"It Beats All"

This is quoted from a letter of M. Stockwell, Hannibal, Mo. 'I recently used Foley's Honey and Tar for the first time. To say I am pleased does not half express my feelings. It beats all the remedies I ever used. I contracted a bad cold and was threatened with pneumonia. The first doses gave great relief and one bottle completely cured me.' Contains no opiates. For sale by Paules & Co., Pharmacy.

WHOOPING COUGH

The full extent to which whooping cough has prevailed in Danville during the present epidemic is revealed by the report of the local registrar for September, which sets forth ninetynine cases. In the month of August twenty-nine cases were reported; bringing the total for the two months up to 128. To this must be added a large number of cases not reported.

The report of the county medical inspector shows that throughout Montour county, independent of Danville and Washingtonville boroughs most in Mahoning and Cooper townships, during the month of September there were eleven cases of whooping cough. During August and September in Mahoning and Cooper townships, during the month of September there were eleven cases of whooping cough. During August and September in Mahoning and Gooper townships, during the month of September in Mahoning and Cooper townships, during the month of September in Mahoning and Cooper townships, during the most of the cases.

The local registrar, Dr. Shultz, Saturday explained that whooping cough is undoubtedly on the wane. Although the report for September shows a wide prevalence of the disease yet the most of the cases were reported during the early part of last month. During several days past no cases have been reported.

The number of deaths reported during the early part of last month. During several days past no cases have been reported.
