BEATTY'S PIANOS AND ORGANS. Hon. Daniel F. Beatty, the great Organ and Piano manufacturer, is building and shipping more Organs and Pianos than ever. In 1870 Mr. Beatty left ho Beatty left home a penniless plow-boy, and by his indomitable will he has worked his way up his indomitable will he has worked his way up so as to sell so far, nearly 100,000 of Beatty's Or-gans and Piauos since 1870. Nothing seems to dishearten him; obstacles laid in his way, that would have wrecked any ordinary man forever, he turns to an advertisement and comes out of it brighter than ever. His instruments, as is well known, are very popular and are to be found in all parts of the world. We are informed that during the next ten years he intends to sell 200 000 more of his make, that means a business of \$80,000,000 if we average them at \$100 each. It is already the largest business of the kind in existence.-Send to Daniel F. Beatty, Washing-ton, New Jersey, for Catalogue.

WE PAY FREIGHT If you do not keep it. We think you will keep it. It pleases everybody. It is an *honest* piano. It is the WING Piano.

You may have a preference for some other make. Still you are a reasoning creature, and open to conviction, no doubt.

Conviction, no doubt. The question is too important to be settled without due thought. Years of satisfaction or of regret come with a piano. Does it wears well? The WING Piano does. "Look before you leap." Whatever piano you buy, there are piano secrets you ought to know. Our free book tells them. Send a postal card for it. It may help you to buy a different piano. We take that risk. We also tell you the nearest dealer where you can see a WING Piano. It is worth looking zt. So is the price. WING & SON, 245 Broadway, New York.
