

LOCAL TIME TABLES.

Table with 3 columns: EAST, PENN'A. R. R., WEST. Includes times for various routes like D. L. & W. R. R., PHILA. & READING R. R., and BLOOM STREET.

ATLASES BY THE WAGONLOAD

The first of the warrantee atlases (there will be one for each county of the state) authorized by the act of June 13, 1907, has been received at the office of the Register and Recorder and is worthy of study. The atlas, some 24 by 22 inches in size, and containing 30 pages of lined paper bound in heavy boards, is naturally ponderous and unwieldy. Register and Recorder Sidler, who was trying yesterday to find a suitable place for keeping the atlas, was not a little dismayed at the thought that in process of time he will have sixty-six others to take care of. Former Deputy State Superintendent Henry Houck as Secretary of Internal Affairs is directly connected with the production of the atlases, each one being constructed under his direction from records on file in the Department of Internal Affairs and from surveys made on the ground. According to the law authorizing the construction the maps must show the outlines of the original survey, names of warrantees, dates of warrants, dates of surveys, names of patentees and other important details, which may appear in the originals to gether with county, township, city and borough lines and such textual matter as may be considered necessary. The atlas that has arrived is of Lawrence county. It contains in succession a map of the survey districts, a township index map, followed by maps of the separate townships. The maps contain only the boundaries and the above enumerated data. The public highways and the usual features that make such a map valuable in the community are absent. The atlas of Montour county and probably of the counties that bound it will no doubt prove of value for reference here but the officials at the court house confess that they can not see what use we will have for the other atlases—some sixty in number—that are to be unloaded on the register and recorder's office. In this connection it should be explained that the county commissioners' office is also to receive a set of atlases one for each county in the state. The workmanship both as relates to the type and binding is exquisite. The cost is no doubt very heavy, while the work progresses slowly. There is no telling when an atlas of Montour county will be produced.

DO IT NOW Danville People Should Not Wait Until It Is Too Late.

The appalling death rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint. If you suffer from backache, headache, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once. Doan's kidney pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here's a case at home: A. W. Blecher, 311 Front street, Danville, Pa., says: "When I caught cold it generally settled in my kidneys and disordered these organs. I tried several kidney remedies but Doan's kidney pills, procured from Hunt's Drug Store, gave me the greatest benefit. I know them to be an effective kidney tonic and far superior to any other kidney medicines on the market."

OFFICER'S RIB BROKEN

WILKES-BARRE, Aug. 31. General C. B. Dougherty, commander of the Third Brigade, N. G. P., who had a rib broken at Nanticoke last night, was resting quite comfortably this morning. The general, who is one of the executive officers of the Susquehanna coal company, went to Nanticoke last night in company with other officers of the company to attend a testimonial banquet. While in the town the party decided to inspect the new office building. The structure is yet an unfinished state. While walking over the temporary flooring, General Dougherty made a misstep and was precipitated into the basement, a distance of nine feet.

SITUATION IN BUSINESS WORLD

Henry Clews' weekly letter says: Aside from politics, the situation is somewhat conflicting. The process of readjustment in industrial and commercial affairs is making steady progress; and, although not by any means completed, the general situation can be accepted as safer and sounder in consequence of the rectification already accomplished. It is hardly to be expected that the derangements following so many years of uninterrupted prosperity can be satisfactorily adjusted in the short space of seven months. Nevertheless, the country is making excellent progress, not only in recovering its equilibrium, but in actual recuperation. Fortunately our crop outlook is better than a month ago. Corn has been making steady progress during the past week, and the outlook for a 3,000,000,000 bushel crop is fairly reasonable, if damage by frost be escaped. Cotton is also doing well and should, if free from frost, turn out larger than at one time anticipated. It will be remembered that wheat has already disappointed the pessimistic predictions of July. There is, therefore, now little or no danger of crop failure, and the country is almost certain of securing a fairly satisfactory harvest. Although prices are frequently lower than last year, they will yield good profits to the farmers. This probably explains the continued optimistic reports which come from the West, that section having steadily refused to seriously sympathize with the pessimism which has spread all through the East. The further west one goes the more optimistic is the temper.

How's This?

