**SENIORS FINISH THEIR WORK**

The school term of the borough of Danville is drawing to a close. This week the senior class of the high school will complete its work and on Friday will retire from school until commencement.

The names of those in the senior class were printed in these columns a few weeks ago. The class numbers thirty-three, the same as last year.

Wellington Cleaver carries off first honors this year, Miss Edith Rogers being second. Mr. Cleaver is in the classical and Miss Rogers in the commercial department.

The term will close on Friday, May 27th. On the same date high school commencement will be held in the opera house. Class day exercises will take place at 2 o'clock in the afternoon; at 8 o'clock in the evening commencement exercises will be held. The Rev. George S. Womer will deliver the address to the graduating class.

The baccalaureate sermon to the high school graduates will be preached by the Rev. A. J. Irey, in the First Baptist church at 7:30 p. m., Sunday, May 22nd.

The musical this year will involve a departure. Previously it was held in the high school auditorium, the pupils from all the wards participating. This year, each of the wards will have its own musicale. They will be held on May 20th at 1:45 o'clock, as follows: 1st ward, Miss Gallagher's room; 2nd ward, Miss Goodall's room; 3rd ward, Miss Musselman's room; 4th ward, Miss Bloom's room.

On May 25th at 3 p. m. the annual literary contest will take place in the high school auditorium.

On May 26th at 2 p. m., the grammar school commencement will be held in the high school auditorium.

On Monday, May 23rd, the examinations will begin, so that next week is the last of the term in which recitations will be heard.

The term which is drawing to a close has been an especially successful one. Not only has there been an absence of friction but the scholastic results attained have come up fully to the expectations of the school board. Under the principalship of E. O. Bickel, during the year, the local high school has been raised from second grade to first grade. To bring this advancement about the work in history and English has been extended.

A. B. Meyer and J. H. Gaskins, both new members of the high school faculty, have made good in an eminent degree and by their efficient work, along with Mrs. Coulter and Frank W. Magill, have afforded Mr. Bickel excellent co-operation in his efforts to raise the standard of the school.

**DROP BY DROP** the offensive discharge caused by Nasal Catarrh falls from the back of the nose into the throat, setting up an inflammation that is likely to mean Chronic Bronchitis. The most satisfactory remedy for Catarrh is Ely's Cream Balm, and the relief that follows even the first application cannot be told in words. Don't suffer a day longer from the discomfort of Nasal Catarrh. Cream Balm is sold by all druggists for 50 cents, or mailed by Ely Bros., 56 Warren Street, New York.

**A Birthday Surprise.**  
Mrs. Thomas Kear, Spruce street, gave a birthday surprise party on Monday evening in honor of the twenty-first birthday of her son Charles. The evening was spent in music and games. Those present were Misses Mary Gady, Lucy Mientzer, Agnes Mientzer, Tillie Anderson, Maggie Anderson, Maggie Scott, Lizzie Hoffman, Mary Kashner, Maggie Kashner, Helen Epp, Sarah Mitchell, Mae Patton, Ethel Jones, Stella Everett, Rose Schrum, Elsie Keofer, Beatrice Keofer, Edith Reese, Gale Bedea, Mary McDonald, Mr. and Mrs. Clarke Bedea, Messrs. William Rank, Walter Scott, John Aton, Clarence Weaver, William Gross, Atwood Rhoads, Fred Aton, Thomas Bedea, Clyde Patton, Omar Young, William Jenkins, Kirk Delcamp, Mrs. Thos. Kear and family, Jennie, Viola, Mary Eva, Martha, Rachel, Charlie, George and Raymond.

**Jack Ashore.**  
Fond Mother—You are never satisfied. Jack. When you go to see your homestead, and when you come home you're sensick.—London Punch.

**He that loves to be flattered is worthy of the flatterer.**—Shakespeare.

**NEWS ITEMS FROM 'ROUND THE STATE**

The tippie of the Avondale Coal and Coke company at Erie was destroyed by fire early Monday morning, entailing a loss of \$5,000. Incendiarism is charged.

M. William Black, a farmer residing near Waynesburg, on Monday killed an American eagle which measured thirty-four inches from beak to tail and eighty-four from tip to tip of wings.

Mayor Magee, of Pittsburg, has laid out a program for the Pittsburg Railways company. He desires that the company spend \$2,000,000 in the next six months in the purchase of new cars.

