## ST. JOSEPH'S PICNIC THE LARGEST

St. Joseph's Catholic church held its annual outing at DeWitt's park on Saturday. A large number of persons outside the congregation were present and the attendance was larger than that of any other picnic held at the park this summer. Practically all the hacks of town were pressed into service and they were kept busy from early in the forenoon until late at night. The best of order prevailed and there were no accidents to mar the occasion. There was a good game of base ball, in addition to which dancing and other sports were in full swing. Dancing seemed to be the most popular amusement and there were few intervals, indeed, from the opening of the picnic until the close when the pavilion was not occupied. The music was furnished by Miles' orchestra. The game of base ball between the White Horse team, of this city, and the Locust Gap team, was one of the most interesting features of the picnic. The game was a pitchers' battle, with McCloud of Danville having the best of the argument, although O'Hannon, of Locust Gap, also did fine work. The Locust Gap team have a reputation of being heavy hitters and the fact that McCloud was able to puzzle them shows he has lost none of his old time cleverness. There were but four hits in the game, evenly divided between the two teams, while of the fifty-six men who faced the pitcher's box, 29 were retired on three strikes. During the entire game not one man walked.

### Cured Hay Fever & Summer Cold

A. S. Nushbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several med. lines, which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." For sale at Paules & Co's Pharmacy.

### GRAND LODGE OF KNIGHTS OF PYTHIAS

The grand lodge of the Knights of Pythias will meet at McConnelleville on August 18th. In addition to George W. Miles, member of the Grand Tribunal, Edward Rudy, representative of Beaver lodge No. 132, of this place, will attend the grand lodge leaving here on next Monday morning.

### How to Avoid Appendicitis

Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Foley's Orino Laxative does not nauseate or grip and is mild and pleasant to take. Refuse substitutes. For sale at Paules & Co's Pharmacy.

### DEADLOCKED OVER A GIRL

It now looks as if the School Board of Conyngham township, which has been in the limelight of judicial proceedings in the past, would again be called upon to go through the same experience of its predecessors. With 14 out of the 16 teachers in the township appointed, they are dead locked over the appointment of the two remaining ones and strange as it may seem the main course of the deadlock is over the appointment of Miss Nellie Gerry over whom two former Boards of Directors have been deadlocked, and after proceeding ousted by the court. Three of the directors are in favor of her having a school at Aristes and the other three directors are determined that she shall not have the school. Neither party will yield and it looks as if the Court would be obliged to oust the entire board and appoint a new one.

## KILLED IN FALL FROM A POLE

James Hackenburg, an employe of the Middle Creek Electric company, was killed by a fall from a pole of the United Telephone and Telegraph company in Northumberland shortly before nine o'clock Saturday morning. The telephone line from the Northumberland exchange to the power house of the Middle Creek company had been put out of commission by lightning on Friday afternoon. As the company was greatly handicapped by loss of its telephone service, Hackenburg was sent to make the necessary repairs to the line. While he was working on the pole in front of the Northumberland exchange he accidentally touched a high tension wire of the Edison company which was strung on the pole with the telephone wires. The current was grounded through him, and possibly rendered him unconscious. Eye witnesses state that he hung motionless for a few minutes, suspended in the air by the wires on the pole. Then his body slipped from the supporting wires and dropped to the pavement. His skull was crushed when he struck on his head upon the stones, and death was instantaneous. The deceased was aged about 25 years and is survived by a wife and child. He was a native of Centreville, Snyder county, where his parents now live.

### A Boon to Elderly People.

Most elderly people have some kidney or bladder trouble that is both painful and dangerous. Foley's Kidney Remedy has proven a boon to many elderly people as it stimulates the urinary organs, corrects irregularities and tones up the whole system. Commence taking Foley's Kidney Remedy at once and be vigorous. For sale at Paules & Co's Pharmacy.