We offer \$100 reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO., Toledo, O. We, the undersigned, having known F. J. Cheney for the last fifteen years and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by the firm. W. ALDING, KINNAN & MARVIN, Wholesale Druggists, Toledo, O. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75c. per bottle. Sold by all druggists. Take Hall's Family Pills for constipation.

K. G. E. PICNIC

Montour Castle, No. 186, K. G. E., held a meeting at their hall last night on business connected with the monster Labor Day picnic which the order will hold at DeWitt's Park. Arrangements are about completed and the success of the picnic in point of numbers is assured. Word has been received from Williamsport, Milton, Lewisburg, Millinburg, Watonsown, Trevorton, Berwick and Bloomsburg to the effect that the Knights would be present in numbers. The citizens of Danville are urgently requested by the local Knights to join them at the park and swell the attendance. Refreshments can be had on the grounds. The committee further requests that the citizens decorate for the parade with flags and bunting. Games and amusements have been arranged for at the park and the occasion should be one to be remembered.

Missionary Address; African Curios.

At the First Baptist church, 2:30 p. m., today, Mrs. Clara Leslie, who during a number of years has been doing missionary work in "Darkest Africa" and who is now visiting her native land, will deliver an interesting address upon conditions in that continent. Mrs. Leslie will bring with her a number of curios which will serve to illustrate the social and religious customs of the natives. A cordial invitation is extended to every one to attend this meeting.

Laid to Rest.

The funeral of Robert Fred Held, who died Monday, took place yesterday afternoon from the residence of Mr. and Mrs. P. Fred Held, parents of the deceased, Pine street. The services were conducted by the Rev. Charles Cameron Snavely. The flowers were very beautiful. The funeral which was private, proceeded to the Odd Fellows' cemetery by trolley.

Defeated Shamokin at Tennis.

Three tennis teams representing Danville defeated Shamokin in a two town tournament at Maysville courts at Shamokin on Monday. Shamokin teams winning but one out of the eight played. The Danville teams were Jennings and Diehl, Gosh and Price, Moore and Angle. The trip to Shamokin was made in T. J. Price's Packard.

HOPPERS EAT COAT.—Farmers

near Washington fear that the corn crop this year will not be more than a half yield, if that. The dry weather prevented it from shooting right and from filling properly. It favored the increase of grasshopper hordes which are devouring the corn, their favorite portion being the tender silk, close to the corn, and when this is gone there can be no grains. Recently Oscar West, of Venetia, attended a Sunday school picnic near his home, doffed his coat and placed it in a grassy place. When he went to get his coat he found it eaten up by the hoppers. Rain is promised for today. It was to have been here yesterday but failed to appear.

MOVE MADE FOR A BIG PICNIC

A move has been made by W. O. DeWitt, manager of DeWitt's park to have the churches and other organizations of Danville and vicinity hold a general picnic at the park on Saturday, September 17th. Mr. DeWitt has addressed letters to the pastors and heads of other bodies in Danville and vicinity which are self explanatory, as follows:

In appreciation of the liberal patronage by the various organizations at DeWitt's Park this season, we have decided to set apart Saturday, September 17th, as a day to be free of any charge to all of our friends and patrons. Your Sunday School being on the roster of patrons this season, we especially invite you to come again on this day bringing all of your friends and enjoy one of the most novel picnics ever held in this park.

Excepting two rented concessions and the sale of refreshments, the entire park including the pavilions, piano, and all other amusements shall be set apart for the exclusive comforts and pleasures of the day, ABSOLUTELY FREE of any charge until 8 o'clock p. m. In closing the season we wish to thank you sincerely for the very liberal patronage given and most respectfully solicit your further favors for next season, pledging ourselves to afford new and additional comforts and pleasures each year, we beg to remain,

Very respectfully yours, W. O. DeWitt, Manager. P. S. There being plenty of time, I would suggest that all pastors get together and formulate a program for the day's pleasures, whether devotional or otherwise, submitting the same to me, which I will have published for several days prior to the event. A good musical program has been arranged for.

