Marcavage promises The bill made out to the State must show the number of county order,

> killed, the kind of animal, etc. The bill rendered, of course, was only for the aniamls killed between

June 20th when the act went into effect and December 31st, the close of ruary up to date the war on noxious animals has gone on merrily and the records at the county commissioners' office show that thus far during the present year the county has paid for forty-one weasles and six minks. To the end that the county may not be kept out of the money too long another bill will be rendered to the State in June

Apropos of the above it might also be stated that the State refunds one half of the money expended in extinguishing forest fires. Montour county last year expended on forest fires \$13 30, \$6.65 of which was paid back by the State.

Two well-known persons, for many years residents of Danville, departed this life about the same hour on Saturday night.

James Hayes Bedea, son of T. W. Bedea, died at the home of his broth-er, Clark Bedea, Railroad street, at 10:25 o'clock. His death was unexpected and sudden and occasioned the forms the boys presented an appeargreatest surprise about town. He was taken ill on last Wednesday, but the might be raised whether in point of symptoms seemed only those of a bad personnel any of the companies of cold, which seemed to have settled in the throat. He was much better Saturday and the physician had no doubt but that he would be around as usual in a day or so. A weakness of the heart, however, developed and he passed away without a moment's warning was the stronger. Fisher's subsequent and the close of the year. It only goes dying in the arms of his brother,

The deceased was aged 31 years, 2 months and 7 days. Besides his father he is survived by three brothres, George, Harry and Clark, and one sister, Anna (Mrs. G. R. Mitchel), of Philadelphia.
