SECOND DAY OF INSTITUTE

Tuesday every one of the seventy-eight teachers employed in Montour county was enrolled at the institute, a condition which has very seldom, if ever, been paralleled in the history of the county.

The chapel exercises were conducted by the Rev. James Wollaston Kirk, pastor of the Manioning Presbyterian church. Professor Charles A. Albert occupied two periods, his topic in the forenoon being, "Learning to Read" and in the afternoon "The First Year in Arithmetic."

Dr. Van Ormer gave two excellent talks. The first, delivered in the forenoon, was on "Heuristic Teaching," a method which in a general way might be said to leave pupils to discover or find out for themselves.

The music, with Borough Superintendent Dieffenbacher in charge, is one of the most successful features of the institute. Included in the special music Tuesday was a piano duet by Miss Hughes and Miss Shepperson; also singing by the Keystone Double Male Quartette, which rendered several selections.

Miss Rachel Mettler rendered a recitation with good effect. The demonstration of practical work done in the commercial department Tuesday eve was witnessed by a large number of our townspeople in addition to the teachers regularly attending the institute.

Some sixty pupils took part in the practical work. The freshman class gave a drill in rapid calculation and penmanship. The work of the sophomore class consisted of a drill in touch typewriting by beginners, an exercise in journalizing, and also one in black board shorthand.

While all did exceedingly well the senior class was to be expected showed the greatest proficiency, the entire class writing shorthand and reading from notes. The exercises also included touch typewriting, from copy, and blindfold typewriting, from dictation. An exercise in advanced bookkeeping was also given.

Mrs. McRaney's Experience. Mrs. McRaney, Prentiss, Miss, writes: "I was confined to my bed for three months with kidney and bladder trouble, and was treated by two physicians but failed to get relief. No human tongue can tell how I suffered, and I had given up hope of ever getting well until I began taking Foley's Kidney Remedy."

Surprise Party. A pleasant surprise party was tendered at the home of Mr. and Mrs. Lewis L. Mainzer, near Chestnut Grove, Saturday evening, in honor of the birthday of their daughter Margaret.

A Personal Appeal. If we could talk to you personally about the great merit of Foley's Honey and Tar, for coughs, colds and lung trouble, you would not be induced to experiment with unknown preparations that may contain some harmful drugs.

Montgomery Sentenced. William Montgomery, former cashier of the Allegheny National bank, of Pittsburgh, was placed in the western penitentiary on Saturday to begin the serving of a 15-year sentence for misappropriating the funds of the institution by which he was employed.

Guilty of Counterfeiting. Passing counterfeit money is no worse than substituting some unknown worthless remedy for Foley's Honey and Tar, the great cough and cold remedy that cures the most obstinate coughs and heals the lungs.

Hoarse coughs and stuffy colds that may develop into pneumonia over night are quickly cured by Foley's Honey and Tar, which soothes inflamed membranes, breaks the lungs, and expels the cold from the system.

Kreigh-Creiglow. Theodore Kreigh-Creiglow and Elmira Creiglow of Danville were united in matrimony Tuesday afternoon.

THE PHILADELPHIA PRESS. The Philadelphia Press is giving away free every Sunday 200 copies of the paper to the best solution to the puzzle, which appears in the paper every Sunday.

Shutt-Loyer. Samuel H. Shutt and Elizabeth Loyer were united in matrimony Tuesday evening at the home of the bride's parents.

BIG PARTY IN EAST DANVILLE

NO FALSE PRETENSE has marked the career of Ely's Cream Balm. Being entirely harmless, it is not responsible like the catarrh snuffs and powders, for minds shattered by cocaine. The great virtue of Ely's Cream Balm is that it speedily and completely overcomes nasal catarrh and hay fever.

Will Shelter Aged Odd Fellows. The new home for Odd Fellows' orphans near Sunbury is now about completed and the children expect to celebrate Christmas in the new home. The building is arranged to accommodate 124 children and is expected to answer all demands of the Central Pennsylvania district for years to come.

Eight Billions from the Farms. The value of farm products for the past year will aggregate more than \$8,000,000,000, in the break of all previous records, the value of last year's crop being \$7,500,000,000.

Knedy's Laxative Cough Syrup stops the cough and drives the cold from the system. Children like it. Sold by Paules & Co.

DeWitt's Carbollized Witch Hazel Salve. Best salve for burns, scratches and hurts. It is especially good for piles. Sold by Paules & Co.

Hunters Return from Mountains. D. R. Eckman, of this city; J. W. Treas, W. H. Treas, Dr. M. N. Smith and others of South Danville, who left for White Deer Mountain on a hunting excursion two weeks ago have all returned home.

John Hendricks, a resident of the south side, shot a deer, but none of the rest were so successful. Without exception, however, they report having had a pleasant trip and having derived much benefit from the long outing.

