Loss about \$30,000 to the building

At the conference of the Coal Miners Federation at London it was unanimously decided that the miners shall return to work, and that they will work only five \$800.

The big window glass factory at Spice-land, Ind., closed down because of a total failure of its natural gas supply. Efforts to increase the pressure by drilling new wells were fruitless. Over 300 men are affected by the closing of the works.

days a week.

The Abercarne Tin Plate Works, in Mon-mouth, England, have been closed. At the Abertillery works the operatives have re-ceived a month's notice of the close of con-tracts. Three thousand hands will be thrown out of employment.

The Montour iron and steel works, Dan ville, Pa., has settled with 300 strikers, and and resumed work.

Judicial.

Jedicial. Municipal Judge Powell, of Duluth, Minn., decided that the city ordinance regulating the licensing of saloons is illegal and void, and so far as it is concerned the liquor seller can keep open seven days a week, 24 hours every day.

The Missouri Supreme Court has declared unconstitutional the anti-pool law.

The Supreme court at Lincoln, Neb., dis-missed the case of Thayer vs. Boyd, putting the costs on T hayer.

The Indiana Supreme court handed down The Indiana Supreme court handed down an opinion on the new Australian ballot-box law. It is held that this legislature has the right to enact such a law; that the fail-ure to stamp a ballot did not invalidate if that a board should not refuse to count a ballot because the clerk had written his name in the right hand corner instead of the left; that where county and State boxes were used a ballot should be counted, no matter which box it was deposited in. The case involves the office of auditor of Man-derburg county. The Pennsvlvania prohibitionists have

The Pennsylvania prohibitionists has lost their case in the lower courts. Th

They attacked the constitutionality of the Baker ballot law in the Philadelphia courts to test it. As a result common pleas court No. 2 refused to grant the injunction asked for against city officers to restrain them from carrying into effect the new ballot law. This decision was given without an accompany-ing opinion. The prohibition leaders will, however, appeal to the supreme court. Their contention is that the law makes dis-criminations in favor of the strong political

criminations in taylor of the strong political parties, and that it prohibits the prohibition-ists from having the names of their candi-dates printed upon the official ballots, because the highest number of votes cast for the prohibition candidates in the last election fell below three per cent. of the aggregate number of votes cast.

# Mortuary.

Max Strakosch, the famous musical com-poser, died at New York of paralysis. Officer E. H. O'Connor, of the New York sanitary squad, died at North Brother Is

land, of typhus fever. Prof. Edward Augustus Freeman, the celebrated English historian, died in Alicante

Spain, of smallpox. Edward Emmons, who had been ossified which time he never left his home, died in Port Jefferson, L. I., Saturday, aged 38

years. Daniel Lothrop, of the publishing firm of D. Lothrop & Co., Boston, is dead. He was

60 years old.

Phillip H. Tomney, the well-known short stop, died at Reading, Pa., aged 29. Sanitary Items. The nineteenth death from typhus since the plauge broke out took place at North Brothers island Wednesday. Two nurses in the Riverside Hospital, New

York, died from typhus.

A case of smallpox has been discovered at Titusville, Pa. The patient is a Polish Jew who came over on the steamer Diana tcn days ago. YORK, March 20.-Up to yesterday 21

deaths from typhus had been reported from the hospitals on North Brother's Island. It was suspected that the number was greater and when Dr. Percival was questioned he admitted there were 29 deaths from typhus, and he for filed inter the typhus, and he then filed eight additional death certificates.
