PUDDLING BASIS

For some days past the air has been full of rumors of wage reductions, esp- to which the contract was awarded, ecially as relates to the Montour mills and the other from Fred Schautz, decof this city, owned and operated by orator and painter, of Williamsport, the Reading Iron company. In order to determine to what extent this plant might be affected by any contemplated wage reduction an interview was had with General Manager H. L. Hecht at his office Monday.

A reduction has been decided upon, which will affect the Montour mills in this city along with other plants The contract was awarded to the C. owned by the Reading Iron company. Full particulars will be found in a der. statement authorized by F. C. Smink, president of the Reading Iron com-Mr. Smink says:

recently inaugurated has residued in a foreman will arrive to look over the most drastic decline in the prices of ground and to get things in readiness the various products manufactured by for erecting a scaffolding, which will this company. Its largest product is that of wrought iron pipe and tubular great deal of time and labor. goods, the price of which has dropped \$10.0 to \$11.00 per ton from the price ruling up to last month. Its other pro-ducts have been affected to a some-what lesser extent. The company is one dreaded disease that solence has been able to cure in all its stages, and in operation, and to this end every economic measure will be put into ef-fect. A revision and readjustment of its wage schedules (necessarily involv-ing a reduction in all its departments) is now imperative and can no longer that so cleater have, therefore, most reluctantly decided that new wage lists be prepared and put into effect the latter end of this month.'' In respect to wages, he further stat-in respect to wages, he further stat-in respect to wages, he further stat-constant course is the outer is all its of the mether is the month.'' In respect to wages, he further stat-in respect \$10.00 to \$11.00 per ton from the price

In respect to wages, he further stated that the policy of the company has always been a consistent and liberal It has steadfastly refrained from making any reductions until all other means of decreasing costs of production, in order to meet current marke prices have been exhausted and it has never denied an increase when the market for any of its products justified such increase. The reduction now contemplated will vary in the different departments from 10 to 15 per cent. The pudding basis will be at the rate of \$3 75 per ton.

WHEN HER BACK ACHES.

The contract for frescoing and paint ing the court room, stairways and vestibule of the county court house on Saturday was awarded to the C. Day Rudy company, of Harrisburg, for one thousand dollars.

cludes the painting of the window sashes and frames, the touching up and varnishing of the wainscoting, 6.35 P. M. doors, gallery front, judges' station, desks and railings, as well as the railings or bannister leading down the front stairways in the vestibule and
