THE LATEST, CHEAPEST AND BEST IS THE CYCLONE POST-HOLE DIGGER

Universally conceded to be the best and only Digger that works to perfection in the softest of sand and the toughest of clay, and unequalled by all others to work in any kind of soil, as the blades are so arranged and made of spring steel, thus allowing them to expand and contract when filling and emptying same.

The handle is so arranged that it can be lengthened to any desired length by adding pipe to it in sections, so that any desired depth can be reached with these Diggers.

It is light, strong, durable and simple (nothing complicated about it), and does twice the work in less time than any other Digger made.

Ask your dealer for it, or address **CYCLONE DIGGER CO.,** ST. LOUIS MO.

A Piano SENT on trial

WE PAY FREIGHT. If you do not keep it. We think you will keep it. It pleases everybody. It is an honest piano. It is the WING Piano.

You may have a preference for some other make. Still you are a reasoning creature, and open to conviction, no doubt.

The question is too important to be settled without due thought. Years of satisfaction or of regret come with a piano. Does it wear well? The WING Piano does. "Look before you leap."

Whatever piano you buy, there are piano secrets you ought to know. Our free book tells them. Send a postal card for it. It may help you to buy a different piano. We take that risk. We also tell you the nearest dealer where you can see a WING Piano. It is worth looking at. So is the price. WING & SON, 245 Broadway, New York.

BEST SIMPLEST AND CHEAPEST

FOR MEATS, FOWL, FISH, ETC., AND FOR BREAD, CAKES AND PUDDINGS

THE STEAM produced by the process of cooking cannot escape, as shown by the article in the roaster, and acts as a basting. There is no evaporation, no drying up or burning, hence no shrinkage of loss of weight, and all the flavor and nutritious qualities of the food are retained. Tough meats are made tender, and any article roasted or baked will be sweeter, healthier and more digestible. Put the food in the roaster, place the roaster in a well heated oven; the roaster will do the cooking. It requires no attention. Can only be bought from dealers, the trade supplied by:
