

PRISCILLA spinning, long ago, sighs as she thinks how soon her linen will lose its glossy luster, when the wash it once or twice has been in. She does not know that in the soap the evil lies that makes her suffer. Its great excess of alkali, which cuts the fiber, makes it rougher.

Our modern maidens need not sigh since IVORY SOAP has been invented, containing no free alkali—by which the ruin is prevented. For linen washed with IVORY SOAP in snowy beauty'll ne'er diminish. But always, while it lasts, preserve its pristine gloss and lustrous finish.

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'Ivory';" they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.