FELL INTO CISTERN

Serious injuries were sustained by Mrs. Thomas Derr, of Schuyler, near Exchange, yesterday when she fell into a cistern. The cistern is a new one, just completed and with no water in it. As Mrs. Derr crossed the opening a plank gave way and precipitated her ten feet to the bottom of the pit. Her daughter was nearby and hurried to her assistance. Mrs. Derr sustained a fracture of the right lower leg just above the ankle, both bones being broken and a dislocation of the left shoulder. Drs. Nipple and Muttley were in attendance.

Safe Medicine For Children

Foley's Honey and Tar is a safe and effective remedy for children because it does not contain opiates or harmful drugs. Get only the genuine Foley's Honey and Tar in the yellow package. For sale by Paules & Co. Pharmacy.

St. Paul's M. E. Church Notice

The American Federation of Labor at its last annual convention set apart the Sunday previous to Labor Day as a day when all the organizations of labor should go to the churches in their neighborhood and join in the services. In keeping with this recommendation the pastor of Saint Paul's M. E. church of this city has invited a number of the labor organizations of the city to come to that church next Sunday evening and his invitations have been heartily received and he has received assurance that a large number will be present. This is an invitation to the general public to come and join in the service. The pastor himself came from the ranks of the working people. He understands their problems. He has not been hoodwinked by organized labor as some would claim. Come to Saint Paul's next Sunday and worship with us.

A Reliable Medicine, Not a Narcotic

Mrs. F. Marti, St. Joe, Mich., says Foley's Honey and Tar saved her little boy's life. She writes: "Our little boy contracted a severe bronchial trouble and as the doctor's medicine did not cure him, I gave him Foley's Honey and Tar in which I have great faith. It cured the cough as well as the choking and gagging spells, and he got well in a short time. Foley's Honey and Tar has many times saved us much trouble and we are never without it in the house." For sale by Paules & Co. Pharmacy.

Base Ball Train Stalled.

An accident to the 2:16 D. L. & W. train which carried about 20 Danville fans enroute to Bloomsburg to witness yesterday's game, delayed the contingent's arrival at the seat of war by about a half hour. When the train started to pull out of Catawissa, the piston rod of the engine snapped and the cylinder head blew out. An engine was sent down from Bloomsburg to complete the run.

Mrs. Annie Young.

Mrs. Annie Young, wife of Comly Young, No. 236 Ash street, departed this life at 3:40 o'clock yesterday afternoon, aged 50 years. She is survived by 8 children: Mrs. John Russell, of Philadelphia; George, Carrie, Comly, Howard, Charles, David, Mary and Catherine. Funeral Saturday at 2 o'clock from the A. M. E. church.

BEATS BURGLARS AWAY.

Thieves who attacked G. W. Riddle, aged 76 years, at his home in Mercer, found in him a man worthy of their steel. Riddle set upon them and beat them unmercifully after which they made their escape. Riddle claims the honor of stopping the stampede at Gettysburg, where he fought as a Union soldier. Of those who get on the water wagon on only a sprinkling keep their seats.

COMPLIMENTARY SONG RECITAL

Mr. and Mrs. Harry Guyer tendered a complimentary song recital at the Montour House Monday afternoon in honor of their nephew, Master Jay Hildreth Parker, of Elmira, New York. The guests included people from Danville and Sunbury.

A program of seven numbers was rendered by Master Parker, Mr. R. Reese and Mrs. T. A. Wilson, Sunbury. Mr. William J. Stief, of Mt. Carmel, played the accompaniments. Master Parker is the soprano soloist at Grace church in Elmira and possesses a remarkably beautiful voice. His rendition of difficult selections evidenced painstaking preparation. His tones were sweet and clear, and possessed an appeal seldom heard in a boy's voice. The selections by Mr. Reese and Mrs. Wilson were also highly appreciated. The parlor of the Montour House was tastefully decorated for the occasion with flowers and greens. Mrs. Guyer was assisted in receiving by her aunt, Mrs. Charles Erastus Bruce, of Elmira.

The guests from Sunbury were: Mr. and Mrs. A. Oppenheimer, Mrs. Laura Packer, Mrs. James C. Packer, Mrs. Harry C. Blue, Mrs. Simon Wolverson, Jr., Mrs. William Bruner, Mrs. Heinrich Klerx, Mrs. Dennis Miller, Mrs. Scott Guyer, Mrs. John Cressinger, Miss Anna Sheppard, and W. C. Packer.

