FOUND DEAD IN BED.

MR. MENRY SCHERER'S SUDDEN DEATH YESTERDAY MORNING.

ther Death Resulting From Experi ences in the Flood-The Awful Scene Nightly Reappeared and Caused Sleepess-The Fatal Remedy.

Mr. Henry Scherer for years before the flood resided on Portage street, opposite the Gautier Works. The family consisted of Mr. Scherer, his wife, three daughters, and a son. The flood of May 31, 1889, swept their home away, and Mrs. Scherer and two of the daughters Emma, aged twenty-three years, and Mary, aged eleven, were drowned. The bodies have not been recovered.

bearding in Cambria borough, and the past two or three months was at the ouse of Mr. John Miller, No. 8201 Chestaut street, now the Sixteenth ward. For about two months he has not been at work, having been afflicted with rheumatism. He formerly worked at the Gau-tier Works and later in the blacksmith shop of the Cambria Iron Company.

On Saturday he came up to the central part of the city and drew some money out of the bank and called at Dr. Zim merman's drug store about 2 o'clock P. m., and asked for something to make him sleep. He told the doctor he was not able to rest at night, and frequently saw many of the terrible sights witnes-ed at the time of the flood. During the nights he imagined he heard his wife and children calling for him to save them.

The doctor put up some chloral and bromide of potassium in a two-ounce bottle-about one hundred and twenty grains of chloral. He told Mr. Scherer to take a teaspoonful of it before retiring and if he did not go to sleep to repeat the dose every three hours. He cautioned him about the use of the drug and wrote the directions on the bottle in German.

After he returned to Cambria he paid some small bills he owed there, and is believed to have gone to his room about 6 o'clock in the evening. Between 10 and 11 o'clock Saturday night Mr. Michael Weiz, aged about twenty two years, who boards at the same house and occupied the same bed with Mr. Sherer, retired to his room. He says about 3 o'clock Sunday morning Mr. Sherer got up and went to the window and then got back to bed. In the morning he was awakened at 7 o'clock and found that Mr Sherer was dead. The bottle that had contained the chloral was found empty sitting on the window-sill. It is thought that he was unable to sleep and that the visions of the great flood were appearing before him, and that in the hopes of getting sleep and rest he drank the con-tents of the bottle. Thirty or forty grains under ordinary conditions would be enough to kill a man.

Twenty-five years ago Mr. Scherer had a shoemaker shop on Clinton street, on the present site of the Conemaugh Valley Furniture Company, and was considere at that time an expert workman. He was a native of Klinern, Prussia, and came to this country over thirty years ago. He was aged fifty-six years last August. About twenty-six years ago he was married to Miss Catharine Fox, who, as was mentioned, was drowned in the flood. A daughter and a son survive; the daugh der, Miss Lena, is employed in Mr. Scott Dibert's shoe store, and makes her home with her aunt, Mrs. A. Danges, a sister of the deceased. The son, Harry, has made his home with his aunt, Mrs. Martin Fox.
on Centre street. Mr. Fox was drowned in the flood and was a brother of his mother. There are also surviving him a sister, Mrs. Henry Kurtz, of Baltimore, and a brother, Carl Scherer, of Evansville

Mr. Scherer was a member of the Ger man Lutheran Church and the Harmonie Singing Society. The funeral will take place this afternoon, at 4 o'clock, from the residence of Mrs. A. Danges at 561 Market street.

Death of Capt. W. R. Jones' Mother-in-Law

Braddock Daily News. Mrs. Mary Ann Lloyd, mother of Mrs. Charles Robertson and Mrs. Capt. W. R. Jones, departed this life at the age of eighty-two years, after a long and painful illness, at the residence of her daughter. Mrs. Charles Robertson, Stewart avenue North Braddock. Wednesday, April 16th, a 4:30 e'clock. Mrs. Lloyd was born 1807, in Tipton, Staffordshire, England. She came to this country in 1850 with her mother. Her father and two sisters pre ceeded them two years, settling in Bos ton, Mass. About 1854 Mrs. Lloyd and her husband went from Boston to Pottsville, Pa., where, with two other capitalists, he built the Fishback mill, now the Pottsville Steel Works, and becoming disgusted with the management of the mill, they returned to Boston in 1862. From there they removed to Johnstown, Pa., and from there they came to Braddock about

fifteen year ago. Norhing could more completely demon strate the great change in the drinking habits of the American people than the simple official statement, recently issued, that the production of beer in the United States had increased from 8,383,720 barrels in 1875 to 25,098,765 barrels in 1889. As the small imports and exports of malt liquors nearly balance each other, they need not be taken into account. The figures indicate an average annual consumption of little less than a half barrel of beer to each head of the population.

A car loaded with ore jumped the track while being hauled toward the weigh-scales below the works yesterday, and the engineer not noticing the disaster did not stop the train until the car was completely wrecked.

A. E. Smith has been for forty-n A. F. Smith has been for forty-nine years road master on the Boston & Maine system, and is now residing at Great Falls, N. H. He says trackmen, brakemen, firemen, engineers and conductors, as well as baggage masters and expressmen, are subject to kidney disease above all others. All, therefore, will be interested in the statement of his correlence. "University of the statement of his correlence." the statement of his experience. "I have used Brown's Sarsaparilla for kidney and liver troubles, and can truly say it has done more for troupes, and can truly say it has done more for me than all the doctors I ever employed, and I have had occasion to require the services of the best physicians in the State. My wife also has been greatly benefitted by its use. A. E. SMITH. Road Master B. & M. R. R."

The kidneys have been labored hard all win-ter, as the pores of the skin have been closed-but now the springtime har come, and they need some aid. May be you have hat pain across the back; that tired feeling; those drawing down pains. If so, you can get immediate relief by following the example of Mr. Smith and his wife-and use that never-falling and grand corrector or the kidneys, liver and blood,
