DANVILLE WON TWO GAMES ON LABOR DAY

On Labor Day Danville won two games from Nescopeck, nosing out a victory in the morning by a 1 to score. In the afternoon the game was out on ice in the early stages and finally caged with a 7 to 1 finish.

MORNING GAME

In the morning McInnes was in the box for Danville and was opposed by Nescopeck's star twirler, Madera, the outcome being about as tight a battle as the locals could handle and come out with the big end of the score.

For nine innings Nescopeck was blanked, although at times their goose egg record was maintained only by the narrowest margin. In the sixth the last out was made on Thomas, who was caught at the plate.

Danville, also, failed to tally during the first seven sessions. The eighth brought forth the only score of the game. Madera brewed his own trouble when he gave Nipple four wide ones.
