PLUCKY WOMAN CAUGHT THIEF

Sunbury has at least one woman who is plucky—Mrs. Sallie Gutelius, who on Monday night, while alone in her home, captured a burglar and held him until the police arrived.

Mrs. Gutelius had retired to her room and shortly after twelve she was awakened by hearing drawers opening and shutting. She concluded to go down and investigate. When she got down stairs she turned on the light and saw a stranger at the pantry door. Just at this time he turned to look at her.

With remarkable presence of mind she called for help from up stairs and spoke as if there were a dozen men in the house well provided with guns, pistols and other deadly weapons. This was a very shrewd movement on the part of the lady, for it had its desired effect. The intruder, becoming alarmed, pretended to stagger to a lounge in the sitting room, where he lay down, feigning drunkenness. Mrs. Gutelius, speedily phoned for Officer Morton, who took the intruder in charge and gave him lodging in the lockup. Tuesday morning he was taken before Squire Shipman before whom Mrs. Gutelius lodged complaint. The culprit is well known and for that reason there was a disposition to deal leniently with him. He gained admission to the house by crawling through a back window.

WEAK, WEARY WOMEN.

Learn the Cause of Daily Weakness and End Them.

When the back aches and throbs. When housework is torture. When night brings no rest nor sleep. When urinary disorders set in. Women's lot is a weary one. There is a way to escape these woes. Doan's Kidney Pills cure such ills. Have cured women here in Danville. This is one Danville woman's testimony.

Mrs. William Robenolt, living at 304 Church street, Danville, Pa., says: "I do not think there is a kidney remedy on the market equal to Doan's Kidney Pills. Prior to using them, I suffered a great deal from kidney complaint, and its accompanying symptoms, backache. Whenever I brought any strain on the muscles of my back, sharp twinges would catch me and they were especially severe when I stooped or lifted. Doan's Kidney Pills, which I procured at Hunt's drug store, eradicated every symptom of my trouble, and I could not have hoped for better results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

William G. Jones.

In the trio of finished musicians who will render a high class program at the Danville opera house Saturday evening for a benefit of the Y. M. C. A., will be William G. Jones, one of America's foremost violinists. Mr. Jones has been before the public as a soloist since his twelfth year. He has studied under some of America's foremost teachers. His playing is remarkable for its breadth of tone and brilliancy of technique.

Solicitors with tickets for this entertainment are now calling on the people of this city. The entertainment will be one of the best of its class that has ever been given in this city.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c.

DEATH OF FORMER DANVILLE WOMAN

Mrs. Fanny Moyer, widow of the late Henry Moyer, formerly a widely known resident of Danville, died at her home in Youngstown, Ohio, Tuesday morning. The brief telegram announcing Mrs. Moyer's demise told none of the circumstances surrounding her death. The sad news was very unexpected and came as a great shock to her friends and relatives here.

Mrs. Moyer was the sister of Henry L. Gross, of this city, and for many years resided in Danville before she removed to Youngstown about eight years ago shortly after the death of her husband.

The deceased was 75 years of age. During her residence in this town she enjoyed a wide circle of friends. Of an affable and kindly disposition, she is remembered by many as a woman who was always anxious to render a kindly service.

Beside Henry L. Gross, of this city, the deceased is survived by another brother Samuel Gross, of Philadelphia, and the following children: Fanny (Mrs. Joseph Hayman) and Sarah (Mrs. D. Lowenthal), of Philadelphia; Harry, of York; Miss Barbara, Miles, Morris and Louis, of Youngstown, Ohio; Rebecca (Mrs. M. Nathanson) and Julius, of Sharon.

Paid Fraternal Visit.

A delegation from Montour Castle, No. 188, Knights of the Golden Eagle, of this city, on Monday evening paid a fraternal visit to Theta Castle, No. 276, at Bloomsburg. The Danville delegation numbered eighty-five. A fine social time had been prepared for the visitors by the Bloomsburg brethren and a very pleasant evening was spent.

The best remedy known today for all stomach troubles is Kodol, which is guaranteed to give prompt relief. It is a natural digestant; it digests what you eat. It is pleasant to take. Sold by Paules & Co.

Timely-Appointed Flat.

A. J. Leniger and his sister, Miss Laura, have moved into the flat above the drug store occupied by O. M. Leniger, Mill street.

Before moving into the building Mr. Leniger remodeled the second story, producing one of the most complete and best appointed flats to be found in this section.

Bert Barber of Elton, Wis., says: "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has ever done." Mr. Barber refers to DeWitt's Kidney and Bladder Pills. They are sold by Paules & Co.

Will Move to California.