- Baritone—"It is Enough," from Elijah.....Mendelssohn
Reese R. Reese
Contralto—"Barbara Frithie".....Sloman
Mrs. T. A. Wilson
Soprano—"The Holy City".....Adams
Master Jay Hildreth Parker
Baritone—"Thorn".....Adams
Reese R. Reese
Contralto—"There Let Me Rest".....Greene
b. "Because I Love You, Dear".....Hawley
c. "You Better Ask Me".....Lohr
Mrs. T. A. Wilson
Soprano—"Face to Face".....Johnson
Master Jay Hildreth Parker
Baritone—"In the Garden of My Heart".....Denza
b. "Mother O'Mine".....Tours
c. "Madcap Marjorie".....Norton
Reese R. Reese.

Safe Medicine For Children

Foley's Honey and Tar is a safe and effective remedy for children because it does not contain opiates or harmful drugs. Get only the genuine Foley's Honey and Tar in the yellow package. For sale by Paules & Co. Pharmacy.

St. Paul's M. E. Church Notice

He has not been hoodwinked by organized labor as some would claim. Come to Saint Paul's next Sunday and worship with us.

A NIGERIAN LEGEND.

It Tells of the Origin of Man's Subjection to Women. There is a quaint old Nigerian legend that relates the origin of man's subjection to women.

At the beginning of things, the legend runs, the world was peopled by women only. One day the earth god, Awbassi Nal, happened by accident to kill a woman. On hearing this the rest gathered together and prayed that, if he meant to slay them, he would bring destruction on all together rather than kill them one by one. Awbassi was sorry for the grief he had caused and offered as compensation to give them anything they should choose out of all his possessions. They begged him to mention what he had to give and said that they would all cry "Yes" when he named the thing they wished to have. Awbassi mentioned one by one all his fruits, fowls and beasts, but at each they shouted "No." At length the list was nearly ended—only one thing remained to offer. "Will you, then, take man?" asked Awbassi at last. "Yes!" they roared in a great shout, and, catching hold of one another, danced for joy at the thought of the gift Awbassi was sending.

Chivalrous Johnnie.

"What's the matter, dear?" "I have just had a fight with Johnnie over dividin' the candy you gave us."

A Special Brand.

Mrs. Recentmarrie—I want half a dozen red lemons. The Fruiterer—Red lemons? Mrs. Recentmarrie—Yes, sir; I want to surprise my husband by making him some red lemonade.—Chicago News.

ONE MILE IN SIX MINUTES

The county commissioners Saturday took important action in the matter of speeding automobiles on the river bridge. Hereafter the speed will have to be kept down to a safe limit.

As a matter of fact the county commissioners long ago took action on the subject when they caused signs to be set overhead at each end of the bridge limiting the speed of automobiles and motor vehicles to one mile in six minutes. The extent to which these notices have been disregarded is obvious enough. The action taken by the board Saturday was embraced in a motion, which carried unanimously, that the board proceed to enforce the above rule to the letter.

Considering how great an extreme has been reached in the violation not only of the bridge rule but also of the State law drastic action was considered necessary to safeguard human life. One of the county commissioners declared that he is afraid to drive the river bridge at certain hours of the day when the automobiles are out in force. It is a fact, he said, that in innumerable instances automobilists speed across the bridge and at the opposite end turn around and speed back again, monopolizing the driveway and by their disregard of rules imperiling those who are using the bridge for a legitimate purpose. From now on a better state of affairs is expected.

It is pointed out that the State law applies directly to the river bridge and prohibits a rate of speed greater than 24 miles an hour, whereas the speed mostly attained by automobiles ranges anywhere from 40 to 60 miles an hour. Section 14 of the act of May 27, 1909, provides "that no person shall operate a motor-vehicle on the public highways reckless or at a rate of speed greater than is reasonable and proper, having regard to the width, traffic and use of the highway or so as to endanger property or the life or limb of any person; but no person shall drive a motor-vehicle at a rate of speed exceeding one mile, in two and one-half minutes."

The county commissioners, however, by their action have reduced the speed to a still safer limit.

