PASTOR PREACHES FAREWELL SERMON

Rev. L. D. Ulrich preached his farewell sermon at Trinity Lutheran church at the morning service Sunday. The occasion marked the closing of a most successful pastorate covering a period of nine years...

Rev. Ulrich took as his text 2 Corinthians 13-11: 'Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you'...

Rev. Ulrich drew a comparison between the labors of St. Paul and his labors as a pastor in this city and admonished his congregation in the words of the text.

He thanked most gratefully, the members for their love and kindness to himself and family during the time he has been with them in this, his first charge. He expressed his gratitude for their help and forbearance when as a youth he assumed the duties incident to his charge at Trinity Lutheran. The relations between pastor and people have been most harmonious. The severance of connections takes place at this time with no feeling of reproach on either side...

Cured Hay Fever & Summer Cold

A. S. Nusbaum, Batesville, Indiana, writes: 'Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success.' Sold by Pauls & Co. Pharmacy.

PENNSYLVANIA RAILROAD PERSONALLY-CONDUCTED EXCURSIONS TO NIAGARA FALLS August 25, September 8, 22, and October 6, 1909. ROUND-TRIP RATE \$7.30 FROM SOUTH DANVILLE.

THE REPORT IS ENCOURAGING

The report of the tuberculosis dispensary for the month ending August 20th presented by Dr. Stock, the physician in charge, is a most encouraging one, revealing greater progress toward cure than ever shown before.

One patient was admitted during the month. Thirty-five were brought over from the previous month. Two patients were discharged during the month, which leaves thirty-four receiving treatment at the dispensary. Of the patients discharged one was "non-tuberculous." There was one death.

During the month there were forty-six return visits. In twenty-three cases there was an increase of weight; in nine the weight was unchanged. In two there was a loss of weight. Only one took medicine during the month. The nurse made twenty-seven visits. Four hundred and thirty-four quarts of milk and 128 1/2 dozen of eggs were ordered during the month. Sixteen patients received milk and thirteen patients received eggs.

The report is most encouraging in that during the preceding month only ten revealed gain in weight, whereas in the present report twenty-three show gain. In the preceding month nineteen were unchanged as to weight while in the month just closed only nine were reported as "unchanged." The report for month ending July 20th showed six as revealing loss of weight; the present report has only two that show loss.

The single death reported was due to a complication of diseases, the most prominent being heart trouble and the death was formally reported as due to that disease.

WILLIAMS GROVE PICNIC. Reduced Rates by Pennsylvania Railroad.

Played With Washingtonville.

Three of Danville's amateur base ball tossers played with Washingtonville Saturday in a game with Turbotville at the latter place. Harry Lawrence was in the box for Washingtonville. William Sechler and Edward Price were on first and third respectively. Washingtonville was defeated by a score of 7 to 4. Turbotville secured but four hits off Lawrence's delivery.

League Managers' Banquet.

A delightful banquet was held at the Central hotel Sunday afternoon in honor of the retired president of the Susquehanna league, Fred A. Steiber and the newly elected president, W. C. McCollum. It was a purely informal gathering and business was taboo. Present were Mr. Steiber, Mr. McCollum, Manager Hoffman, of Danville; Manager Titell, of Bloomsburg; Manager Colley, of Shickshinny; and Manager Spain, of Nescopeck.

DO THE RIGHT THING

Get Ely's Cream Balm at once. Don't touch the catarrh powders and snuffs, for they contain cocaine. Ely's Cream Balm releases the secretions that inflame the nasal passages and the throat, whereas medicines made with mercury merely dry up the secretions and leave you no better than you were. In a word, Ely's Cream Balm is a real remedy, not a delusion. All druggists, 50 cents, or mailed by Ely Brothers, 56 Warren Street, New York.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famed medicine is advised.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of the several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration?

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. R. V. Pierce, Buffalo, N. Y.

FOR INVESTORS

A VETERAN ENGINEER

Danville has some enthusiastic automobilists but the veteran among them all is F. H. Vannan of the south side.

Before the most of the present day autoists were born Mr. Vannan was running a locomotive among the mountains of Northeastern Pennsylvania in the days of primitive railroading. The dangers and excitement of modern railroading are not to be compared to what an engineer faced in the days when railroading was new.

When Mr. Vannan as a young man, in the 50's, entered the D. L. & W. shops as an apprentice the company owned but thirteen locomotives.

Before he left the company's employ the number of locomotives had increased to over eighty.