S. W. Herr, wife and son, of Watons town, will this week leave for Santa Anna, California, where they will make their home. Mrs. Herr is a daughter of James Fenstermacher, formerly of Valley township, who now resides at Santa Anna.

TRAVERSE JURORS WILL NOT APPEAR

President Judge C. O. Evans paid a visit to this city Monday afternoon for the purpose of conferring with Prothonotary Vincent relative to the amount of business on hand for the next term of court. His Honor made an order directing the sheriff to notify the traverse jurors not to appear.

Under the order it will be understood that court is not called off. The grand jurors along with the constables of the various districts of the county will appear as usual. The traverse jurors alone will not be notified and their services will not be needed and that they will not be expected to attend.

Court will convene at 10 o'clock next Monday morning. The soldiers' monument proposition along with some other matters will occupy the grand jury during a day or so. In addition to taking the returns of the constables, accounts will be confirmed and the regular routine business of court will be transacted. As is implied by not calling the traverse jurors no cases will be tried. The entire session of court will probably occupy but little over a day. Up to the present there is but one Commonwealth case on hand, which may be disposed of without the aid of the jury.

The notification of the jurors that have been drawn not to appear at court entails a stupendous amount of work upon the sheriff, who must see to it that each juror receives his notice. In order that there may be no risk nor uncertainty in the matter the sheriff as a rule in such cases sees each juror in person driving backward and forward over the county until the mile-a-day traversed foots up a pretty big total.

Death of Young Mother.

Mrs. Warren Mausteller, a well known and highly respected resident of Madison township, and a native of Montour county, died at her home near Heller's church, Monday morning at 4 o'clock, after an illness of two weeks from pneumonia. She was aged thirty-seven years and is survived by her husband and three daughters, Mary, Edna and Ruth, all under the age of fifteen years.

Mrs. Mausteller was taken ill about two weeks ago and her condition for the past few days was such that no hopes for her recovery were entertained. She was the daughter of Mr. and Mrs. Phineas Holden, and was born and raised near White Hall. She was a member of the Reformed church at Strawberry Ridge.

Beside her parents, husband and three daughters the deceased is survived by three sisters and one brother as follows: Mrs. Charles Cox, of Bloomsburg; Mrs. Arthur Wilson, of Geneva, New York; Mrs. Frank Dildine, of White Hall, and George Holden, of Washingtonville.

Kennedy's Laxative Ointment Syrup acts gently but promptly on the bowels. It stops the cough by soothing the throat and lung irritation. Sold by Paules & Co.

An Oriental Spinning Wheel.

The window of J. H. Cole's hardware store, Mill street, contains a great curiosity in the form of a spinning wheel of the Turkish empire, which is said to be the only one of its kind in America.

The oriental spinning wheel is a primitive-looking affair and bears little resemblance to the spinning wheel of this country, which itself is something of a curiosity to the younger generation. The curious spinning wheel is from the museum of oriental curiosities owned by the Rev. Shadrach V. Bedickian of Washingtonville, who has prepared an instructive and highly entertaining lecture on the Turkish people, illustrated with costumes, relics and over fifty original stereopticon views.

Mr. Bedickian, who is pastor of the Washingtonville Presbyterian church, was born in the Turkish empire and after studying in the mission schools there came to the United States and received a thorough college and seminary training.

Mr. Bedickian will deliver two of his lectures on the Orient near Danville this week. On Thursday evening the 20th inst., he will speak in the church at Maudsall and on Friday evening, the 21st, he will hold forth at St. James church, Ridgeville. Admission, adults, 25 cents; children 15 cents.

A Natural Fortress.

In the northern part of Madagascar is the most remarkable natural fortress in the world. It is occupied by a wild tribe who call themselves the People of the Rocks. The fortress is a lofty and precipitous rock of enormous size, 1,000 feet high and eight square miles in area. Its sides are so steep that it cannot be climbed without artificial means. Within it is hollow, and the only entrance is by a subterranean passage.—St. James' Gazette.

Foley's Honey and Tar cures the most obstinate coughs and expels the cold from the system as it is mildly laxative. It is guaranteed. The genuine is in the yellow package. Sold by all dealers.

THIRD DISTRICT S. S. CONVENTION

The third annual institute of the Sunday schools of Limestone and Liberty townships was held Friday and Saturday evenings in Center and Mooresburg M. E. churches.

FRIDAY EVENING.

The first session was held Friday evening in the center church, at 7:30 o'clock. Song and devotional services were conducted by the county president and after music by the choir an address was delivered by Miss Martha E. Robison, of Epsy, county field worker, on "Montour and the Standard to be Maintained." Her talk contained many splendid suggestions and was listened to attentively by those present.