### Surprise Party.

A surprise party was tendered Mr. and Mrs. James Kashner at their home, Gulick's addition, Saturday evening in honor of their birthdays which occurred on Sunday and Saturday respectively. Those present were: Mr. and Mrs. James Warner and sons Henry and Howard, Mr. and Mrs. John Jones, Mr. and Mrs. Eugene Stead and daughter Alice, Mr. and Mrs. Washington Fry, daughter Pearl and son Raymond, Mr. and Mrs. Wm. Winters and son Monroe, Mr. and Mrs. John Cashner, daughters Ida and Florence, Mr. and Mrs. Robert Shultz, Mr. and Mrs. John Litterer and son Frank, Mr. and Mrs. William Shultz, and son George, Mr. and Mrs. Edward Sees, daughters Maggie and Sadie, Mr. and Mrs. John Wray and daughters Viola, Esther and Anna and son Palmer, Mrs. Harry Kuhns, Mrs. Charles Geiger, Mrs. Frank Kramer and son Beaver, Miss Olive Snieck, Misses Thuzza and Zella Baynham, Miss Winifred Sees, Roy Sees, Miss Mary Litterer, Norman Litterer, Mr. Charles Skinten, Miss Mazie and Grier Shultz, Oscar Omens and William Gable.

### Telephone "Courtesy."

In case you are in a hurry when your telephone rings, and you respond quickly, it is pleasant to be told, "Hold the 'phone a minute," until the party that called is ready to converse with you about some matter that concerns himself. He is occupied, of course, and had his clerk or wife call on you, so that he would lose none of his precious time in getting your attention; but to make you wait in such circumstances is a rare exhibition of nerve. There's another telephone nuisance. That's the person who rings you up and asks, "Is that twenty-steen?" You blandly say it is, and ask who calls, but the party at the other end refuses this courteously sought information, although he has the advantage of knowing you all the time, and leaves you, in the dark as to his identity. He might just as well walk into your office wearing a mask and seek to hold conversation with you in his disguise, as be so evasive on the 'phone. There is room for improvement in the manners of a good many persons who use the telephone.

### ELEPHANT EAR PLANT IN BLOOM

Harry E. Seidel, of Sagebury, has a real phenomenon in an elephant ear plant which has produced a flower. Many well informed people do not know that the elephant ear plant ever blooms. It is a fact that these plants do bear flowers only at the very rarest intervals. A number of people who have seen Mr. Seidel's plant say it is the first flower of its kind they have ever seen. The flower is orange yellow and about six inches long. In shape it is very much like a lily. In addition to the flower there is also a bud on Mr. Seidel's plant. Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more. For sale at Paules & Co's Pharmacy.

### FUNERAL OF MRS. CLARISSA BALDY LEFT ON DOORSTEP

An unknown infant boy was left on the doorstep of Mr. Joseph Cummings' residence on North Fourth street, Sunbury, at about one o'clock yesterday morning, presumably abandoned by its mother. Mr. Cummings heard it crying at about one o'clock. He thought nothing of it until at about 4:30 o'clock when his persistent screams again awoke him. He came downstairs and found the baby. It was lying in a wicker chair on the porch. Beside it was a package containing various articles of children's clothing. On its dress was pinned a slip of paper upon which was written in a woman's hand writing: "Give this darling baby boy to some one who can afford to care for him. His mother is not able to care for him. He was born June 15th." Mr. Cummings took the child to the Maternity Hospital.

### Drowned While Fishing.

Charles Hillpot, a clerk at Dillon's hotel, Bridgeport, Montgomery county, was trolling for bass in the Schuylkill river on Monday evening and while trying to land a large fish that he had hooked he lost his balance, fell out of the boat and was drowned.

### Thieves Took Bath.

Thieves entered the residence of J. L. Alexander, at North Brookdock, on Saturday afternoon, during the absence of the family, and after collecting goods to the value of \$500, coolly went to the bath room and took a bath and then departed with their plunder.

## SPANISH-AMERICAN WAR VETERANS

On October 29th next Danville will be the scene of a distinguished event in the form of the reunion of the Twelfth Regiment Association of Spanish-American war veterans. During the ten years that have elapsed since the 12th regiment, P. V. I., was mustered out of service reunions in succession have been held in all the towns but Danville, where companies of the National guard are located. Under the circumstances this reunion comes to Danville this year and the local members of the association are preparing for the event. A meeting of the Spanish-American war veterans will be held in the Armory Saturday night.

When a call was issued for troops at the breaking out of the Spanish-American war in the spring of 1898 the entire 12th regiment, N. G. P., with the exception of one officer and fifteen men, volunteered. The regiment was mustered into the service of the United States as the Twelfth Pennsylvania, Volunteer Infantry. The regiment was subsequently recruited to 109 officers and men to each company and on June 20, 1898, numbered 888 officers and men. The final muster out was concluded on October 29, 1898, and it is on the anniversary of this date that the annual reunions are always held. According to a conservative estimate scarcely more than one-third of the survivors of the Spanish American War have identified themselves with the association of veterans. Speaking for Company F, only about twenty of the hundred or so who volunteered went back into the company when the 12th regiment was reorganized in the National guard. With the muster-out as members of the 12th regiment, P. V. I., it would seem that a majority of the volunteers ceased to feel an interest in military affairs and losing the spirit of comradeship drifted widely apart.