The story comes from Shenandoah that a five-foot copperhead chased a number of little children, whose screams attracted a young woman, who promptly got an ax and killed the reptile, which had taken refuge in a woodpile.

Loose earth and rock buried Anthony Manduke in a room of a colliery near Shenandoah on Monday. Rescuers went to work and after digging three-quarters of an hour succeeded in taking him out. Greatly to their surprise he was alive, although he had sustained numerous injuries.

Christian Weigan, of Lancaster, a Pennsylvania railroad engineer, was the victim of a peculiar accident. He saw a friend on an adjoining track and waved his hand at him. The friend had a knife in his hand and the engineer's hand struck it. A wound was inflicted which will keep Weigan off duty for some weeks.

**WAS CAUGHT HERE**  
Thomas Flaherty, a patient at the Retreat hospital for the insane, who escaped from that institution early last Tuesday morning, was located at Danville, Saturday, and returned to the hospital by two attendants who were in search of him.

Flaherty in his journey down the river attracted considerable attention in every town through which he passed and the authorities had no trouble in following him. He was traced from place to place and Saturday word was sent to Dr. Mayberry, at Retreat, that the missing man was seen walking about the streets of this city. He immediately notified the officers who were in the vicinity of Bloomsburg, and a few hours later Flaherty was on his way to the hospital.

The patient had for some time been given free run of the hospital but never tried to escape before. Tuesday morning about four o'clock he hurled a chair through a window on the lower floor and before any of the watchmen could reach that section of the building he was gone.

Foley Kidney Pills contain in concentrated form ingredients of established therapeutic value for the relief and cure of all kidney and bladder ailments. For sale by Pauls & Co's. Pharmacy.

**FLAGRANT NUISANCE**  
A building on the rear end of the Speiser lot, West Market street, which for years past has caused complaint, during the present spring seems to have become especially objectionable because of the offensive odors which emanate from offal and decomposing matter in various forms. It is a question whether a slaughter house can be found anywhere that is more objectionable than the building on the Speiser lot.

Under certain conditions of the atmosphere the stench that pervades the locality of West Market street is intolerable. Numerous instances of late might be cited when people passing on the sidewalks were nauseated and residents were obliged to seek the shelter of their houses, closing doors and windows. Naturally, under other atmospheric conditions, the offensive odors may not be detected.

The residents of West Market street have a just grievance. It is a shame and a disgrace that a nuisance of such a type should be maintained in a residential part of town where large sums are invested in real estate and where in return for their taxes the property-owners should be entitled to full protection from the borough.

Time and again the nuisance complained of has been reported to the borough council. It came up the last time a few weeks ago; as on previous occasions it was referred to the committee; relief was promised but the same old story repeats itself and, instead of an improvement, conditions, if possible, are growing worse.

The people in that part of town have been long suffering, but they are not in a mood to yield longer to a policy of delay or temporizing. It is the duty of somebody to see to it that the nuisance is abated; that a slaughter house or nothing akin to it is maintained at or near that spot. Such work as is conducted there should be relegated to points outside the borough. Time and again the assurance has been given that the place would not be permitted to become offensive, but past experience has shown that promises count for nothing. Let council enforce the ordinance. Ample provisions are made for the abatement of just such nuisances as the building complained of. The people have a right to demand that drastic action be taken without a moment's unnecessary delay.

**MANY CHANGES WILL BE MADE**

Architect J. H. Brugler has about completed the plans for the remodeling of the Montour House and in a day or so work on the improvements will be started. The changes contemplated will not only alter the appearance of the famous old hostelry considerably but will also add to convenience and general commodiousness.

First of all a new roof will be put on the building, imported tin being used. The slate at present on the roof is in bad condition. A great deal of work will be involved in reroofing the hotel, as the slate used is fastened directly onto the lath, which will necessitate a lining of boards before the tin can be put on.

Great alterations will be made in the first story and in the basement. In the latter the floor will be excavated to obtain more room. The plans provide for a metal ceiling and a cement or tarrazo floor. In the basement a rathskeller will be installed. There will be new fixtures throughout.

On the first floor the office will be remodeled and will be extended eastward. In the rear of the building an addition will be erected for lavatory and toilet rooms.

The spacious apartment at the south end of the building, now used as reading room, will be divided into two apartments for sample rooms. A feature of the improvements will be a spacious stairway with elaborate railing leading from the first story into the cellar about the center of the building. The plumbing throughout will be remodeled and the entire building will be modern and sanitary.