After another selection of music, Rev. C. D. Lerch, gave a talk on "The Growth of Teachers." The teachers' training class and its claims were presented in a plain matter of fact way by the speaker.

The disagreeable weather kept many persons from attending. An offering of 73 cents was taken, after which the meeting adjourned. An earnest desire was expressed for another institute in the near future.

SATURDAY EVENING.

The second session convened at the Mooresburg M. E. church, Saturday evening at 7:30 o'clock. Song and devotional services were led by the county president. After music by the choir Miss Robison addressed the assembly on the subject "Montour's Standard Shall be Raised." Strong pleas were made by Miss Robison for the speedy organization of activity in the cradle roll, home and teachers' training departments.

A selection of music was followed by an address by Rev. C. D. Lerch on the "Home Department." Rev. Lerch gave the claims of the department on both the Sunday school and the church. After the address the choir rendered in an excellent manner several fine selections.

An election of officers followed which resulted in the selection of the following: President, William Simington; vice president, Jacob Diehl, secretary, Miss Edna Stahl; treasurer, William G. Taylor; primary department, Alice Bowers; home department superintendent, Mrs. A. Simington; teachers' training class, Henry Roat; organizer of teachers' training class, John Robinson.

A solo was splendidly rendered by John McWilliams. There was an offering of \$1.61 lifted. The attendance was 93. Adjournment.

Death of Well Known Woman.

Mrs. Sarah S. Manger, a widely known and life-long resident of Montour county, departed this life just before 12 o'clock Sunday night.

The deceased was the widow of Joseph Manger, who died thirteen years ago. For some time past she resided with her son, W. H. Manger, West Mahoning street, where death occurred. She had been in feeble health for a number of years past as the result of several strokes of apoplexy, light in their nature. The last stroke was sustained some two weeks ago, following which she was confined to her bed until death brought relief.

Mrs. Manger was a member of St. Paul's M. E. church and was a devoted and sincere Christian. She was 69 years of age and is survived by two sons: W. H. Manger, of this city and John Manger, of Liberty township; also by two brothers, Augustus Ginter, of South Danville; John Ginter, of Mauch Chunk, and one sister, Mrs. Haves, of Annapolis, Md.

Killed Son in Drunken Frenzy.

John Whine, aged about fifty-five years, who lives about a mile west of Locust Gap, shot and killed his son, John, aged twenty-three, Sunday night. He was arrested by Chief of Police Morgan and is in the jail at Sunbury charged with murder.

John Whine, Jr., and his wife, of Locust Gap, visited the former's parents at Locust Gap Sunday. The elder Whine had been drinking and it is alleged was abusing his wife when the son interfered. The old man pulled a revolver but this was wrested from him. He then got a shotgun and fired two shots. The second entered the young man's body just above the heart killing him instantly.

NATIONAL GUARD AT GETTYSBURG

The annual encampment of the National Guard of Pennsylvania next summer will probably be held at Gettysburg. The major general, governor, adjutant general and three brigadier generals will meet shortly and decide the matter, and it is said that Gettysburg will be selected.

General J. P. S. Gobin, former major general of the division, and also the solicitor of the Cornwall and Lebanon Railroad company, which controls the Mt. Gretna site has talked the matter over with national guard officials and other railroad authorities and it is agreed that Gettysburg has been practically selected.

The delay of the State authorities in providing for an extension of the State rifle range property at Mt. Gretna is partly responsible for the encampment being held at Gettysburg.

It can be said with authority, however, that the plan to make the Pennsylvania range adaptable for interstate competitions has by no means been given up and that there is every prospect of the State making purchase of additional land necessary for the placing of additional ranges and buildings to accommodate shooters at interstate matches.

Death of Edward P. Thomas.

Our readers will be pained to learn of the death of our townsman, Edward P. Thomas, who departed this life at Cumberland, Md., on Saturday morning. The body was brought to Danville for interment.

The deceased left Danville for Cumberland Md., on December 30th last and on January 1st entered upon a position as traveling salesman for the Morrison Music company of that place. Up to about two weeks ago there was a frequent interchange of letters between the deceased and his friends in this city. The letters were of the usual tone and conveyed no hint of ill health.

Naturally, therefore, a telegram received Saturday afternoon telling of his death produced quite a shock. The deceased was found dead in bed Saturday morning. Beyond this the telegram conveyed no details. Whether death was sudden or the man had been ill for some days is not known. Upon his person the deceased carried a card revealing that he was a member of the Danville Lodge of Elks. The Cumberland lodge of Elks at once took the matter up, telegraphing the news of Mr. Thomas' death to the Danville lodge. Ralph Kiser, Esq., acting for Danville lodge No. 754, B. P. O. E., at once replied over the long distance 'phone, requesting that the body be forwarded to Danville.

