"What is it they put in IVORY SOAP, Doctor, to obtain its healing qualities?"

"No special ingredient is used. It is simply because the IVORY is as nearly pure as it is possible to make soap. Any soap that is as pure as the IVORY will be equally as healing in its effect, but the difficulty is to find a soap so pure. The profession recommend this non-irritating soap simply to *cleanse* the wound, then nature does the rest. You can readily appreciate what the effect would be if your neck had been washed with an impure and adulterated soap. Avoid colored and highly perfumed soap, for the coloring and perfume are so often used to disguise something the soap should not contain."

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'Ivory';" they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

CATARRH,

Catarrhal Deafness and Hay Fever.

A NEW HOME TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks. N. B.—For catarrhal discharges peculiar to females (whites) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. DIXON & SON, 304 West King St., Toronto, Canada.—*Scientific American.*

Sufferers from catarrhal troubles should read the above carefully.

HOW IT WORKED.

"Good morning, Jack! why I haven't seen you for a month past. What in the world is the matter with you? You seem to have renewed your youth."

"Well Phil, I have. Don't you remember the last time I saw you, how miserable I was? Sick and blue, and in that sort of mood a man gets sometimes when he feels the most noble thing in life is to go straight to the devil."

"Not so bad as that, I hope; at all events you didn't go that way, you are looking far too happy and hearty."

"Thank goodness, no! or rather, thank Vinegar Bitters. Do you remember that day I saw you last, when you recommended that remedy to me so persistently, and I was first vexed and then half convinced."

I remember it perfectly, and you needn't say another word upon the subject; your looks tell me that you took the medicine."

"No doubt of it: everybody remarks upon my improved looks and temper; but I must really tell you all about it. I got the old style, as you recommended, and didn't mind the bitter taste at all. I finished the bottle in about two weeks, and was greatly improved, so much so that I determined to change off and try the new style.

"Well, how did you like it?"

"You told me your wife preferred th new style, I believe; well, I must say I agre with her. I like the old style very much but the new is a finer, smoother, more expensive preparation."

"I believe it is; in fact, I have heard so, and I wonder the McDonald Drug Company sell it for the same price they do the old style, because it is really a very costly preparation."

"Well, that dosn't concern us. Who was it said that people fancied themselves pious sometimes when they were only bilious? No matter! I was only going to say that I believe people often seem wicked when it is only their liver, or their stomach, or some other cantankerous organ of the body so out of order they couldn't be good if they tried."

"And if all the miserable dyspepsia, and victims of biliousness, headache and the thousand and one ills that flesh is heir to would only take Vinegar Bitters, what a happy world this would be!"

"I shonld recommend the new style."

"I never go back on the old style."

"Well, they can pay their money and take their choice, for both kinds work admirably."
