BEATTY'S PIANOS AND ORGANS.

Hon. Daniel F. Beatty, the great Organ and
Piano manufacturer, is building and shipping
more Organs and Pianos than ever. In 1870 Mr.
Beatty left home a penniless plow-boy, and by
his indomitable will he has worked his way up
so as to sell so far, nearly 100,000 of Beatty's Or-
gans and Pianos since 1870. Nothing seems to
dissuade him; obstacles laid in his way, that
would have wrecked any ordinary man forever,
he turns to an advertisement and comes out of it
brighter than ever. His instruments, as is well
known, are very popular and are to be found in
all parts of the world. We are informed that
during the next ten years he intends to sell
200,000 more of his make, that means a business
of \$30,000,000 if we average them at \$150 each.
It is already the largest business of the kind in
existence—send to Daniel F. Beatty, Washing-
ton, N. J., for Catalogue.

J. T. Shipley just received a carload
of Buggies.

Public Sale of Valuable Town Lots.

The undersigned, executor of C. G.
Stutzman, deceased, will sell at public
sale, on Saturday, April 23d, 1892, at 1
o'clock P. M., on the premises, in the
Borough of Salisbury, the lots of ground
late the property of said C. G. Stutzman,
including the lot known as the "Steel
Pasture," containing some seven acres,
which will be laid out in building lots
with suitable and convenient streets.

This is an excellent opportunity to se-
cure a good building site in the best busi-
ness town in Somerset county. A reason-
able credit will be given.

J. C. Lowry,
Executor.

tion of the teeth. First visit will be
made Friday and Saturday, April 22d and
23d. Teeth extracted absolutely without
pain, by the use of Odontur. Call

LOST! In the Salisbury back, while
running from Meyersdale, April 18th,
1892, a 32-caliber hammerless Smith &
Wesson revolver and rubber holster.
Finder can secure a liberal reward by
leaving same at THE STAR office.

THE STAR can get you almost any
kind of a sewing machine, organ or pi-
ano in the market for a great deal less
money than any other dealer in the coun-
try will sell you the same goods for. We
are in a position to get you some of these
goods for less than wholesale price, and
we can prove it to you. Get other peo-
ple's prices and then call and see how
low we can beat them all.

Just received at THE STAR office, in ex-
change for advertising, a most elegant
3-drawer, mahogany-finished Davis sew-
ing machine. We can sell this elegant
machine so cheap that it will make your
head swim. Call and see it, for there is
a bargain of a lifetime in it. The first
person that comes along with the "stuffy"
gets it.

CORRESPONDENCE.

State Line.

Wet Easter.
Some had a good sugar-water run after
Easter, while others had their keelers
stored away.

The sugar made this season in this vi-
cinity is about all sold to Frank John,
for 6 cents per pound. Emanuel Hersh-
berger had the best test of sugar in the
United States—84.02. That makes Gar-
rett county proud.

Maple sugar this year was only a little
over a half crop.

JANUS.

Midland, Va.

Ground was dried nicely, but was well
soaked again last Thursday.
Oats sowed, and now some people are
about to begin to plant corn.

Pasture is coming rather slow, as it
has been rather cool since the 7th inst.

Peach trees are in bloom.

D. D. Hershberger came home from

Pennsylvania on the 10th, but left his
stallion in Shenandoah valley.

S. S. Beachy wants the bargain closed
with Mr. Ficklin for 200 acres of his land,
on which he expects to move next spring.
C. J. SWARTZTRUBER.

Kennell's Mills.

Mrs. W. P. Martz is visiting friends at
Salisbury and vicinity. After she returns
home she contemplates taking a trip
through the far west.

Quite a snow this morning, for this
time of the year.

Jesse J. Martz is running his grist mill
in full blast.

The Kennell's Mills school closed on
Wednesday, April 13th, under the auspi-
ces of Miss C. C. Rhoads, from Somerset.

