Sondheim, of Leighton; Miss Bertha Goldsmith, who resides at home; William, of Dubois; Simon and Charles, of Philadelphia. She was 36 years of age.

Catarah Cannot be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarah is a blood or constitutional disease, and in order to cure it you must use internal remedies. Hall's Catarah Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarah Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best juices found in a healthy stomach, with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarah. Send for testimonial free.

E. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

Will Visit All Grocery Stores. Inspectors of the State agricultural department are making an inspection of all the wholesale and retail groceries in the State and seeing that they conform with the new pure food laws which have recently been enacted and which require that all goods displayed for sale in bulk or packages shall bear a guarantee of their purity and a statement of their ingredients if they are manufactured from any substance foreign to the original article which they are supposed to represent.

While the State department has instruction to enforce the law to the letter, it is well understood that it will take some time for the grocers to dispose of the goods which they had on hand at the time the law went into effect and every assistance is given to get the law into operation as soon as possible so that there will be no undue activity to secure its enforcement.

As the terms of the law are very intricate and might be misunderstood easily by the novice, the inspectors have been given instructions to visit all grocers, and to thoroughly explain all of the different provisions of the law so that there will be no chance for any question to arise in the near future which might cause unwarranted delays in bringing its operation to the efficiency which is expected.

When there is the slightest indication of indigestion, heart burn, flatulence or any form of stomach trouble take a little Kodol occasionally and you will be afforded prompt relief. Kodol is a compound of vegetable acids and contains the juices found in a healthy stomach. Kodol digests what you eat, makes your food do you good. Sold by Paules & Co.

Will Arrest Paid Choirs. Tired of being prosecuted and fined each week for violating the Sunday law by selling soda water, H. B. Kentner one of the leading druggists of Altoona, proposes to retaliate by bringing the paid choir of the city churches to book. He made known his intentions yesterday, when he paid his fine for last Sunday's violation.

Kantler alleges that it is no more an infraction of the law to furnish a refreshing draught to a perspiring traveler on a hot Sabbath than it is to sing in a church choir for remuneration, and if the one must pay a fine so should the other.

At all events, it is his intention to enter suits against them, and, since there are numerous paid choirs and most of the singers are prominent in society he will have a large field in which to work.

G. B. Burbans Tastes After Four Years. G. B. Burbans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." For sale by all dealers.

Farm Changes Hands. Through the Ostrander Real Estate Agency the farm of Mrs. Erwin Hunte, of Valley township, on Monday was transferred to Charles Uttermiller of Mahoning township. The farm which was formerly the Lindner homestead, is situated on the Milton road about a mile beyond Mooresburg.

G. B. GRIFFITH VISITS DANVILLE

G. B. Griffith, of Los Angeles, Cal., a Danville boy, whose eventful career is well known to the public, was in this city Friday and called upon a number of his old time friends.

As is well known Mr. Griffith is much indebted to this city. The full story of how he strolled into Danville when a boy, poor and friendless, many years ago, and was assisted by kind and sympathetic people, educated and equipped for the serious work of life is an old story and will hardly bear repeating. The boy is now a man well on toward sixty, although time has dealt kindly enough with him, his form being as erect as in youth and his hair unmingled with grey. Fortune has likewise been kind to the man, for notwithstanding his trials and vicissitudes, the fortune which he amassed earlier in life still remains substantially intact.

Mr. Griffith will be recalled as the former citizen of Danville who presented a magnificent tract of land, representing a large fortune in itself, to the city of Los Angeles to be used as a public park. He has lived in Los Angeles for some twenty-five years. He left there about two months ago and after a wide tour of some four thousand miles embracing the City of Mexico and points of our own country he arrived at the Montour house on Thursday night.

He came to Danville from Kingsburg, Luzerne county, where he has a son attending the Wyoming seminary. It is a tribute to true sentiment and gratitude that the man after so many years should visit the town where the turning point of his life occurred. His object was solely to renew old associations.

