Supper at the Mansion House

The Mansion House was the scene of a most enjoyable party Tuesday night Th event being a supper given by Mr. John C. Pender, our popular livery man, on the occasion of his changing his mode of life. concluding that it was proper to go through the balance of his life with a mate rather than enjoy single blessed-ness. The bride was Miss Martha Yost, She is of good size and figure, and together they make a very attractive team. The supper was gotten up by mine host and hostess, Mr. and Mrs. Milligan, in their well known style of preparing such things. The table fairly groaned under the good things of life. The table was laid for thirty five persons, and was fully occupied. Among those from a distance we noticed Mr. Gill Doty. of Indiana county, the popular horseman; also Mr. Jno. Bell, Chas. Dixon and S. J. Sciles, of the same county. From our own town, were representatives of the legal and other professions. Charles Zimmerman supported the left of the table with his good natured face and averdupois

Mr. D. J. Duncan's sonorous voice and hearty laugh prevented any lack in the joy of the occasion, and the feast of rea-son and flow of soul was uninterrupted. Mr. Pender has made a most brilliant start in the race and we prophesy that he will come under the wire a sure winner. The following were the guests present: John Knuff, Jas. B. O'Connor, Chas Zimmerman, D. J. Duncan and wife, John T. Martin and wife, Alex. N. Hart, Frank Devlin and wife, Mrs. Mildren, Mr. Ed. Mildren, Miss Geiselhart, Mr. Jno. Decker, J. S. Smith, and many others.

Before the flood he resided in the rear of Iron street, but sent his wife to the hill sometime before the reservoir broke, and then went to the house of Mr. David Thomas near by, and remained there until the water came down. Five persons were lost out of the house, while Mr. Jenkings reached a place of safety com-pletely prostrated. He was then taken Good's son-in-law, Mr. Cyrus Strayer, of to the residence of Mr. Evans, where he died at the time above stated. Deceased his wife and family moved to the west was born in Heath, near Cardiff, Glamor-ganshire, South Wales, in 1849, and came lived in several western States since then. ganshire, South Wales, in 1849, and came to America in 1886. THE NICELY BOYS TAKEN THROUGH HERE TO INDIANA.

They Arrive in the City Monday Morning, Are Kept at the Mansion itouse, and Are Then Forwarded to Indiana, Monday morning the Nicely boys-

Joe and David-arrived here from Som-erset in charge of Sheriff McMillen and two assistants. The train got here about 8 o'clock, and no one knew that the prisoners were on it. They were taken to the Mansion House and kept in a room in the rear until about a quarter past 9 o'clock, when they were started for the P. R. R. Station. At 9:33 they were s arted for Indiana, and they arrived there about noon yesterday. Sheriff McMillen and the deputies returned yesterday even ing and stopped at the Mansion House all night. County Commissioner Wagoner also accompanied the party.

While here assistance was rendered by Constables Miller, Waters, Martin and Officers Jones and James.

The prisoners were not here long until it was noised about the streets, and a great crowd assembled about he hotel anxious to see the " boys." It was feared that there would be disorder, but there was none, although the crowd pressed closely upon the officers and prisoners in their passage from the hotel to the P. R. R. Station.

The prisoners when spoken to in regard to their chances of obtaining a pardon, expressed the belief that they would be pardoned, or at least have their sentence ommuted.

TORNADO VICTIMS.

Johnstown's Aid to Louisville Declined. A telegram from Louisville says that

Mayor Jacobs, of that city, was seen by a reporter at his office. He was busy opening letters and telegrams, with the assist-ance of City Clerk Ridgley and two stenographers. The Mayor said : "We have received offers of assistance

and telegrams of sympathy from all parts of the country. Subscriptions are coming in quite rapidly and I am accepting all the offers of money that have been made. I have declined offers of aid from two cities-Johnstown and Charleston They both both have passed through omewhat similar catastrophes too recently for us to expect or accept help from their people, but we heartily appreciate their kindness and sympathy.