**WILL NOT ATTEND CAMP**  
Danville members of the National Guard will take no part in the division encampment at Gettysburg, which has been designated between August 11 and 20.

The Third brigade, the three Philadelphia cavalry troops and Battery B, of Pittsburg, which will camp with the regulars at Gettysburg in July, will not attend the division encampment.

A general order was also issued Saturday countermarching the order of some weeks ago designating July 14 to 23 as the time for the encampment and designating Gettysburg and the August dates in its place. At the same time a general order was issued announcing that the annual State rifle matches to be held at Mt. Gretna will be changed so as to begin July 25 instead of August 1.

**TEAM FRIGHTENED**  
A bad accident was narrowly averted at Cole's Hardware store Monday afternoon. Norman Krum of Mahoning township had just driven into town with a two-horse spring wagon and had tied his horses immediately in front of the hardware store.

Soon afterward a passing automobile frightened the horses and they sprang upon the sidewalk. At the same time one of the yoke straps broke, which caused the tongue to drop. As the horses sprang upon the sidewalk they overturned several large boxes of cabbage and tomato plants, belonging to Mr. Cole, which stood along the curb.

Quite frantic as the result of the succession of accidents the horses plunged toward the store. Everyone expected to see them take a header through the plate glass window when Officer John G. Voris and Ralph Fisher rushed to the spot, and, each seizing a horse, soon had the team quieted. There was considerable excitement about the corner for a while.

**ENTERTAINED WHIST CLUB**  
W. E. Gosh and Ralph B. Diehl Monday evening tendered a smoker to the members of the Whist club in that popular organization's new quarters in W. J. Baldy's building, next to the Danville National bank.

There were twenty-five members of the club present and a most enjoyable social evening was spent. A rubber of whist occupied the earlier part of the evening, which was followed by a bountiful spread and the smokes.

**Dissolution of Partnership.**  
Notice is hereby given that the partnership lately existing between John H. Goeser and Jacob H. Fish, of the Borough of Danville, County of Montour and State of Pennsylvania, under the firm name of John H. Goeser and Company, was dissolved by mutual consent April 30th, 1910.

All debts owing to the said partnership are to be received by the said John H. Goeser and all demands on said partnership are to be presented to him for payment.  
JOHN H. GOESER,  
JACOB H. FISH.

**Autoists Visit Danville.**  
A company of people from Sunbury paid a visit to this city Sunday and took dinner at the Montour house. In the party were: H. M. Becker and wife, M. Jonas, wife and child, P. Oppenheimer and wife, R. Chester, B. O. Miller and wife, Mrs. McKeehan, H. P. Shippe, Mr. and Mrs. Fred Haas, Frank M. Haas, Fred Haas, Jr., Simon P. Wolverton, Jr., and wife, Miss Catwallader and Miss Laura Packer.

Foley Kidney Pills are antiseptic, tonic and restorative and a prompt corrective of all urinary irregularities. Refuse substitutes. For sale by Pauls & Co's. Pharmacy.

**FIELD & TRACK MEET MAY 28TH**

Arrangements are now being completed, under the supervision of James Kase, for the third annual field and track meet of the Danville Y. M. C. A. and the Danville high school, which will be held at Athletic park on the afternoon of Saturday, May 28th.

The principal event and the one in which the greatest interest centers, will be the mile relay, for which the T. J. Price challenge cup is the trophy. Berwick has won the cup two years in succession and if that team succeeds in again taking the cup it will belong to them permanently.

The Danville team, this year, intends making a big effort to win, and prevent the cup falling into Berwick's hands. A group of our younger athletes are now in training and are working out each evening under the direction of Mr. Kase.

Another feature this year, which will be an innovation in Danville, will be a five mile marathon. The course will be inside the park, so the runners will be in sight of the spectators during all of their long grind. It is the intention, if possible, to secure a special prize for the winner of this event. The other events will include the usual numbers of a field and track meet.

Invitations were sent out on Monday to teams from Berwick, Milton, Sunbury and Catawissa to participate in the meet.

Although Danville failed to win the mile relay last spring, the meet was won by the local team on points by a large margin, Berwick finishing second.

**MOTHERS' DAY**  
Mothers' day was pretty generally observed in this city Sunday. In practically all the churches the occasion was given recognition. At several houses of worship special topics appropriate to the day were announced, while elsewhere in the sermons the subject of "Our Mothers" was dwelt upon lovingly and at length.

