They Hold Up a Passenger Train Near New Orleans, Securing About \$2,000. New Orleans, April 16.—A passenger train on the Illinois Central road was held up by robbers between Arcola and Tangipopa stations, and the express car rifled of about \$2,000.

When the train arrived at Hammond sta tian a stranger jumped aboard the en and drawing a pair of pistols on the and drawing a pair of pistols on the engineer and fireman ordered them to go ahead, which they did. The train was scheduled to take a siding at Independence to allow another train to pass, and when that point was reached four other robbers got aboard he engine. As soon as the southbound train had passed the robbers forced the engineer and fireman to go to the express car and compel the messenger to open the door. He refused to do so, but an entrance was effected nevertheless, and while some of the robbers held the passengers in check the others compelled the messenger to open the safes, from which they secure 1 about \$2,000 and made their escape. None of the passengers were molested. A Sheriff and posse aided by bloodhounds are tracking posse aidea by the fleeing robbers.

Surrendered to United State Troops.
DENVER, April 18—Word has been received nere that the cattlemen who were besieged by rustlers at the L. A. Ranch have been released by the United States troops, who disarmed them and took them as prisoners to Fort McKinney.

FIFTY-SECOND CONGRESS.

MONDAY—After Mr. Gallinger had ad-ressed the Senate in favor of a bill for the

dressed the Senate in favor of a bill for the establishment of a sanitarium for consumptives, Mr. Chandler started in to address the Senate in opposition to Mr. Palmer's proposed constitutional amendment for the election of Senators by the direct vote of the people, pending which Mr. Cameron called an executive session on the alleged betrayal of Senate secrets by Senate employee.

In the House to-day the following bills were passed: To make West Point, Va., as sub-port of entry and delivery; anthorizing the Washington and Oregon Bridge Company to construct a bridge across the Columbia river; repealing the act of last session a pier at the Secretary of the House Production of the Secretary of the House Production of the Secretary of the House Production of the House Order of the House Production of the House Order of the House of Senate on the subject. After a lengthy debate the joint resolution for a constitutional amendment was referred to the Committee on Privileges and Elections and the Senate having passed a number of bills on the calendar adjourned.

The session of the House to-day was without special interest. Mr. Allen of Mississippi, asked unanimous consent for the present consideration of a joint resolution appropriating \$50,000 for purchase and distribution of the Production of House to House bill for the absolution of the House bill for the absolution of the House bill for the After discussion the bill, with the substitute. After discussion the bill, with the substitute that the House bill to establish lineal promotion throughout the several lines of artillery, cavalry and infantry of the army to the

ill Monday. In the House after routine business, con ideration of the Naval Appropriation Bil was resumed dending which the House ad In the House after routine business, consideration of the Naval Appropriation Bill was resumed dending which the House adjourned.

Friday—The House to-day accomplished mothing whatever in the way of legislation. Numberless bills were reported for the erection of public buildings, and the House then went into Committee of the Whole on the private calendar. Not being able to make any headway the House adjourned.

Saturbay—The Senate was not in session. After the disposal of routine business to-day the House went into committee of the whole, Mr. Shively, of Indiana, in the chair, on the naval appropriation bill. Mr. Pendleton, of West Virginia, opposed the motion made by Mr. Holman, to strike from the bill the clause for the construction of one armed cruiser, and also Mr. Brittelle's amendment for the construction of two battleships and torpede beats. Pending further discussion the committee rose and the House adjourned.

THE LAST SAD ACT.

The Bodies of the Hill Farm Mine Victims Recovered.

UNIONTOWN, PA., April 13.—The last three of the Hill farm mine victims were found in the main slope to-day. Two bodies were found yesterday and one, that of Barney Manst was found a weak area. Maust, was found a week ago.

All the bodies were badly decomposed. Maust's body was identified by the coal checks in his pocket.

The presence of checks or other articles on the other bodies were all that led to their identification. The bodies were placed in rough boxes and after being viewed by er Holbert and his jury they were

quietly interred.

The names of the six men are as follows:
James McCune, aged 32, left a widow and
one child; Peter Eagan, 25 years old, left a
widow and five children; William Hays,
aged 21 years, unmarried, (this is the trapper boy whose lamp fired the gas); Milton Turney, 26 years old, left a widow and two children; Joseph Bigley, 30 years old, left a widow and children; Barney Maust, 29 years old, left a widow, but no children. IT COST NINE LIVES.

The Moosic Powder Mills, Near Wilkesbare, Blown Up.
WILKESABEE, PA., April 14.—A frightful explosion of powder completely demolished the mills of the Moosic Powder Company to-day. The shocks were felt over a radius of 40 miles, and thousands of people in surrounding towns rushed out of doors, think-an earthquake had taken place.
Eight men were killed and one fatally in-

an earthquake had taken place.

Eight men were killed and one fatally injured. The dead are: John Gibbons, Aaron Coolbaugh, Edward J. Vanderberg, Garadog Reese, Daniel Carev, Moses Tucker, Allen Smail and George Allis.

The loss will reach \$20,000.

The explosion occurred in the packing room, where \$00 kegs of powder were stored at the time, each weighing 25 pounds. It is believed by those 1-ft, who opened the mills, that the accident was caused by friction from one of the rollers, but this is all that will ever be known about it. Forty Natives Killed

CALCUTTA, April 18.—The Lushals, who have been harrassing the British line of communications between Lungle and Dam-agiri, attacked the British camp at Tuichong on April 6. After four hours' fighting they were repulsed with 40 killed. The same party attacked Capt. Shakespeare's column on April 7 and the Talthuama stockade on April 9. The Lushais were defeated on each occasion. The British had only five WORLD'S FAIR NOTES.

Stub Ends of Thought. Mouth { Measures } Mind. Murders } Give a man an inch and he will.

take an ell, but not of toothache We oftener suspect a man of vicethan of virtue

His thoughts hung upon his words-as beautiful pictures on hooks of gold. Age should make a woman beautiful

If life were twice as long we probably would not be twice as good.

We learn to love with easy teach—

ing.

It is really easier to pay a bill than.

A rich man may have all the pleasures in life and still there is just as much for the next one.

To be married is not always to be merried.