On the evening of the closing day a grand
entertainment was given by the school.
At 7:30 the house was filled to its utmost
capacity. The program was an excellent
one and was rendered nobly by all who
participated. After the program was dis-
posed of, several able addresses were
made by directors and citizens. All en-
joyed themselves hugely and went home
well pleased with the occasion. Thus
ended one of the most successful school
terms ever taught at Kennell's Mills.

April 16th, 1892.

Grantsville.

Among those who were in town over
Sunday, we note the following: Will
Gnagey and sister, Miss Clara, from Ac-
cident; Mr. and Mrs. Chas. McMillen,
from Petersburg, Pa.; Lou Winterberg
and Will Stahl, from Hyndman, Pa.

Mrs. Eliza Gnagey is visiting relatives
over in Elk Lick. She intends to take
an extended trip to California, before
long.

Aaron Beachy is now ahead in owning
sheep that are extraordinarily productive.
He has two ewes which have six lambs.
All were living at last accounts.

Deputy Collector Sincell and Special
Agent Mason filled an appointment here,
last week, to weigh and inspect maple sug-
ar. Between 50,000 and 60,000 pounds
of sugar were weighed and inspected.

Milt Beachy, of Meyersdale arrived
here in time to buy nearly all the sugar
which came in on weigh day.

"Janus," in last issue of Salisbury's
luminary, accuses us of using words
which necessitate referring to Webster to
understand them, but adds, "it is all in
fun." It does not disturb our tranquility,
and we believe it to be wholesome to take
a hearty laugh occasionally.

SATELLITE.

Mountain school items.

Mr. John Zufall's new house is nearing
completion.

Hiram Bittner has been on the sick list
for the last few days.

Chas. Bittner, who has been very sick
with typhoid pneumonia, is able to be
about.

John Baker started in to turn the sod
over for oats.

The distillery is doing a land-office busi-
ness.

J. H. Martz, Esq., will remove his saw-
mill from the mountain to the farm of
Jacob Richey, May 1st.

Mr. Conrad Bittner's dwelling was en-
tirely consumed by fire, on the 12 inst.,
with all its contents.

Geo. Martz is making preparation to
go to bark-peeling as soon as the season
opens.

Mr. Simon G. Martz, Constable of this
township, has met with quite a serious
accident by cutting his hand with an ax,
several days ago.

Mr. Jacob D. Leydig has just returned
from his extensive trip through the west.
He says he enjoyed his trip very much.

The Mountain school closed on Friday,
April 8th, under the instruction of Miss
Lydia Meager, of Salisbury. The term
was a successful one and the school has
improved very much since it opened.

On the last day quite a number of the
citizens and visitors were present and
enjoyed the school very much, and a
very able address was delivered by one
of the directors, highly in favor of the
teacher and school. The teacher was
liked by both the scholars and patrons.

April 16th, 1892.

Chestnut Springs.

Jerre Stevannus, the strawberry man,
reports the prospects for a good crop very
fair.

Doctor R. M. Beachy is rigging up a
new office.

Jonas Keim is successfully operating a
large incubator of his own manufacture.

Deputy Nangle is around today on his
last trip through this section, weighing
and inspecting sugar.

Doctor Beachy, in addition to his al-
ready full stock of medicines, has recent-
ly sent in an order for five hundred pounds
more drugs. The need of a drug store
has long been felt here.

S. J. Miller is planting a peach orchard
of about 100 trees.

Nathan Keim has rented W. C. Liven-
good's tenant house for the year.

There is considerable opposition devel-
oping against the proposed change of the
mail route, by the residents along the old
route, and perhaps a little feeling mani-
fested on both sides. There is no occa-
sion for that; "Uncle Sam" will always
consider the greatest convenience to the
greatest number, and everybody should
be willing to abide by that. We expect
to get a general free-delivery service,
anyhow, before the close of the next Re-
publican administration.

Our neighbors across Mason and Dixon
are crowing at us, because their school
term will now be one month longer than
ours. Good for old Garrett. The idea

that a man must be wrapped in ignorance
and consequent superstition and conceit
to be a good every-day citizen is fast los-
ing ground.
