THE UNVEILING

TO ASSIST IN

Swarts, Redding, Barber, Fish, Fisch. er, Lloyd, Heiss and Cole. Frank G. Schoch, W. L. McOlure and Sam A. McCoy, members of the soldiers' monument committee, appeared before the board to ask that the teachers and pupils of the schools the concrete walk he had not the full participate in the memorial day ob-

servance. Mr. McClure addressed the board at length asking that the schools participate in the exercises of unveiling the soldiers' monument on Monday.

May 31st. The popular desire, he said, was that the schools, with their teachers, should attend in a body, marching to Memorial park in the same order as would provide a small flag for each pupil, while the monument committee would procure a band of music to en-

liven the march. The school board highly approved of the proposition and as the schools will be closed May 31st it was thought there would be no difficulty in getting the pupils and the teachers interested.

Secretary Orth read a letter from the Rev. Edward Haughton declining the invitation to preach the baccalaureate rmon, owing to the presure of work. Borough Superintendent Dieffenbacher reported that the class had since learned that Mr. Haughton had reconsidered the matter and would preach

the baccalaureate sermon. Iu the meantime, it appears, the Rev James Wollaston Kirk, pastor of the Mahoning Presbyterian church, had had accepted.

On motion of Mr. Redding the declination of the Rev. Haughton was accepted. On motion of Mr. Orth it was order

ed that the Rev. Kirk be officially invited by the school board to preach the baccalaureate sermon.

### MONUMENT THE CROPS ARE IS COMPLETED

The soldiers' monument is now completed and the contractor is off the ground. The fluished memorial now towers aloft in all its stateliness and beauty. The effect is much enhanced by the removal of the high derrick and the piles of lumber that were used for scaffolding.

The ground is now clear except for the small builidng used to house cement, &c., and the pile of gravel needed for the concrete walk yet to be chased by George Hunlock but he has consented that it may remain until the walks are completed.

A concrete walk seven or eight feet ment. In addition the committee would like to see the wide walk leading from Bloom street to the monnment concreted.

Hon. James Foster, chairman, ves terday stated that the monument fund surplus on hand will be needed to meet the expenses of unveiling.

Under the circumstances, he said, the borough would be asked to defray the expenses of what concreting remains to be done. The comimttee, he said, would likewise ask that the walk leading from Bloom street to the mouument, which at present nearly conforms to Upper Mulberry street. Providing that hanking corporations re-located so as to lie at right angles with the monument.

As a finishing stroke, Mr. Foster ual increase in the area devoted to date of their letters patent or which said, two large caunon will be placed these two crops is indicated in the

> other at the southwestrn corner of the monument. By the side of each gan will be the traditional pyramid of canuon balls.

The two cannon, the existence of which is unknown to many of our townspeople, were procured for our soldiers' monument some eight or ten years ago through the effotrs of the late Hon. R. K. Polk, then congressman from this district. The cannon on reaching this city were stored in and Manufacturing company where Th cannon saw service during the civil

posts will add much to the effect of A special meeting of council was
