

REMOVING THE DEAD.

The Work Finished at Grand View—Prospect Next in Order.

On Saturday the work of removing bodies from the trench in Grand View to the "unknown" plot was finished.

As many as five hundred persons, most of them women, have been in Grand View at one time, watching the work.

SEARCHING FOR THE DEAD.

A Woman's Body Found.

Seventy-five men and twenty-five teams were at work on Saturday searching for the dead. There are three gangs. In the afternoon the body of a woman was found, and taken to the morgue.

Many spectators have frequented the scene of the operations ever since the work began, carefully scrutinizing every trace of what might lead to the discovery of a clue to some missing one.

The subscription to the fund is still increasing. It now amounts to \$8,128.50.

A Source of Danger.

Just below the stone bridge a rise of six feet in the river will be necessary before the channel will be more than fifty feet wide.
