CONDITION OF BUSINESS. The : Volume Last Week Surpasses all Previous Records.

The : Volume Last Week Surpasses all Previous Becords. R.G. Dun & Co.'s Weekly Review of Trade asys: More favorable weather in many parts of the country during the past week has brought better reports of business. Un-doubtedly distribution has been much re-tarded by the backward season and the condition of country roads, and, in some quarters, collections have been slow on that account. But last week the improvement in such quarters has been general, and meanwhile the volume of business continues to surpass all previous records. Gaining but little, and yct gaining at the East over last year, and failing behind only about 1 per cent. at the South in the agregate not withstanding the great depression in the prife slope some decrease appears. That collections are on the whole satisfactory the condition of the money markets and report item other tights clearly a show. In all

abundant, but the demand is not especially active. The south still reports unsatisfactory trade at many points, though prospects are considered brighter at Suvannah and collec-tions are good at Nashville. Trade at New Orleans is quiet, the Gemand for cotton heing moderate, sugar quiet but firm and rice steady, with moderate demands. Speculation in breadstuffs has advanced wheat leant. Corn is it cents stronger, but oats leant lower, and pork products are lower. Both receipts and exports of cotton fall behind last year's sales of 925,000 hates here have resulted in no change in the price for spots. Oil is 2 cents lower and coffee unchanged. the aches, pains, and derangements peculiar to her sex, she can't ex-pect to. But there's only herself to blame. With Dr. Pierce's Favorite Pre-scription, she's a different woman. And it's a change that can be seen as well as felt. The system is in-vigorated, the blood enriched, di-gestion improved, melancholy and nervonsness dispelled. With the "Favorite Prescription," all the proper functions are restored to healthy action. Periodical pains, weak back, bearing-down sensations, nervous prostration, all "female complaints" are cured by it. It's the only medicine for woman's weaknesses and ailments that's *guaranteed* to do what is claimed for it. If it doesn't give satisfac-tion, in every case for which it's rec-ommended, the money is returned. Can something else offered by the dealer, though it may pay him better, be "just as good"?
