BEATTY'S PIANOS AND ORGANS. Hon. Daniel F. Beatty, the great Organ and Piano manufacturer, is building and shipping more Organs and Pianos than ever. In 1870 Mr. Beatty left home a penniless plow-boy, and by his indefatigable will he has worked his way up so as to sell so far nearly 100,000 of Beatty's Organs and Pianos since 1870. Nothing seems to dishearten him; obstacles laid in his way, that would have wrecked any ordinary man forever, he turns to an advertisement and comes out of it brighter than ever. His instruments, as is well known, are very popular and are to be found in all parts of the world. We are informed that during the next ten years he intends to sell 300,000 more of his make, that means a business of \$30,000,000 if we average them at \$100 each. It is already the largest business of the kind in existence—Send to Daniel F. Beatty, Washington, New Jersey, for Catalogue.

J. T. Shipley just received a carload of Buggies.

A Great Story. "The Scarlet Letter," Nathaniel Hawthorne's most celebrated story, and one of the most famous in American literature, up to a few weeks ago cost, in cheapest cloth binding, \$1.00, or in paper, 50 cents. We have just received a very neat and thoroughly well made cloth-bound edition from John B. Alden, Publisher, New York, which he sells for 30 cents, plus 5 cents for postage, if by mail; the same in paper covers he sells for 10 cents, post-paid. His Catalogue of choice books, over 100 pages, which he sends to anyone for 2-cents postage, is a literary curiosity, which every book-buyer ought to have, of course. His publications are not sold by booksellers, but only direct. Address, JOHN B. ALDEN, Publisher, 57 Rose St., New York.

Corn-planting finished. A Mr. Lentz, from Allegheny City, Pa., was a guest at the National house, one night last week. He was travelling on his proposed tour around the world, and was traveling on a bicycle.

A series of meetings are being held this week by the Dunkard denomination, in their meeting-house in Sugar Grove, about three miles south of town. The ministers in charge of this congregation are assisted by Rev. Sines, of Oakland, and Rev. Gibson, of Roanoke, Va. May 25th, 1892. SATELLITE.

Southampton.

We are having much wet weather this spring, and the weather is decidedly cool, but the prospects are favorable for a heavy hay crop.

The farmers are about done with their spring work, such as sowing oats and planting corn, and they are now making preparations for their buckwheat cakes for winter.

C. J. Bittner and John Richey caught three wildcats one day last week. Harvey Baker, who is attending normal school at Centerville, is at home at present.

Wilson Beals removed from the old homestead to Wellersburg.

Jonathan Martz, who is now in his 88d year, is enjoying good health. He has been a robust and hardy man all his life. He has also been one of the best hunters in this section of country, having killed 108 deer and one wolf. How many turkeys he killed we have no record of.

The distillery of Nelson Bittner has shut down for the present.

The church members of different denominations met at Glencoe, last Friday, to make preparation to build a union church at that place, and the prospect for a church is favorable. We are very glad to hear that such an effort has been made and we hope after it is completed much good will be accomplished. May 23d, 1892. PRIMA DONNA.