It is hardly probable that more than four hundred survivors at most will participate in the reunion to be held here in October. During the session an especial effort will be made to interest all survivors of the Spanish-American war and increase the membership of the Veterans' Association. At the reunion among other events will be a parade with a popular band, a business meeting in the afternoon; a banquet about 6 p. m., followed by a camp fire at night.

Col. Coryell and Col. Clement, with other officers and speakers, will be present on the occasion. The Pennsylvania railroad will run a special train to Danville.

There are many imitations of DeWitt's Carbolized Witch Hazel Salve but just one original. Sold by Paules and Co.

### The Kneck-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing hope to the public by a miracle fact: that the stomach is the most vulnerable organ out of the prime ring as well as in it. We protect our throats, feet and lungs, but the stomach is utterly inefficient to, until Dr. Pierce's Discovery, and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect your life in your most vulnerable spot. "Weak stomach," indigestion, or dyspepsia, torpid liver, bad thin and impure blood and other diseases of the organs of digestion and nutrition. The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why? The "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

### Knights Form A Commandry

A commandry has been formed from the members of Montour castle, No. 186, Knights of the Golden Eagle, of this city. Forty members of the castle have joined the commandry and application has been made for a charter. Captain F. M. Herrington has been chosen to command the new organization, and fine new uniforms have been ordered to comply with the regulation dress adopted by the grand castle last year. The uniforms resemble very much the army blue uniform. The commandry expects to make its first appearance on Labor day when it will go to Shamokin as part of the K. G. E. excursion, and take part in the parade which will be a part of the ceremonies in connection with the laying of the corner stone of the new government building at that place. The roster of the new commandry is as follows: Captain—F. M. Herrington. 1st Lieutenant—David Grove. 2nd Lieutenant—Strawbridge Round sley. Sergeants—Harry Landau, Dallas Hummer, Francis Hartman, John Mitchell, Charles Hemmerly. Corporals—Ralph Hodge, Bruce McCracken, Harry Moyer, Roy Vangilder, L. S. Foust, John Vastine. Privates—Frank Blohn, Herbert Blohn, Robert Dietz, Charles Elliott, John Fouk, Benjamin Fouk, Claud Greenman, George Heiss, Herbert Hendricks, J. L. Heller, Frank Hartling, Samuel Mitchell, Joseph Parton, Dennis Quize, Elmer Rudy, David Roderick, William Setman, John Shoop, Charles Wagner, Joseph Weidman, Ralph White, Harry Yeager, Ottomer Volkman, Theodore Geringer and Harvey Geringer. The following civil officers have been chosen for the commandry: President, Harry Moyer; secretary, Dallas Hummer; treasurer, Herbert Hendricks.

### Fine Herd of 65 Guernseys.

That Montour county is not behind any of the other counties of the State in the size and appointment of its dairies is quite evident. When it comes to size the Vincent dairy in Valley township, which consists of sixty-five Guernseys, probably carries off the palm. A short stay at the Vincent farm affords an object lesson to show the modern and approved methods generally employed in caring for cattle and milk. A conspicuous feature of the Vincent farm is the cow barn 136x34 feet. Here the cows are stabled and fed. The pasture field on most farms have become a thing of the past. Mr. Vincent feeds his herd almost exclusively on alfalfa cut and fed green.

## DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable. Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmier's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medicinal triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmier, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble. Dr. Kilmier's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmier & Co., Elm Street, Buffalo, N. Y. The regular fifty cent and Home of Swamp-Root dollar sizes are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmier's Swamp-Root, and the address Binghamton, N.Y., on every bottle.

