Clean Out the Town!

The Board of Health is doing excellent work in clearing out and disinfecting offensive health-destroying matter of all kinds. But there is another kind of dirt in town we ought to be rid of in order to preserve the social, moral and religious heath of the people, and keep them nor mal, and that is the lazy, filthy, drunker stuff that walks about in the shape of human beings. There has been altogethe too much of that kind of dirt dumped into Johnstown of late, and the soone we get rid of it the better for us. This s the worst kind of dirt. Let the law supplement the efforts of the Board of Health and clean out the town of such gfuff.

Idleness is a Dangerous Fault
In the Kidneys. When inactive they speeplly fall into disrepair. Those obstinate and satisfial maladies, Brightys disease and diabetes, ensure with terrible certainty upon the inaction of the organs affected. Catarrh of the biadder, entresis, gravel and strangury are also to be apprehended from a partial paralysis of the binder, of which weakhess and suggishness are the causes. Hostetier's Stomach litters is a fine tone, and one which can be relied upon to afford them the requsite stimulus without exciting them—an effect to be feared from the unnedicated alcoholic excitant of commerce. A further beneficent effect of Bitters, by renewing activity of the Kidneys, is to enable them to drain from the blood in its passage them, impurities productive of rheumatism and drops. Pervousness, fever and ague, constipation and dyspepsia are conquered by the Bitters.

At this season, when life offers the greatest attractions and the most deligabith resources to persons whose soundness of body permits out-of-door exercise and annusements, multi-considered by the season of the most offers and the season of the substitution of the sufferers from hay fever have looked in valin for any trustworthy remedy. Many of them, however, have looked in valin because they have been ignorant of Elys Cream Balm, and admirable remedy for hay fever in all its forms. Agreeable in the use, entirely devoid of any unpleasant after-effects, this Cream Balm quickly aliays inilammation, and secures that relief for which the sufferer has longed in vain."—From The Christian Union, New York City, July 18, 1889.