At 3:30 o'clock a general meeting was held in Y. M. C. A. hall in observance of Mothers' Day. There was a good-sized audience present. The speaker was the Rev. J. H. Musselman, pastor of Pine Street Lutheran church, who took as his subject: "Our Mothers."

It was a most impressive discourse. The heart was stirred to its depths as the speaker eloquently and with deep feeling paid his tribute of praise to the unflinching love, the devotion, and the self sacrifice of our mothers, reviving memories that are among the most sacred treasures of the heart.

The Orpheus Glee club rendered several beautiful selections.

**WATER AT 105 FEET.**  
W. G. Pursel, who last week installed a drilling outfit on his premises, West Market street, to demonstrate at what depth a supply of pure water might be obtained, has succeeded beyond his expectations. At the depth of 105 feet he struck a strong and apparently inexhaustible vein of water, which filled the boring to a depth of sixty-five feet. The water is of undoubted purity and soft in quality.

Mr. Pursel is satisfied with his find and will sink the well no deeper.

**How's This?**  
We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO., Toledo, O.

We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions, and financially able to carry out any obligations made by his firm.

**FOR MEMORIAL PARK**  
Eighteen benches, have been ordered for Memorial park and are expected to reach here in a few days.

The benches are of the kind usually used in parks. They are formed of wooden slats and are supported by four legs of wrought iron. Each is eight feet long and has three arms. The cost is \$9.11 apiece, delivered.

The benches will be distributed along the walks and together with the iron settees already installed, will afford sitting room for practically all who may visit the park.

**HORSE DROPPED DEAD**  
Arthur Amesbury lost a valuable horse Tuesday in a most unaccountable manner. The animal with another horse was hitched to a wagon that was being used to haul river coal.

**THE MOVEMENT IS GROWING**

The organized adult Bible classes now a part of every Sunday School in Danville are assuming tremendous importance as factors in religious work. The rapid growth and the zeal inspired by the movement are strikingly demonstrated by the adult Bible Class at St. Paul's Methodist Episcopal church, which has made unprecedented strides, now numbering 121 members, 25 of whom were added Sunday.

The class, which is composed of males only above the age of sixteen years, was organized, November 6th, with Wesley Hollobaugh as president; W. A. Sechler, vice president; E. S. Fornwald, secretary and Ralph H. White, Treasurer. The class meets in its main auditorium each Sunday morning between 9:30 and 10:30 o'clock.

The secret of the rapid growth of the class lies in the zeal and energy of its members, each of whom each Sunday makes it a point to bring in one or more new members. There are two sides in the Bible class. One side, known as the "Reds," has as its captain Councilman Ira Everhart; the other known as the "Whites," is under the leadership of Borough Secretary Harry E. Patton.

Previous to Sunday morning the enrollment was 96 with the "Whites" a few points ahead. As the new members were brought in Sunday the friendly rivalry existing in the two sides was clearly manifest and there was much curiosity to learn how the new members would line up. The announcement made at the close of the session showed that while the membership had grown to 121 the "Whites" were still ahead, having 56 men as against the "Reds," 64. Ninety-nine names responded to the roll call Sunday, 82 per cent. of the entire membership being present.

The Rev. George S. Womer, pastor of St. Paul's Methodist Episcopal church, who is a member of the adult Bible Class, is not enrolled on either side.

The exercises, which include an address by the Rev. Mr. Womer, are always of a nature to arouse interest and impress the men, the most of whom probably are not habitual churchgoers. Mr. Womer's talk Sunday was an especially able and appropriate one, along the line of indulgence with special reference to intemperance. The big class sat in most respectful silence, impressed with the broad sympathies that inspired the address and the speaker's desire to help and uplift humanity.

Another feature quite inspiring in its effect was a vocal solo rendered by Mr. Irvin Vannan.

**MYRON WELLIVER**  
Myron Welliver, the eighteen year old son of S. F. Welliver, Limestone township, died Sunday morning at 1 o'clock following a several days' illness.

The deceased was a young man of much promise. For the past two years he had been a pupil at the Strawberry Ridge high school and stood well in his classes. He is survived by two younger brothers, John and Ralph, both at home.

The family of which the deceased was a member has been visited with a series of afflictions. Only last fall the wife and mother, Mrs. S. F. Welliver died. Following close upon her demise Mr. Welliver suffered an attack of typhoid fever, which he survived due to careful nursing at the Joseph Ratti hospital, Bloomsburg. Now comes the death of the oldest son of the family.

