HOW IT WORKED,

Good morning. Jack! why I baven't seen you for a month past. What in the world is the matter with you? You seem to have renewed your youth."

"Well Phil, I have. Don't you remember the last time I saw you, how miserable I was? Sick and blue, and in that sort of mood a man gets sometimes when he feels the most noble thing in life is to go straight to the devil."

"Not so bad as that, I hope: at all events you didn't go that way you are looking far too happy and hearly."

"Thank goodness, no! or rather, ipank Vinegar Bitters. Do you rememour that day I saw you last, when you recommended that remedy to me so persistently, and I was first vex-d and then half convinced."

I remember it perfectly, and you needn't say another word upon the subject; your looks tell me that you took the medicine."

"No doubt of it: everybody remarks upon my improved looks and temper; but I must really tell you all about it. I got the old style, as you recommended, and didn't mind the bitter taste at all. I finished the bottle in about two weeks, and was greatly improved, so much so that

ished the bottle in about two weeks, and was greatly improved, so much so that I determined to change off and try the w style. "Well, how did you like it?"

new style.

"Well, how did you like it?"

"You told me your wife preferred the new style, I believe; well, I must say I agree with her. I like the old style-very much but the new is a finer, smoother, more expensive preparation."

"I believe it is; in fact, I have heard so, and I wonder the McDonald Drug Company sell it for the same price they do the old style, because it is really a very costly preparation."

"Well, that dosn't concern us Who was it said that people fancied themselves pious sometimes when they were only billious? No matter! I was only going to say that I believe people often seem wicked when it is only their liver, or their stomach, or some other cantankerous organ of the body so out of order they couldn't be good if they tried."

"And if all the miserable dyspepsia, and victims of biliousness, headache and the thousand and one ills that flesh is heir to would only take Vinegar Bitters, what a happy world this would be!"

"I should recommend the new style."

"I never go back on the old style."

"Well, they can pay their money and take their choice, for both kinds work admirably."