Conditions in the White Deer mountains are not favorable for much success in hunting deer. In the first place, only male deer with horns may be shot. This restriction leaves only a few relatively of the entire number seen that the hunter may select as his game.

Do You Open Your Mouth Like a young bird and gulp down whatever food or medicine may be offered you? Or do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to insist upon such knowledge. So he publishes, broadcast and on each bottle wrapper, what his medicines are made of and verifies it by analysis.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating, pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy.

Dr. Van Ormer after his three days' effective work at the teachers' institute, hardly needs an introduction to the citizens of Danville. Few men have ever appeared before an audience here that brought a message of such peculiar interest—who appeals as he does to the understanding and the heart alike.

THE PROBLEM OF THE TWO N'S. Tonight holds a rare treat in store for the citizens of Danville. Dr. Van Ormer, the brilliant institute instructor of Philadelphia, has consented to deliver a lecture in the high school auditorium.

More people are taking Foley's Kidney Remedy every year. It is considered to be the most effective remedy for kidney and bladder troubles that medical science can devise. Foley's Kidney Remedy corrects irregularities, builds up worn out tissues and restores lost vitality. It will make you feel well and look well. For sale at Paules & Co. Pharmacy.

Recently there has been overbuilding in Toronto, the report from that city is that between 3,500 and 4,000 houses are being built.

GRANGERS DEMAND PARCELS POST

The national grange, after a session of a week in Washington, D. C., has adjourned. Toward the end of the meeting it adopted a resolution demanding the introduction of the parcels post on rural routes and also of its universal extension.

These are measures that have been recommended by Postmaster General Von Meyer and by his predecessors for twenty years. The parcels post has long since been in use in European and even in Asiatic countries.

The recent postoffice deficit is seven million dollars. The postoffice establishment, spending nearly two hundred millions, brings the country in debt seventeen millions a year. The establishment, well managed in a business-like way and doing the profitable work that the express company filches from it, would bring the government nearly enough money to build a half dozen dreadnoughts and would at the same time furnish all the people of the United States with a vastly superior service.

What's the matter? Feel kind of tired and run down? Hunt's Herb Tonic will make you feel right smart. 25 cents.

Boy Injured While Playing. Byron, the 11-year-old son of Samuel Sainsbury, Railroad street, sustained a compound fracture of his arm Sunday afternoon.

The accident occurred at the home of George Stickle, Centre street. Byron, who was playing with some other children, while running caught his foot in the boardwalk and stumbled. He fell upon his left arm, which received his weight in such a way as to cause a fracture between the elbow and the wrist.

The injured boy was removed to the home of Josiah Jobborn, corner of Centre and Ferry streets, where the fracture was reduced.

Not Wanted as Jurors. Citizens of Luzerne county who are opposed to capital punishment are not wanted on the jury list, and all who at examinations in recent murder cases stated they had conscientious scruples against capital punishment will be hereafter dropped from the list.

Spending Honeymoon in Danville. Mr. and Mrs. Geo. H. Bruning, of Easton, are visiting Mrs. Bruning's mother, Mrs. D. C. Williams. Mrs. Bruning was formerly Miss Jennie E. VanHorn, and her marriage took place on November 7th. The young couple are spending part of their honeymoon in this city.

BIG MERGER IS REPORTED

An important merger, that includes a number of electrical companies, and which closely affects Danville, is reported to be in the process of consummation. The companies which it is proposed to merge are the Danville & Bloomsburg Street Railway, the Standard Electric Light company, of this city; The Columbia & Montour Electric Railway company, the United Gas and Electric company and the Irondale Electric company of Bloomsburg, and the Berwick Electric Light company.

Those who are in a position to know decline to discuss the matter but it is known that the merger is to go into effect in the very near future. Experts have been over the books of all the companies as well as over both electric railroads and it is understood that the equipment of both trolley roads will be greatly improved, the greater financial backing of the new corporation making possible a greatly improved service.

If the report is correct, the electric power houses in the towns mentioned will be eventually dispensed with, it being the purpose to secure the electricity for the purpose of operating both the electric light plants and trolley roads from Hatwood, near Hazleton, where a mammoth plant, which uses the culm from the nearby culm banks for fuel, has been erected. The personnel of the new company is not announced.

Nearly everybody knows DeWitt's Little Early Risers are the best pills made. They are small, pleasant, sure Little Liver pills. Sold by Paules & Co.

This Man Voted for Eye-wohyo. There was one voter in Tioga county who was bound to vote "the whole ticket." The board noticed that he spent about twenty minutes in the booth. And when he deposited his ballot it was noticed that one corner of the sheet was stained. In counting up the vote this ballot was found to have a cross mark in every square on the sheet—every name in every column of electors marked and every candidate of all parties.

