The above is a good likeness of Mr. Geo. C. The following is Mr. Cradick's unsolicited account of his distressing and painful case.

Dr. Kilmer & Co., Bingharmon, N. Y. —I do not know now to express my neartfelt thanks to you for the benefit I have received from using your Swamp-Root Kidney Lived from using your for green to death for about three years. I had given up to die, but as I profess to be a Christian man and a great believer in the prayer of the nighteon, prays de that God would send something that would precong my life, and I feel thankful to Him and you for the means that was sent. May God spare your life many years yet that you may hear the great good that your medicine is doing. On the 20th day of August, 1991, Mr. Frank Lawson, your agent at Spencer, persuaded me to take a bottle on trial. I have taken three bottles and it has brought out of my bladder lime or gravel, which I have saved in quantity the size of a goose gg and I now leel like a new man. May God bless you and your medicine.

I remain your humble servant, Box 278.

Two years ago last September I was taken with pain almost all over me, my head and hack, my legs and feet became oold, would get sick at my stomach and vomit often suffering a great deal from chills and at times these were so severe that I thought I would freeze to death. The condition of my urine was not so had through the day, but during the night, at times, I had to get un every hour, and often every half hour.

Would urinate sometimes a gallon a night, then it seemed my kidneys and hack would kill me. I had been troubled with constipation for many years, but since using your bwamp-Root have been better than for a long time. The medicine has helped my appetite wonderfully and it seems as shough I could not eat enough.

A WHOLE VILLAGE ATTACKED

By La Grippe-Homes Desolated and Strong Mess Prostrated-One Family Only Escapes Without Serious Results-A Short History and Its Lesson.

Winoxa, Stark Co., Ind., Dec. 28, 1891. During the winter of 1891 I and my family of six were taken with the La Grippe. The disease was very prevalent at that time in the village where I resided, nearly every one being sick with it. Our doctors treated as best they could, but were very unsucce-sful in the treatment of it. As soon as my family were taken sick I went to the drug store and bought six bottles of Peruna, and we all took it according to the directions given on the bottle; and, although our cases seemed to be more than usually vicient in the outset, yet our recovery was prompt, and we were all well much sooner than those who were treated by the regular physician. In the beginning of the attack we all had a violent cough, bleeding at the nose and spitting of blood, but the Peruna promptly relieved us, and we took no other medicine during our sickness. Many people died of the La Grippe during this epidemic, and few, if any, were sick so short a time as myself and family. After we were all sound and well again we still had one bottle of Peruna left in the house.

I can cheerfully recommend the Peruna as a cure for the La Grippe and a general family medicine. I shall not be without Peruna in my house again unless I am absolutely unable to get it.

I the howeis the unsolicited testimony of an honest laboring man. He skid exactly what hundreds of hundreds will do as soon as they find out the value of Peruna as a family medicine. I shall not be without Percuna from the difference of the pareticulars.

Catarrh--Remove the Cause.

I was afflicted from infancy with Catarrh, and for ten years with eruptions on my face: I was attended by the best physicians, and used a number of Blood remedies with no permanent relief. MY LIFE BECAME A BURDEN TO ME, for my case was declared incurable. I saw S. S. S. advertised, and took eight bottles, which cured me entirely, and I feel like a new person.—MISS JOSIE OWEN, Montpelier, Ohio.

I was the victim of the worst case of Catarrh that I ever heard of. I was entirely deaf in one ear, and all the inside of my nose, including part of the bone, sloughed off. No sort of treatment benefited me, and physicians said "I would never be any better." As a last resort I took Swift's Specific, and it entirely cured me and restored my hearing. I have been well for years, with no sign of return of the disease.—Mrs. JOSEPHINE POLINIL, Due West, S. C. S. S., S. cures Catarrh, like it does other Blood diseases, by eliminating the poison which causes it. Treatise on Blood and Skin mailed free. SWIFT SPECIFIC COMPANY, ATLANTA, GA.