END OF LUMBER TOWN

The end of Jamison City, at one time one of the busiest lumber towns in the State, to which the Bloomsburg and Sullivan railroad, a thirty mile one track line, was built, is in sight. The work of peeling the bark of the Central Pennsylvania Lumber company's tract was completed last week, and the big force of men is at work getting it to the Jamison City tannery. The "big" mill will be started in November and the sawing of the logs will not be stopped until it has been completed, which, it is thought, will be in about two years. For the tannery there is a bark supply for about ten years, and then that likewise will pass out of existence. The town has a population of about 800.

WON HOUSE BY COIN TOSS.

Rural Superstition Killed by Sky-scrapers of Present. According to an octogenarian, the height of buildings in New York has dealt a deathblow to an old superstition that animated many a country youth who came to New York to make his fortune sixty years ago. "Heaven knows how they came by the belief," said he, "but most of those up state boys came to the city thinking that if they could toss a coin over a house that they took a fancy to at the first try the house would be theirs some day. "It was one of my surest convictions, and I put it to a test immediately after paying for my first meal in New York. The only money I had left was an old fashioned three cent piece. With that in my hand I walked around looking for a desirable piece of property. Pretty soon a corner lot on which stood a two story and a half brick house took my eye. "I had practiced coin throwing in the country, so I let my three cent piece go for all it was worth over the front of the house and ran around to the back to see where it landed. It went clean over. I knew then that that house and lot would be mine in due time, and sure enough, they were. "People don't woo fortune by flipping coins these days. The fellow whose success depended upon tossing a three cent piece over the Singer building would be in a pretty bad fix."

Fifty Men and One Elephant.

Interesting tests were recently made in London to determine the respective pulling power of horses, men and elephants. Two horses weighing 1,600 pounds each, together pulled 3,750 pounds, or 550 pounds more than their combined weight. One elephant, pounds each together pulled 3,750 pounds, or 3,250 pounds less than its weight. Fifty men, aggregating 7,600 pounds in weight, pulled 8,750 pounds, or just as much as the single elephant, but, like the horses, they pulled more than their own weight. One hundred men pulled 12,000 pounds.—St. Louis Republic.

Good News for Catawissa.

The car and foundry plant at Catawissa, which has been idle for some time, is being put in shape for the resumption of operations. It is reported that there is prospect for considerable work.

HOW THE SERVICE MAY BE AFFECTED

The policy of retrenchment adopted by the post office department is destined to affect the free delivery service of Danville and may at times give some parts of town only one delivery per day.

In order to cut down expenses no substitute carriers will be allowed in towns the size of Danville. This implies that when one of the four carriers regularly employed is off on his annual vacation the other three will have to do the work. The formal order to this effect has been received by Postmaster W. L. Gouger.

Fortunately in Danville two of the carriers had their vacation before the order went into effect. The regular city substitute successively took the place of the absent carrier and the mail throughout town was delivered with its accustomed promptness.

When the other two carriers in succession take their vacation the remaining three men may not get over the ground with both deliveries each day. The town will be reapportioned for the vacation season. The morning delivery will always be made, although at some places the carrier may not appear until later than the patrons are accustomed to. No effect will be apparent on the business delivery, which each day will be promptly made. In the afternoon delivery the town will be covered as far as possible, but the patrons must be indulgent in two respects: first, the delivery may be late and second, the carrier may not appear at all. Whatever the short comings may be thoughtful persons will remember that the local post office is in no way responsible, but that inadequacy rather is to be attributed to the postmaster general who in his determination to cut down expenses has brought about the conditions.

The act of June 25, 1910, requiring rural free delivery carriers to administer oaths and execute pension vouchers is now in effect, the blanks relating to the act that the carriers are required to sign having arrived at the local post office yesterday. Carriers while serving their routes will not be permitted to deviate therefrom to execute vouchers. Pensioners must meet carriers on their routes or make arrangements to meet them at their own or at the carriers' residences. A rural letter carrier can not execute his own voucher, and temporary and substitute carriers are not qualified to execute pension vouchers.

