SERMON TO VETERANS

Sunday morning the members of Goodrich Post No. 22, G. A. R., marched to St. Paul's Methodist Episcopal church, where the Memorial sermon was preached by the pastor, the Rev. George S. Womer. The veterans, fifty-five in number, two abreast, and preceded by twelve Sons of Veterans, at 10:30 o'clock marched from the post room to the church, where space had been reserved for them in the front part of the auditorium.

The pulpit was draped with the American flag, while the wall at the rear of the speaker was also decorated with the stars and stripes. The two handsome flags carried by the veterans added to the general effect and the church took on an inspiring and patriotic air, which comported well with the theme and sentiment of the discourse.

The sermon, indeed, was one of Mr. Womer's ablest and most felicitous efforts. It had as its theme "The American King. The text was taken from Genesis, 12-8: "And God said Have Dominion." Following is a synopsis: This word puts man in his proper place, at the head of all created things.

Philosophers and statesmen have discussed the question of the origin of liberty. John Milton says that it came from the Bible. When God created man he made him a king. He said, "Have dominion."

RESULTS OF SATURDAY'S GAMES. Danville 8, Shickshinny 2. 10 Ings Bloomsburg 6; Alden 3. Berwick 16, Benton 7. Nanticoke 4, Nescopeck 1.

Danville's Susquehanna Limited, yet he walked the entire distance from his home in the upper end of Columbia county to this city, a distance of about thirty miles. The journey was made for the purpose of being within hearing and hand-clasp distance of his fellow veterans on Memorial Day.

In Danville big crowds gathered on Mill street to get the returns of the game, and grew more and more excited and impatient as the usual time for getting the scores passed. The Morning News was in constant communication with Shickshinny and had the score posted on its bulletin board a few seconds after the last man was out.

Those from Danville who saw the game were unanimous in stating that it was the greatest game of base ball they ever saw. The excitement started in the first innings with Shickshinny's tally and increased until Umlauf's lightning double play in the tenth smothered Shinn's hopes of winning.

A VETERAN OF TWO GREAT WARS

Among those who wended their sorrowing way to the burial ground Monday, and mingled the tears overflowing from their sad, old eyes as they gazed on the graves of their fallen comrades, the oldest was William H. Moser, of Pine Summit, Columbia county. If the day calls on floods of reminiscence to the minds of the survivors of the great army of men who fought for their country during the War of the Rebellion, think you what seems must these pictures recall to the mind of this aged veteran, survivor of two wars.

Mr. Moser is in his ninety-sixth year, yet he walked the entire distance from his home in the upper end of Columbia county to this city, a distance of about thirty miles. The journey was made for the purpose of being within hearing and hand-clasp distance of his fellow veterans on Memorial Day.

Mr. Moser stated that he felt none the worse for his long walk, which occupied twelve hours time. Mr. Moser has the distinction of being one of the few survivors of the Mexican war. He enlisted in Company C, 2nd Penna. Infantry, at the outbreak of the war in 1848 and served until its close. He also served two enlistments in the Civil War. In neither war did Mr. Moser receive as much as a scratch, in spite of the fact that he took part in many of the noted battles.

Mr. Moser will spend a week in this vicinity with his son W. F. Moser, an employe at the hospital and his daughter, Mrs. Elizabeth Freeze, Grand street.

until the last man is out." The score was 2 to 1 in favor of Danville. The first two Shickshinny batters were retired on a fly and a strike out. Goldner then connected for a double into left field. With a man on second McCabe took two strike and three balls, and then with the game within one pitch of the finish, he lammed the sphere over the right field fence for two bases and scored Goldner, changing the score to a tie.

Danville batted five men in the memorable tenth, the three put outs being on strikes, but between the fanning of Umlauf, Kelly and Hagy, Livengood had time to arrive for his third hit of the game. He hit to center field and was forced to second by Nipple's base on balls. With Kelly at bat Livengood then daringly started to steal third. The custodian of that bag allowed the pitcher's throw to go through him and Livengood scored.

Shickshinny had a try in the last half of the tenth to again even the score or go ahead. Davis opened solemnly with a hit through second base. Harned, batting for Reader, drove a terrific grounder to Umlauf, who gathered it in, tug second and threw the batter out at first, completing a double play. Willig made a last and easy out. Umpire Sweeney held the indicator, and in a game that had many trials for the "ump" he did mighty fine work. The game was witnessed by President W. L. McCollum, and his remark which heads this article was made to a Danville fan after the game.

The fans who witnessed the game speak very highly of Captain Nipple's conduct of the game. He injected more than ordinary head work into the playing of his team. He allowed no chance to strengthen Danville's hold to slip by and displayed his undoubted knowledge of the game at every stage. Cook played his first game with Danville and while his column in the score does not show much, the fans were well pleased with his general catches in left were well judged and he gave the impression, when standing up to the plate, of knowing how to hit.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, influenza, or apoplexy often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