In reply to the telegram of Burges Irwin Horrell, Mayor Jacobs said : " Louisville is grateful for Johnstown's

sympathy. The sufferings of both can make each appreciate the other's love." In answer to a telegram from A. J.

Haws, of the Citizens' National Bank, of Johnstown, this reply was sent : "Money can be well applied, and

would be gratefully received, but we will not call upon a people who have them selves passed through the fiery furnace of desolation."

Thus far the subscriptions in the Mayor's hands have reached \$17,000. With the money in the hands of the Board of Trade, including to-day's subscriptions, the total amount is \$70,000. The Louisville and Nashville Railway Company this morning subscribed \$10,000, while C. P. Huntington, of New York, who has large business interets here telegraphed \$2,000. All aid received from outside sources will be placed in a separate fund. to be utilized only when the sum subscribed by Louisville citizens has been exhausted.

JOHNSTOWNERS ARRESTED.

Three Well Known Citizens of This City Put in Jail at Danville. "The following dispatch from Danville,

Montour county, was printed in the east ern daily papers yesterday morning :

There has been trouble for some time between Johnstown people and the North Branch Steel Company of this place over the manufacture of an alleged patented steel rail, and for some time litigation has been kept up. Parties have been sent here disguised as workmen, and various attempts made to discover the exact method of manufacture, but so far with out success.

This morning, at 2:30 o'clock, four men entered the drafting-room at the works and, opening the safe, took from it drawings and plates of the rolls used in the making of this rail. When they attempted to escape they ran into the arms of three detectives, who had posted them selves in regard 10 this attempt, and were waiting to bag their game. Three were arrested and placed in jail. The fourth escaped, but it is said he was employed on the other side, and was drawing the others into this clever trap. The burglars gave the names of Rober

Murphy, Henry O'Shea, and E. B. Entwisle, and registered at the hotel as from Philadelphi4, but in telegraphing for money for bail they sent to Johnstown. They are still in jail pending the fixing of the amount of bail by Judge Ilsler."

Concerning the telegram printed above, President Moxham, of the Johnson Com pany, said to a representative of this paper : " These gentlemen went to Dan ville, commissioned by this company to complete a certain chain of evidence to complete evidence already obtained in some patent litigations against the

North Branch Steel Company. "Far from the act being a criminal one the evidence so obtained was to have been submitted to the United States Courts. togetherer with the method of obtaining it and every detail connected therewith. The thieves in this case are the North Branch people, and the arrest and effort to put a pur-ly criminal aspect upon what was well known by the Danville people to be but an effort to get technical proof was a piece of petty spite and malice

"The Company stands responsible to the fullest extent both morally and financially for the acts of its agents. There is abso lutely no stigma connected with the whole transaction reflecting on the Company or its agents. It is a technicality of every day occurrence in patent litigations."

Mr. Moxham seems not the least wor ried about the arrest, and no doub sees his way clear as he gener ally does. O'Shea and Murphy on Fast Line last night, while Entwiste was obliged to stop off to do some work for the Company. He will arrive in a few days.

It is likely that there will be a war between the two companies, as there never was any good feeling passing between them.

He says track-men, brakemen, firemen, engineers and con-ductors, as well as baggage masters and ex-pressmen, are subject to kidney disease above auctors, as we also baggage masters and ex-pressmen, are subject to kidney discase above all others. All, therefore, will be interested in the statement of his experience. "I have used Brown's Sarsaparilla for kidney and liver troubles, and can truly say it has done more for me than all the doctors I ever employed, and I have had occasion to require the services of the best physicians in the State. My wire also has been greatly benefitted by its use. A. E. SMITH. Road Master B. & M. R. K."

The kidneys have been labored hard all win-ter, as the pores of the skin have been closed, but now the springtime hac come, and they need some aid. May be you have chat pain across the back ; that tired feeling; those drawing down pains. If so, you can get immediate relief by following the example of Mr. Smith and his wife, and use that never-failing and grand corrector or the kidneys, liver and blood,
