Truly the duty of the physician is not to save life, but to heal disease. The remarkable result from the use of Dr. Williams's Pink Pills in the case of Mr. Quant, induced the reporter to make further inquiries concerning them, and he accer-tained that they are no rival as a Elood builder and nerve restorer and have next with unparalleled success in the treatment of such diseases as paralysis, rheumatism, sciatica, St, Vitus's dance, papitation of the heart, that tired feeling which affects so many, and all diseases depending upon a watery condition of the blood or shattered nerves.

A Jerusalem Hoste

In Jerusalem the finest, and, in fact, the only, hotel is kept and owned by a Philadelphian. Several years ago he visited the ancient city and saw that a good hotel would pay, and he at once avaated a first daw Joans ago in this is a non-trained any shore only and he at once erected a first-class hostelry. Pilgrims from every land bound for Jerusalem were only too glad to find a clean, comfortable hotel so far away from home, and it is now royally patronized by travelers. Guides are kept who are experts in Biblical history and who pilot guests to all points of interest. The discussions around the hotel tables, in which Moses, Jacob, Pharoab, Paul, John and other figures of sacred history form the chief staple of conversation, are said to resemble very much those of a minister's weekly meeting. —Philadelphia Record.

A needy woman —the one who's overworked, nerv-ous, and debilitated. What she needs is Dr. Pierce's Favorite Pre-scription. It's made exactly to fit-her case — an invigorating, restora-tive tonic, and a soothing and strengthening nervine, giving tone and vigor to the whole system. But it isn't a mere stimulant. It's a legitimate medicine, that an expe-rienced physician has carefully pre-pared, for woman's ailments. All the functional derangements, chronic weaknesses, and painful disorders peculiar to the sex, are corrected and cured by it. And because it's a certain remedy,

And because it's a certain remedy, it can be made a *guaranteed* one. If it fails to give satisfaction, in any case, you have your money back.

The best pill costs less than any other. Costs less, but does more. They're smaller, too, and easier to take. Dr. Pierce's Pleasant Pellets are the best pills. They regulate perfectly the liver, stomach, and bowels.