The deceased was the son of the late Gomer Thomas and was born in this city on March 2, 1871. He was a talented musician, a man of general manners and of generous impulses. He had many friends.

JEWEL FOR MRS. BAKER EDDY

Beautiful Evidence of Honor Conferred by the French Government.

The jeweled insignia of an officer d'Academie, the honor recently conferred upon Mrs. Mary Baker Eddy, head of the Christian Science church, by the French government, was presented to Mrs. Eddy in recognition of literary achievements at her new home in Newton, Mass., the other day by Dr. John H. Worthen, president of the First Church of Christ, Scientist, Concord, N. H.

The jewel is the gift of the members of the Concord church, who obtained it in France, says a Boston dispatch to the New York Times. The insignia consists of an olive and a palm branch, formed into a wreath, attached to a crescent composed of five white diamonds, suspended from a royal purple ribbon. The leaves of the palm and olive branches are set with sixty-five diamonds, and the olive berries are represented by rubies, of which there are five stones.

Proper Treatment For Burns.

In case of burns death may be due, first, to asphyxia; second, to shock, and third, to septicemia.

The medical man seldom gets to the case in time to treat the first condition, the second is essentially a general condition, while the whole success in preventing the third depends upon the immediate local treatment. It is therefore the last condition which must be considered here. Among the public it is a generally accepted idea that the thing to do in the case of a burn is to dust flour over it or to cover it with oil, and, indeed, even in some comparatively late text books on surgery a mixture known as "Carron oil" is advocated.

The use of such applications cannot be too strongly deprecated, and, indeed, if the lay mind could be taught that the best thing to put on a burn before the doctor is called is a hot compress, which should contain some boric acid if there is any in the house, it is probable that the majority of deaths due to septicemia after burns would be prevented.

For the whole aim and object of the local treatment is to prevent sepsis. Flour and olive oil may be soothing and may allay the pain, but there is no antiseptic property in them; rather they are excellent culture media for bacteria.—London Hospital.

Broke Instep.

Death of Miss Sarah Giger.

Miss Sarah Giger, a widely known and aged resident of Washingtonville, died Sunday morning at 4 o'clock after an illness of several days following a stroke.

During Thursday night Miss Giger suffered a stroke, and in the morning when her absence was noticed by Mrs. Mary Cromley, with whom she resided, the lady was found helpless in bed. The stroke left her totally paralyzed except as to her speech. Afterward she rallied somewhat and remained conscious until several hours before her death.

Miss Giger was aged 79 years, 1 month and 7 days. A native of Washingtonville, she was raised and lived all her life in that community, where she was highly respected and esteemed for her many noble qualities. Nearly all her life she was a member of the Washingtonville Lutheran congregation, and a prominent worker in her church. Mrs. Laidacker, of South Danville, is a sister of the deceased and Levi Giger, of Limestone township, is a brother.

ADDRESS BY THE REV. J. E. GUY

The Brotherhood of the Grove Presbyterian church held a regular meeting Friday. The speaker on the occasion was the Rev. J. E. Guy, pastor of the Shiloh Reformed church.

The Presbyterian Brotherhood at the Grove church was organized one year ago. At its next monthly meeting its first anniversary will be observed. The organization has prospered and now has a membership of some forty men, comprising the younger and more active element of the congregation. The object of the organization is to promote a spirit of Christian fellowship and sociability among the men of the congregation and at the same time to keep them in touch with the real work of the church.

The meetings, which are held on the second Friday evening of each month, are exceedingly nice affairs and are attended generally not only by the entire membership but also by a large number of others, not members, but who belong to the church and have received special invitations.

Two very attractive features belong to these monthly meetings, one being a spirited and appropriate address and the other a fine supper. The address may be delivered by the pastor, the Rev. Dr. McCormack, or some other popular clergyman, who has been invited to speak at the meeting.

The address of the Rev. J. E. Guy Friday was no exception to the rule and revealed that the speaker was thoroughly in sympathy with the movement and is himself by precept and example, a potent factor in bringing about that spirit of true Christian sociability, which the Brotherhood aims to promote.

The supper generally follows the address. On a few occasions the members availed themselves of the kindly proffered services of a committee of ladies, but Friday night, as well as at several previous meetings, the men themselves served the supper. After the meal, while seated around the table, subjects pertaining to the organization are discussed by the members, who are called upon in succession by the chairman, Mr. A. H. Grone. The latter feature of the meeting is by no means the least interesting. Aside from the benefit derived from the interchange of thought the members in this way are brought together on a level and a thorough acquaintance with each other is cultivated.

The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispels all the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root essential in the treatment of diseases of women. The professional endorsements of these most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by