### WATER BOYS TERRIBLE FALL

Charles, the thirteen-year-old son of H. H. Stetler, Frosty Valley, met with a bad fall at the hospital for the insane Monday afternoon and sustained what is feared will prove to be fatal injury. H. H. Stetler, father of the injured boy, is a carpenter employed on the new buildings at the hospital. Charles was employed as water boy. The accident occurred about 3 o'clock Monday afternoon. Just how it happened no one seems to know exactly. With his water bucket the boy was going his rounds on the upper stories. Among others he gave his father a drink of water and passed on. Five minutes afterward he was found lying in the cellar many feet below in a pool of blood unconscious. On the right side of his head was a terrible gash about six inches in length. The boy was carried into the hospital and everything possible was done for him by Dr. Meredith and other physicians of the hospital staff. The doctors are of the opinion that the skull is fractured and presses in on the brain. As time wore on no evidence of returning consciousness appeared. Mrs. Stetler, the boy's mother, was informed of the accident by telephone and drove to the hospital for the insane. In view of the serious nature of the injury it was decided to remove the boy to the Joseph Ratti hospital at Bloomsburg for treatment. Still unconscious he was conveyed to Bloomsburg on the 5:44 D. L. & W. train. He was accompanied to the hospital by his father. At Bloomsburg the diagnosis of the local hospital physicians was confirmed. Monday night the boy was operated upon, and the pressure on the brain removed. His condition remains most critical.

### THE PURSEL FAMILY REUNION

The Pursel family reunion, held at Rupert Park yesterday, was in every respect a success. There were some five hundred persons present. During the afternoon there was speaking as well as recitation, and singing along with a fine program of sports. Among the latter were a bag race, peanut race, three-legged race, and nail driving contest for boys. Officers were chosen as follows: President, Frank Pursel, of Bloomsburg; 1st vice president, Miss Georgia Pursel; 2nd vice president, Pursel Ziegler; secretary, R. M. Pursel; treasurer, Barton Pursel. It was decided to hold the reunion next year at Columbia park.

### PEOPLES IDEAL 'PHONE PICNIC

The annual picnic of the Peoples Ideal Telephone company will be held at Millville park on Saturday, August 22nd. The usual big preparations for the event are being made, although the final details have not yet been arranged. As in former years, not only the subscribers, but also their friends, will be welcome at the outing.

## POLICE ARE MAKING ARRESTS

There is hardly anyone who would fail to see the necessity and the justice of adopting certain rules and regulations to preserve good order and protect life and property in a municipality such as Danville. Yet it is surprising how many persons, in the main good citizens, take certain liberties when upon the streets, which violate the borough ordinances. The police have become aware that this spirit is growing and they have resolved that it must be checked. Monday they started out determined to make an example of a few offenders and see whether by so doing they could not inspire a little more respect for borough authority. The first fellow who paid the penalty was a young man who indulged in the folly of fighting on Sunday. He was taken into custody by Officer Voris, who hailed him before Justice Oglesby where he paid the fine and costs in such cases made and provided. The police are now after the persons who ride their bicycles on the sidewalks, which is a nuisance of the first magnitude and has caused a great deal of complaint about town. A word to the wise should be sufficient in this relation, especially as the police mean business and the borough ordinance imposes a fine of five dollars on every person who propels or operates a bicycle, or other conveyance propelled by foot on any pavement or sidewalk within the limits of the borough of Danville. Incidentally, it might be mentioned that there is also a five dollar fine for operating a bicycle at a greater speed than ten miles an hour in the borough of Danville; also a fine of five dollars for operating a bicycle or like vehicle without a signal or alarm bell, which is to be sounded whenever the rider approaches a person standing or walking on any of the public streets or alleys. The same fine is imposed for omitting to carry a light after dusk and in the night time. The playing of ball upon the streets, which not only exposes the boys indulging in the game to danger of being run down but which also makes it unpleasant for pedestrians on the streets, is another practice that is under the ban. The borough ordinance provides a fine of two dollars for playing ball upon the street. The ball players will do well to remember that the police are after them.

### BLOCKADED

Every household in Danville should know how to resist it. The back aches because the kidneys are blockaded. Help the kidneys with their work. The back will ache no more. Lots of proof that Doan's Kidney Pills do this. It's the best proof, for it comes from Danville. Mr. Charles D. Wildspelt, living at 263 Mill street, Danville, Pa., says: "My experience with Doan's Kidney Pills justifies me in recommending them as a remedy of merit. For some time prior to using them, I had pains through the small of my back and kidneys, and at times, my back was so painful that I could hardly straighten after stooping. At night I was unable to assume a comfortable position and in the morning I would arise scarcely able to get about. A dull lancid feeling sapped all my energy and I felt miserable. Doan's Kidney Pills were finally recommended to me so highly that I procured a box at Hunt's drug store, and their use promptly relieved the pain in my back. After using the contents of the box, my strength and energy returned, and the backaches and other disorders of my kidneys disappeared. I give Doan's Kidney Pills my highest endorsement."
