can't afford to keep him out

Mrs. Lou Brown went to Winchester. Va., the other day, having received word that her father was seriously ill.

As we go to press it is reported that a true bill was found against Thomas Williams in the indictment brought against

Deputy Sugar Inspector Naugle was holding forth in Salisbury the other day. A great many of our farmers had busi-ness with him concerning sugar license. No new liquor licenses were granted in the county this year, and some of the old ones failed to get renewed. Thomas Williams is one of the applicants that got knocked out. Prof. Livengood was on the sick list this week and on that account was un-

this week and on that account was un-able for a few days to teach his school. The branch of the Baltimore Building and Loan Association recently organized here, is officered as follows: President, Prof. Dickey, however, kept all the bration. They all report a good time and

If such villages as Confinence. Rock-wood and Berlin can have electric light, we fail to see why Salisbury, which is a better town than all three of them put

and Loan Association recently organized here, is officered as follows: President, P. S. Hay; Vice President, L. C. Boyer; Secretary and Treasurer, M. R. Hay; Attorney, Val Hay; Directors, P. S. Hay, A. M. Lichty, W. Petry, L. C. Boyer, A. F. Speicher, M. R. Hay; L. Lichliter, H. A. Reitz, Thomas Williams. What's the matter with some of the Republican candidates that they do not amoesmes their candidacy in all the re-publican papers of the county? Are don't they want the support of the Re-publican voters i n certain localities; After the primary election they may hear something drop, and it may be them.

were as many peo as to Mr. Loechel

something drop, and it may be them. Great excitement prevails in Meyers-or so has been hovering between life and dale over the result of the late borough eloction. The hard fight was on school be antificiently alive to save funeral exmething drop, and it may be them. The notorious Bill Meese, of whom some of our old citizens tell many amus-ing stories, and who for many years directors, all of which were elected by penses, is about the best sample of green the Republicans, but they blundered in eyed jealousy that we have run across died not specifying on their lickets the length of time the board is to serve. The law sorts of means to get patronage from Mrs. Fernser, of Beatrice, who for some time has been visiting her parents, Mr. and Mrs. B. Welfley, gave birth this requires this, and the Democrate having Salisbury and vicinity, yet it either ignor-complied with the law now claim the school board, although in the minority.

School board, sindoign in the minimity. Yesterday morning the stable at the Mellinger house in Grantsville, was de-stroyed by fire. A mare belonging to S. S. Miller was barned with it. Greg Bevens, who is living there now, also lost some property in the fire, but the person who sent us this bit of news had the day time and 14 at night. Besides that there are completed of the structure of the structure

ing on the backs of some of our citizens. John Shroyer has been granted a pen-sion under the new act and will get \$12 a month. He will also get \$20 di n a lump to start with, as his pension will start from the date of the passage of the act. If you have chapped hands, face, or rough or red skin, from any cause, use Steward's Almond Cream. It will please you and bring quick relief. Only 10 and 25 cents a bottle. Sold by J. L. Barchus. One of Salisbury's young men thinks electric light will spoll the promenading for the young folks, but says he will not