Adverting to his experience as a locomotive engineer yesterday Mr. Vannan remarked that he considered the driving of an automobile more difficult or, at least, as requiring greater nerve, than running a locomotive. The engineer, of course, has to strain all his energies, maintaining a sharp lookout and keeping his engine well in hand; but he relies upon the track and in that sense gives little thought as to where he is going. The auto driver has to maintain the same lookout and must be able to check his speed or stop at a moment's warning and, in addition, has to steer his machine, often threading his way through a crowded thoroughfare. It is only by the merest casualty that the engineer meets with an obstruction, while in the case of the chauffeur obstructions are the very things that he has to reckon with.

Mr. Vannan remarked that many persons, especially those of nervous temperament, are unfit to handle an automobile; nevertheless, he admitted that it is remarkable how few accidents occur in automobiling that are due solely to any error on the part of the driver.

Surprise Party.

A pleasant surprise party was held at the home of Mr. and Mrs. Richard Fogle, Riverside, Saturday night, in honor of Mrs. Fogle's 57th birthday. Those present were Mesdames Mordella Vangilder, Frank Armes, John Farley, J. Kaufman, Mr. and Mrs. Edward Gross, Mr. and Mrs. George Belford, Mr. and Mrs. James Johnson, Misses Ruth Armes, Helen Armes, Myrtle Cook, Irene Farley, William Fogle, and Edith Rady. Refreshments were served.

Do You Think For Yourself?

Do you open your mouth like a young bird and gulp down whatever food or medicine may be offered you? Do you have an intelligent thinking woman in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true remedy of Dr. Pierce's Favorite Prescription, sold by druggists for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of the several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration?

DELEGATES OFF FOR STATE CAMP

The delegates who will represent Montour county camps of the P. O. S. of A. at the State camp have left for Washington, Pa., about 40 miles below Pittsburg.

William F. Beyer will represent Washington camp, No. 364, of this city and W. D. Seidel is attending the sessions as the delegate from Washington camp, No. 365, of Washingtonville. Five hundred delegates are at Washington representing approximately 100,000 members.

Many matters of vital interest to the order will come up at the business sessions, which will be held in the large auditorium of the Washington and Jefferson college. Altoona, Pottsville and Easton delegates are making a warm fight for the honor of entertaining the 1910 convention. The odds seem to be in favor of Pottsville so far.

Recognition is being sought by the Patriotic reserves, of which there are fourteen regiments, fully equipped and uniformed, throughout the State. That the convention will grant the request is the general opinion of all connected with the order from this end of the State. Already the convention parade committee has seen fit to recognize the military branch offering various cash prizes for best drilled companies.

ROY WOOLRIDGE SUSTAINS INJURY

Royal Woolridge, an employe of the Structural Tubing works, sustained a painful injury while at work Tuesday evening. Young Woolridge was working at a buffing machine and was handling a two inch pipe eighteen feet in length.

In adjusting the pipe end to the buffing wheel the force of the wheel drew the pipe in between the emery wheel and the carrying wheel, so quickly that Woolridge could not remove his left hand with which he was holding the pipe in place. Instantly the whirling emery wheel caught the hand and grinding into the upper part of the fingers, laid them open back to the first joints, literally grinding the flesh away.

Woolridge was assisted to the office of Dr. Curry where the injury was dressed. The nature of the injury necessitated the removal of the nails of the first and little fingers. Miss Agnes Fasold of Sunbury, spent yesterday with her sister, Mrs. Charles Hart, East Market street.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it. It is disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

PAID THE PRICE FOR MASHING

Tony Virelli, a gay Italian Lothario, who is employed by the Pitt Construction company on their work at the State hospital for the insane, Monday eve paid a neat bill before Justice Oglesby for trying his wiles on several well known young ladies of this city Sunday evening.

The Italian is a young man of rather prepossessing appearance, attired a bit flashily, but well. He protested his innocence to the justice and insisted on going into a hearing.

In accordance with his demand that the witnesses be produced, Walter Oberdorfer, Edward Linker, William Pritchard and Richard Driscoll, young men who had observed the foreigner's actions on Sunday evening, were called to testify. They were strolling on the river bridge between 9 and 10 o'clock, they said, when they observed Tony approach a young lady and walk beside her. When the masher saw the Danville boys he dropped behind. The young lady was much perturbed and one of the young men escorted her to her home.

Later the young men saw Tony address a young lady on Mill street, who likewise rebuffed him. They then notified Officer Voris, who made the arrest.

At the hearing Tony acknowledged having accosted the young ladies, but was conscious of having done no wrong. He said he was but exercising what he considered a privilege of every American—to seek the company of women when he was lonely. He was thoroughly surprised and angry when he found the justice would not take the same harmless view of his actions, and imposed the costs, amounting to \$5.90.

No matter how long you have suffered, Foley's Kidney Remedy will help you. Mrs. S. L. Bowen, of Wayne, Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." It will cure you. Sold by Pauls & Co's. Pharmacy.