**For More Than Three Decades.**  
Foley's Honey and Tar has been a household favorite for all ailments of the throat, chest and lungs. For infants and children it is best and safest as it contains no opiates and no harmful drugs. None genuine but Foley's Honey and Tar in the yellow package. Refuse substitutes. For sale by Pauls & Co's. Pharmacy.

**TO SPEAK AT SHAMOKIN**  
Lincoln Post No. 140, Grand Army of the Republic, of Shamokin, has selected the Rev. G. S. Womer, pastor of the Methodist church at Danville, as orator for Memorial Day, and recently received a letter of acceptance from him. The Rev. Womer is widely known throughout the State as one of the most eloquent orators and the local post prides itself on being able to secure his services for the annual address.—Shamokin Daily News.

**Commander Julius A. Pratt Post No. 143 Dept. III, G. A. R.**  
Mr. Isaac Cook, Commander of above Post, Kenawee, Ill., writes: "For a long time I was bothered with backache and pains across my kidneys. About two months ago I started taking Foley's Kidney Pills and soon saw they were doing just as claimed. I kept on taking them and now I am free from backache, and the painful bladder misery is all gone. I like Foley Kidney Pills so well that I have told many of my friends and comrades about them and shall recommend them at every opportunity. For sale by Pauls & Co's. Pharmacy."

**DANVILLE BOYS AT STATE**  
The Danville track team arrived home on Saturday evening from State College, after taking part in the field meet, held on Friday. Russel was not allowed to run, having been disqualified on account of a lame ankle. Hurley won a fifth place in the hundred yard dash, a fifth place in the quarter mile run and fourth place in the broad jump. Tom Ryan, who has been training under Lee Talbot during the past week had an off day and was only able to win a second place in the hammer throw. Talbot had been training Ryan with the sixteen pound hammer and shot. In the meet the twelve pound weights were used so Ryan had difficulty getting his correct balance. Little of Indiana Normal School won the shot put with a throw of 39 feet 6 inches. Ryan still holds the record at 48 feet.

More Black Hand trials are on at Wilkes-Barre.

**BIG CIRCUS AT SUNBURY**

Not since the beginning of time has an amusement enterprise so tremendous in size been organized as this one. Its magnitude is almost beyond belief. It comes this year, after an absence of several seasons, with a complete new equipment from start to finish. It cost the management \$3,300,000. Every corner of the earth has been searched by the foreign agents of the show for novelties. The result is a performance brim full of sensational acts, the largest and the only complete zoo in America and a three-mile parade. This parade is a veritable world's fair and a panoramic history of the earth from the days before the flood up to the last tick of the clock.

This great circus is fifty years old. It has always stood at the top among all the amusement enterprises of the world. This year it returns bigger, better and more attractive than ever. On its list of performers there are 350 names. These great stars have been gathered from European arenas. Among them are the three Tybell sisters, who present a "Human Butterfly" aerial spectacle which electrified all Europe last winter; Karl Handley and his company of German acrobats; Paul Alvarez, of Spain, the greatest head balancer on earth; the Avalons from England, the best of all high-wire artists; Capt. Webb and his two troupes of trained seals; Nellie Welch, of Australia, the only woman double somersault equestrian in the world; Ada Bell Edwards, the world's strongest woman, and the wonderful Alvo family of aerialists from Italy. The greatest trained animal act in all history is presented by sixty-one horses. They appear at one time in one ring. There are also the fifteen best educated elephants on earth. They perform in company with three companies of trained dogs.

In the menagerie there are 780 wild animals. Scarcely one of them have ever been seen in this country before. The menagerie alone represents an expenditure of a million dollars in money. When it comes to the street parade a description is impossible. The great free pageant must be seen to be appreciated. It is natural to expect this circus, above all others, to present the best open-air spectacle. Never in its splendid history has it displayed such extravagance as it shows this year.

The organization now numbers 1,000 employees and has 600 horses. It travels on a train over a mile in length. This train is divided into several sections. When under canvas the show covers ten acres of ground. Its many tents and the grounds are lighted with 4,000 incandescent lamps and arc lights. The circus carries its own lighting plant.

The greatest holiday of a lifetime is near at hand. Without a doubt many from this city and its vicinity will see the newly organized Adam Forepaugh and Sells Bros. shows.