The Gratitude of Elderly People

Goed out to whatever helps give them ease, comfort and strength. Foley Kidney Pills cure kidney and bladder troubles promptly, and give comfort and relief to elderly people. For sale by Paules & Co. Pharmacy.

Cow's Kick Broke Leg.

While milking one night last week Miss Maggie McBride, of White Hall, was kicked by the cow, which was annoyed by the flies. Miss McBride received the full force of the blow on the left leg just below the knee, breaking both bones. The bones were set by Dr. Snyder, of Washingtonville.

Horse Choked to Death.

William Shultz, of Mayberry township, lost a valuable horse Saturday night. His son Reeder was calling and tied the animal about eight o'clock. About ten o'clock when he went to return home he found the horse had fallen to the ground. He arrived in time to see the animal breathe a few times and die. No explanation can be offered for the horse's strange death.

Champion Layers.

George Somers, of Strawberry Ridge, has a lot of chickens that he considers champion layers. In the flock are 115 hens that are laying at the rate of sixty dozen eggs per week and during the winter months not less than 30 dozen. He raises Brown Leghorns exclusively.

When Merit Wins

When the medicine you take cures your disease, tones up your system and makes you feel better, stronger and more vigorous than before. That is what Foley Kidney Pills do for you, in all cases of backache, headache, nervousness, loss of appetite, sleeplessness and general weakness that is caused by any disorder of the kidneys or bladder. For sale by Paules & Co. Pharmacy.

WITH MILITARY HONOR

Henry Kern, veteran of the Civil war, who died Thursday, was buried with military honors Saturday afternoon. The funeral took place from G. A. R. hall at 2:30 o'clock, the Rev. George S. Womer officiating. Music was rendered by the Keystone Male Quartette.

The members of Goodrich Post No.

22, G. A. R., of which the deceased was a member, attended the funeral in a body. The pall bearers, all veterans, were as follows: Jacob Sloop, George Riley, Samuel Lunger, Wesley DeShay, Hiram Weaver and Henry Kramer.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys—most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mail and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists at fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

MYSTERIOUS FIRE DESTROYS A BARN

Fire, of an unknown origin completely destroyed the barn of William Hoffman, who resides on a farm about a quarter of a mile above Almedia, yesterday morning. All the grain, two wagons and harness, together with farming implements were also burned. The loss will be about \$2,000 with an insurance of but \$800. Through heroic work of Mr. and Mrs. Hoffman the live stock consisting of seven cows and three horses were saved, not, however, before Mrs. Hoffman was severely burned on the arm when in bringing the last cow from the barn, she struck that member against a piece of burning timber. Her dress also caught fire, but she put it out.

Mr. Hoffman had returned from the blacksmith shop in Almedia at about 10:30 o'clock, and after putting his horse in the stable, walked to the house, and was talking to his wife when all of a sudden the flames burst through the roof. They quickly raised an alarm and then started toward getting the live stock from the barn, and had succeeded before neighbors arrived. When others got there the building was a mass of flames and it was impossible to save any of the farming implements or grain.

Just above Mr. Hoffman's barn is the house of John Burlingame, and sparks from the burning structure set fire several times to these buildings but these blazes were promptly extinguished.

MAKE A NOTE NOW to get Ely's Cream Balm if you are troubled with nasal catarrh, hay fever or cold in the head. It is purifying and soothing to the sensitive membrane that lines air-passages. It is made to overcome the disease, not to fool the patient by a short, deceptive relief. There is no cocaine nor mercury in it. Do not be talked into taking a substitute for Ely's Cream Balm. All druggists sell it. Price 50c. Mailed by Ely Bros., 56 Warren Street, New York.

George Somers, of Strawberry Ridge, has a lot of chickens that he considers champion layers. In the flock are 115 hens that are laying at the rate of sixty dozen eggs per week and during the winter months not less than 30 dozen. He raises Brown Leghorns exclusively.

Not a Drop of Alcohol

What is a "tonic"? A medicine that increases the strength or tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your own doctor all about it. Never take a medicine doctors cannot endorse. J. C. Ayer Co., Lowell, Mass.

Without daily action of the bowels poisonous products must be absorbed. Then you have impure blood, biliousness, headache. Ask your doctor about Ayer's Pills for constipation.
