Particularly on a long journey. Be fully prepared. You cannot, permit us to say, unless you are accompanied with the traveler's and tourist's rade meetins, Hostetter's Stomach Bitters, most genial of appetizers, acclimatizers and promoters of digestion. Against sea sickness, malaris, cramps and colles begotten of water, nervousness, increased by travel, chronic billiousness and constipation, the Bitters is a sovereign preventive. It imparts a reisin for food not altogether to your taste, and prevents it from disagreeing with you. Never was there such a capital thing for the unfortunate dyspetuc who stands in dread of the best cooked meal, stomachic trouble caused by ill prepared viands aboard slip, on steamboats, and rations hastly botted at railway restaurants, is soon remedied by the Bitters which gives a quietus also to ricumatism, kidney troubles and insomnia.
