

BUBBLE PARTIES.

ONE of the most amusing, as well as easily arranged entertainments for the holidays, is a "Bubble Party." Twenty or more ladies and gentlemen, enough clay pipes so each will have one, three or four bowls of soap-suds, and, say, half a dozen trifles, for prizes, are all that is required, the prizes to be awarded to those who blow the largest bubbles, one of the party to act as referee.

The suds should be of Ivory Soap, as it gives a clean, white, and abundant lather, with an entire freedom from oil or grease; and as the materials of which it is made are so clean and pure, it is not at all offensive to the smell or taste, like ordinary soap.

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'Ivory'"; they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.