Friday forenoon he was driven up to the Lutheran cemetery, where on the occasion of a previous visit, some twelve years ago, he caused a handsome monument to be erected over the grave of Benjamin Mowrey, who gave him a home when he came to Danville, poor and friendless. While here Mr. Griffith paid a visit to Charles Chalfant, Esq., who is confined in his home at South Danville. Mr. Chalfant attended school with Mr. Griffith in the third ward, some forty years ago. The visitor called upon several other townsmen whom he knew as school mates and play fellows, but who now like himself are advancing in years.

While in Danville Mr. Griffith visited Christ Episcopal church. He was delighted with the building and took occasion to remark that although he had crossed the ocean eleven times and had visited most of the great cities of the world, he had never seen a structure of the size of Christ Episcopal church that could lay greater claim to architectural beauty.

Mr. Griffith left Danville for Ashland on the 12:57 D. L. & W. train yesterday.

Was in Poor Health for Years. Ira W. Kelley, of Mansfield, Pa. writes: "I was in poor health for two years, suffering from kidney and bladder trouble, and spent considerable money consulting physicians without obtaining any marked benefit, but I was cured by Foley's Kidney Cure, and I desire to add my testimony that it may be the cause of restoring the health of others. Refuse substitutes. For sale by all dealers."

Horse Drops on Highway. Charles Kuckel, mail carrier on r. f. d. route No. 1, lost a valuable horse Friday afternoon. The animal was suffering with indigestion, which superinduced a violent attack of colic. The horse became ill on the homeward drive, but did not seem really serious until descending the dug road. When opposite H. T. Hecht's barn below the Reading iron works the animal had to be unhitched, after which he fell in the road and expired.

The long drive over the r. f. d. route is hard enough on the horses at any time of year, but at the present season the hot weather adds very much to the burden and horses have to be very frequently relieved.

War Against Consumption. All nations are endeavoring to check the ravages of consumption the "white plague" that claims so many victims each year. Foley's Honey and Tar cures coughs and colds perfectly and you are in no danger of consumption. Do not risk your health by taking some unknown preparation when Foley's Honey and Tar is safe and certain in results. The genuine is in a yellow package. For sale by all dealers.

Horse Plunges Into Canal. The crowds on Mill street Saturday evening about 8 o'clock were furnished with much amusement and not a little excitement when a horse belonging to a gypsy backed a cart, to which he was hitched, into the old canal, and after the decent to the bottom lay on his back, with all four feet sticking into the air.

The gypsy had just traded an iron gray horse to Erwin Hunter for two less desirable horses and \$15. The gypsy had hitched one of his newly acquired equines to a cart, when the animal started to back. Right over the bank the horse backed. Over went the cart and horse together, until both had reached the center of the old ditch.

The incident gathered a large crowd who watched the gypsy's struggle to rescue his property. The feat was finally accomplished without much damage having been done.

P. O. S. OF A. PAYS FRATERNAL VISIT

On Friday evening about thirty-five of the members of Danville camp, No. 364, P. O. S. of A., paid a fraternal visit to Washingtonville lodge, No. 365. New members were initiated and a social was held after which the two lodges paraded the streets of the village.

The principal purpose of the visitation was to initiate the new brethren at Washingtonville, of whom there were six as follows: H. G. Rishel, Earl Rishel, A. W. Martz, William Martz, Leander Foust and Harvey Diehl. The Danville degree team was on hand and performed the floor work.

After the initiation a very pleasant social was held, and refreshments were served.

The two lodges then paraded the streets of Washingtonville, headed by the Danville P. O. S. of A. drum corps. Stops were made at a number of points and serenades given.

Washingtonville camp is a flourishing organization, with about 35 members. The camp has finely furnished quarters in the T. B. Yerg building.

A cleansing, cooling, soothing, healing household remedy is DeWitt's Carbolic Witch Hazel Salve. For burns, cuts, scratches, bruises, insect bites, and sore feet, it is unequalled. Good for piles. Beware of imitations. Get DeWitt's. It is the best. Sold by Paules & Co.

