Accident in Grubbtown.

On Sunday afternoon last as Mr. Stew-art Osborne, was driving his pacer through Grubbtown it knocked down a little daughter of Mr. John Sloan. Mr. Osborne was not driving swiftly as is his usual custom, but just then happened to be looking back at an approaching hieyclist. He hastened to town and re-turned with Dr. Sheridan. A wound on the head was the only injury the little one had received and the Doctor pronounced it not serious.

Sword of Conrad Hoffman Found.

The sword and case belonging to the late Conrad Hoffman, being part of the equipment of the Uniform Rank of the Knights of Pythias, was found in the river bed near the stone bridge yesterday, and is now at Captain Hamilton's head-quarters, where it can be had by anyone entitled to receive it. The name is on the case. It was unearthed by the foreman of the gang now working at the stone The blade is quite rusty, other wise the find is in good trim.

A Strange Scene.
On Sunday last three Chinamen "wen on a picnic," as they termed it, to the grave of their countryman, Lee Son, who was drowned in the flood, "to light up his way." The illumination was brought about by a dozen red candles stuck in the around by a dozen red cannes states in the ground. Provisions also were given to strengthen and cheer him on his dreary journey, consisting of rice, in pellets, bananas cut in two, a cup of tea and other things. They quickly performed their peculiar and outlandish rites and withdrew. A hewn stone marks the grave of their companion.

The Remains of Bessie Fronheiser Found Early yesterday morning the remains of Amelia E., the daughter of James J. Fronheiser, Esq., were found between the former residence of Col. C. T. Frazer and that of Mr. C. S. Price. The body of her mother, Mrs. Kate Fronheiser, was found near by some time ago. They had both gone down together. Huntingdon's Loss by the Great Flood. Among the counties which suffered by the flood of May 31st and June 1st it is be lieved that Huntingdon county lost the greatest number of bridges. Thirty-two bridges belonging to that county were carried away by the angry currents of the Juniata and tributaries. To provide sufficient funds to rebuild the bridges the Commissioners of Huntingdon county have decided to issue \$70,000 of coupor bonds redeemable in fifteen years, with interest payable semi-annually at four per cent. per annum. The bonds will be ready for market in a few days.

Pittsburgh Leader, Monday.

Miss Clara Barton, Mrs. Annie Wittener and Mrs. Abbie Lynch, senior Vice President of the Ladies' Relief Corps, left for Milwaukee this morning where the annual convention is being held. Although it has only been organized six years it has 75,000 members. Miss Barton came from Johnstown this morning, and will return there when she comes back from Milwaukee. She says the Red Cross society is still getting supplies from all parts of the world to use at Johnstown and that there is still a great need for them there. She expects to remain there for some time to come.

The readers of the DEMOCRAT will be

pleased to learn that there is at least one dreaded disease that science has been able to cure in all 'its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucus surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength, by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address