**DANGER IN DELAY**  
Kidney Diseases Are Too Dangerous for Danville People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dizziness, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Danville.

S. M. Waite, 308 W. Mahoning Street, Danville, Pa., says: "About eight years ago I had kidney and bladder trouble. I could not control the kidney secretions and I suffered intensely from backache. My rest was fitful and I had acute pains through my loins. When feeling weak and run down, I was told about Doan's Kidney Pills. I procured a supply at Hunt's Drug Store and their use helped me so greatly from the first that I continued taking them until cured. This remedy will always have my hearty endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

**DEATH OF MRS. JONES**  
Lois Edith, the wife of Harry Jones, Grand street, died at 9:40 o'clock Monday evening, following a protracted illness of pulmonary tuberculosis. Her condition was very low for several weeks prior to death. For ten days she was unable to take food. The deceased was twenty-five years of age and beside her husband is survived by one son, Donald.

**New Pavement.**  
T. L. Evans' Sons are laying a new pavement in front of Mrs. Geisinger's block on Mill street.

**Remodeling House.**  
Edward F. Bell, engineer at the water works, is remodeling his residence on Front street.

**A BUNGALOW**  
E. D. Pentz, the merchant tailor, has purchased a lot on the south side and will build a bungalow.

The lot purchased is located on Sunbury street a short distance west of Smith's store and is known as the "orchard."

Mr. Pentz will proceed immediately to erect a dwelling. Architect John Brugler is already working on the plans. The dwelling will be of frame.

**Often The Kidneys Are Weakened by Over-Work.**

Unhealthy Kidneys Make Impure Blood. Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

**SENATE TUSSLING WITH R. R. BILL**

WASHINGTON, May 21. Senators proceeded serenely today with the job of fixing up their railroad bill despite the fact that the house with much contention and heavy labor passed a measure on the same subject yesterday. Senators, well aware of the fact that the shooting-up of the bill in the house has been from angles different from those employed in the senate, will indulge only in grim smiles when they hear officially that the house asks their "concurrency."

The house version of the bill will be referred to the senate committee on interstate commerce. The committee most likely will let it rest in a pigeon hole until the senate bill has been about completed. Then the committee will in all probability recommend that the senate bill be adopted as a substitute, the senate will follow the recommendation and the senate bill will be sent to the house for concurrence. The house will refuse to concur and will ask for a conference, which will take place without further delay. A conference committee usually consists of committees consisting of two Republicans and one Democrat from each branch of congress.

**The High Cost of Living.**  
Increases the price of many necessities without improving the quality. Foley's Honey and Tar maintains its high standard of excellence and its great curative qualities without any increase in cost. It is the best remedy for coughs, colds, croup, whooping cough and all ailments of the throat, chest and lungs. The genuine is in a yellow package. Refuse substitutes. For sale by Pauls & Co's. Pharmacy.

**X-RAYS USED**  
The x-rays at the Joseph Ratti hospital, Bloomsburg, were used Tuesday to locate a large needle that had become imbedded in the hand of Mrs. Joseph Reedy, Montour Row, this city.

The needle had been in the woman's hand for six days. It seemed to defy all efforts to locate and remove it, the patient meanwhile suffering the most excruciating pain.

Tuesday afternoon Dr. Newbaker accompanied Mrs. Reedy to the Joseph Ratti hospital at Bloomsburg, where the x-rays were used. The needle was located without difficulty, after which it was successfully removed by Dr. Newbaker and Dr. John, the latter of Bloomsburg.

One end of the needle was broken off, but the part remaining in the hand was 1 1/2 inches long. It was imbedded deep in the flesh near the bone and the case had become a serious one.

**What Everybody Wants.**  
Everybody desires good health which is impossible unless the kidneys are sound and healthy. Foley's Kidney Remedy should be taken at the first indication of any irregularity, and a serious illness may be averted. Foley's Kidney Remedy will restore your kidneys and bladder to their normal state and activity.

**Does not Color the Hair**  
AYER'S HAIR VIGOR  
Stops Falling Hair Destroys Dandruff  
An Elegant Dressing Makes Hair Grow  
Ingredients: Sulphur, Glycerin, Quinin, Sodium Chloride, Capsicum, Sage, Alcohol, Water, Perfume.  
A hair preparation made from this formula is harmless, yet possesses positive merit. A hair food, a hair tonic, a hair dressing. Consult your doctor about these hair problems.  
J. C. AYER COMPANY, Lowell, Mass.