Death of a Young Man. Frank Dean, of Washington, died at the home of his mother, in that village, Saturday evening after a lingering illness. Mr. Dean was aged 18 years—a bright and promising young man, who was held in the highest esteem by the whole community. Beside his mother, Mrs. Margaret Dean, he is survived by a brother and sister, Joseph and Mertie, both of whom reside at home.

Rhoades-Hartman. Henry Guy Rhoades and Clara R. Hartman, both of this city, were married by the Rev. L. Dow Ott at the bride's home on Chambers street Saturday evening at 8 o'clock. After the wedding dinner was served. Beside the immediate family there were present Mr. and Mrs. Clinton Rhoades, Mr. and Mrs. Thomas Crosley, Mr. and Mrs. Peter Fisher, Helen Kelly and Ralph Bennett. The bride and groom were the recipients of some pretty and useful presents.

Kodol is made of natural digestive juices found in a healthy stomach, and it digests all food completely. Kodol is pleasant to take, and is guaranteed to give relief in any case of stomach trouble. Sold by Paules & Co.

Well-Known Men Plant Trees. Samuel Lunger, C. S. Aten, Hugh Parsel and William Evans on Monday planted two fine mountain maples on the portion of the new park formerly the Petriken cemetery. The trees were planted next to Bloom street completing a row which was set out earlier in the season.

The four men went to the mountain, selected and dug up the trees, which they themselves brought back to town. Messrs. Lunger and Aten are veterans of the civil war. The act of the four men demonstrates the degree of interest that all classes feel in the new park.

Hunter Received Painful Wound. John Mack, of near Pottsgrove, was painfully injured Monday morning when a shot gun in the hands of a companion, with whom he was hunting, was accidentally discharged, the load taking effect in Mr. Mack's right leg.

Mr. Mack was standing but several feet from the weapon when it was discharged, and the full load took effect in the fleshy part of the thigh just below the hip joint. A deep gash several inches in length severed the muscle. While the wound is very painful, Mr. Mack's condition is not serious.

The Roads Good. The country roads for a week past have been in most excellent condition. There is an absence of dust while the road bed is beaten hard and dry. Very few automobiles are idle now and many long runs are made daily.

Licensed to Wed. Marriage licenses Tuesday were issued to two couples—James W. Wertman and Miss Anna Prentiss of Danville; also to Ira S. Hughes and Miss Maggie Lormer, both of Rosh township.

Near Charleston, S. C., the other night, a big crane committed involuntary suicide by tangling his neck up fatally with a telephone wire.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable. Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmor's Swamp-Root, the great kidney and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmor, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmor's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless to poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmor & Co., Binghamton, N. Y. The regular fifty cent and one dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmor's Swamp-Root, and the address Binghamton, N. Y., on every bottle.

BUSINESS OUTLOOK IS ENCOURAGING

The Reading Iron works is now running steadily, full in all departments, with the exception of the skelp mill, which has been idle the greater part of the time for a couple of years past. The two puddle mills, the guide and the bar mill, afford work for some six hundred men and it is a matter for self-congratulation that they are making such good time.

The four departments have been running for three weeks past. Prior to that time the bar mill was idle for a few weeks but the other departments were running steadily.

Our other industries have done equally as well as the Reading Iron works and compared with other towns Danville has been quite well favored during the business depression. Add to the above the fact that the business outlook is brightening and we have conditions that are quite encouraging on the eve of winter.

In Danville there are very little signs of depression left and our merchants are anticipating a brisk holiday trade.

Kodol for Dyspepsia, indigestion, weak stomach, sour stomach, gas on the stomach, etc., is guaranteed to give prompt relief from any form of stomach trouble. It will cure your dyspepsia. Sold by Paules & Co.

Allgorical Figures Have Arrived. The four allegorical figures for the soldiers' monument have arrived at the D. L. & W. station and will be delivered at the monument site in a few days.

General interest centers on these figures, which will be the most artistic feature of the handsome memorial. It will be at least a couple of weeks later before the figures can be placed in position.

The shaft has now attained about one-half of its height and the work is progressing very rapidly.

Foley's Orino Laxative cures chronic constipation and stimulates the liver. Orino regulates the bowels so they will act naturally and you do not have to take purgatives continuously. For sale at Paules & Co. Pharmacy.

Turbotville Church Reopened. With three impressive services the Turbotville Baptist congregation Sunday re-opened its altered and improved church edifice. Rev. C. A. Hare, D. D., of Lewisburg, preached at the morning service and Rev. H. C. Munro, D. D., of White Hall, in the evening. Several addresses by ministers from nearby places were made at the afternoon meeting.

The extensive renovations were made at a cost of \$2500, for which the fund have already been raised, and which include a new ceiling and floor, new seat and windows, a gas plant and painting both the interior and exterior of the church. The pastor of the church is Rev. Hile.
