SWELLING THE MUMMERS' FUND

A meeting of the mummers' associa tion was held in the parlor of the Baldy house Tuesday evening with Vice Pursel, Iles, Everhart, Deutsch and President Thomas G. Vincent in the chair. The various committees reported progress and all arrangements are moving along very satisfactorily.

MR. SECHLER'S GIFT.

Mr. Vincent reported that W. A. Sechler, general manager of the Danville Stove & Manufacturing com-pany, had presented the Mummers' asociation with a very handsome and latest improved range, which will be disposed of at the very best advantage. In a few days' time the stove will be conspicuously displayed in the window of one of our business houses.

Several bands remain to be heard from, but all indications point to the fact that at least half a dozen musical organizations will be in line, including, beside the Catawissa and Northumberland bands, the Milton, Sunbury and Exchange bands and the Washington Drum corps of this city.
