DIETRICH AGAIN

Continued from 1st Page.

Cross-examination. Heard Dietrich say that he shot Jones in self defense. He threw up his arms and said, "My God, I am no murderer. Take me and do with me what you please." He was very nervous, talked in an excited

DR. PAULES TAKES STAND.

Dr. W. R. Paules, the physician who was called to the hotel after the shooting, was the next witness. He found Jones dead with a bullet hole on the left side of the face. The witmess the next morning made a post curred. He would take a drink every mortem examination at undertaking five minutes and was not satisfied with stablishment of George W. Roat. The bullet hole was found to be a few inches below the left eye and about an inch from the bridge of the nose. Removing the top of the skull they found the tributed shoughed through the the bullet had ploughed through the orbit and through the base of the brain of whiskey. He would come and was lodged in the occipital hone.

The would was a surely fatal one proand was fodged in the occipient of the would was a surely fatal one producing instant death. They examined ducing instant death. They examined the body and could attribute the death big way as far down as the body and could attribute the death of the value would be a pair of good shears, which are sharp, but, and could attribute the death of the value would be a pair of good shears, which are sharp, but, and could attribute the death of the value with a releast of the value to nothing else than the bullet wound.

The witness' testimony corroborated Cross-examined by Mr. Hinckiey.