Refrigerator Looted 2nd Time. For the second time this summer thieves have raided the refrigerator at the home of George Maier, Ferry street. The theft occurred Friday night.

Once before, several weeks ago, a clean sweep was made of the stock of food at Mr. Maier's home. Since that time a stout lock had been placed on the refrigerator.

The family had no intimation of the depredations until Saturday morning, when the lock was found shattered, and the refrigerator entirely empty. The thieves got a large stock of butter, bacon, eggs and vegetables.

During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. For sale by all dealers.

A Gypsy Convention. A reunion of gypsies will take place about August 1 along the Bald Eagle creek a short distance south of Lock Haven. A large band of them is now camping at that spot. Next week, it is expected, gypsies will arrive from all sections of the State. This is a central point and known to every traveling band. The leader of the band now camping along the creek says there will be at least 200 representatives at the conference.

Do you really enjoy what you eat? Does your food taste good? Do you feel hungry and want more? Or do you have a heavy, dull feeling after meals, sour stomach, belching, gas on the stomach, bad breath, indigestion and dyspepsia? If so, you should take a little Kodol after each meal. Kodol will nourish and strengthen your digestive organs and furnish the natural digestive juices for your stomach. It will make you well. It will make your food do you good. Turn your food into good, rich blood. Kodol digests what you eat. Sold by Paules & Co.

Formerly of Danville. Robert Vincent head of the engineer corps of the Harbison-Walker Refractory company located at this place left this morning on Pacific for a tour through to Buffalo, Niagara Falls and Toronto then by boat to Montreal and Quebec to the Gulf of St. Lawrence. Mr. Vincent expects to be gone about three weeks.—Mr. Union "Twice a Week."

Fifty deaths resulting from the heat and thirty-five serious prostrations, some of which may yet prove fatal, is the record of Pittsburgh and its suburbs for the week ending with Saturday night. The maximum temperature was 85 to 87 degrees and it has often in previous years been hotter, but the humidity was unusually great, which wrought such sad results.

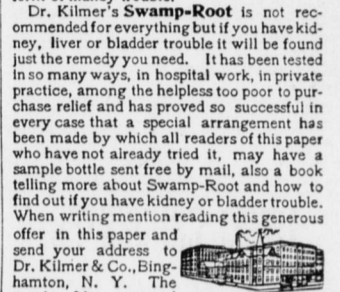

Food Agents Near Here. Agents of the State dairy and food division have been at work in Scranton and adjoining towns for the last few days taking samples of the milk, cream and ice cream as well as of other foods. This is a move into the northeastern part of the State of the crusade started by Commissioner Foust a short time ago. Sunbury was recently visited.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney troubles, in private practice, among the helpless poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to: Dr. Kilmer & Co., Binghantown, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghantown, N. Y., on every bottle.

VILLAGE DERESTED BY LURE OF GOLD

BUDAPEST, July 24. The lure of the United States as a land of opportunity and wealth to the people of Hungary has brought about a curious state of affairs in the little village of Kerisova near Lugos, that at the last census had a population of 3,500 souls.

One by one the male residents of Kerisova heard the call across the water and they emigrated in batches until such time as the mayor was the only adult male to remain by the village. Finally he also succumbed to the reports of good wages and golden chances in America sent back by his fellow townsmen and packing his trunk he made his way to the emigrant ship at Fiume.

As a result of this exodus of males the women of Kerisova have just elected a young woman to the position of mayor and other female residents have been elected to fill the remainder of the municipal offices. The statutes in Hungary provide that no female shall hold public office and according to the letter of the law the presence of the women in office is illegal.

ALL THE GOOD QUALITIES of Ely's Cream Balm, sold, are found in Liquid Cream Balm, which is intended for use in atomizers. That it is an unfailing cure for Nasal Catarrh is proved by an ever-increasing mass of testimony. It does not dry out nor rasp the tender air-passages. It allays the inflammation and goes straight to the root of the disease. Obstinate old cases have been cured in a few weeks. All druggists, 75c., including spraying tube, or mailed by Ely Bros., 56 Warren Street, New York.
