Words of Wisdom.

Beware of a silent dog and a wet rat.
The sting of reproach is the truth of it.
Envy shoots at others and wounds herself.

Vows made in storms are forgotten in calms.

Youth and white paper soon take an impression.

Zeal without knowledge is like fire without light.

A goose quill is more dangerous than a lion's claw.

What we call time enough always proves little enough.

History is not fable agreed upon, but truth disagreed upon.

Remember, impertinence isn't wit any more than insolence is brilliancy.

A little seeing saves much looking, a little speaking saves much talking.

He who waits to do a great good at once will seldom do anything at all.

NOTICE TO DEBTOR AND CREDITORS.

$100 Reward, $100.

The readers of the DEMOCRAT will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucus surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength, by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address
