An honest Swede tells his story in plain but unmistakable language for the benefit of the public. "One of my children
took a severe cold and got the croup. I BEATTY'S PIANOS AND ORGANS.

Bon. Daniel F. Beatty, the great Organ and Plano manufacturer, is building and shipping more Organs and Planos than ever. In 1870 Mr. Beatty left home a penniless plow-boy, and by his indomitable will he has worked his way up so as to sell so far, nearly 160,000 of Beatty's Organs and Planos since 1870. Nothing seems to dishearten him; obstacles laid in his way, that would have wrecked any ordinary man forever, he turns to an advertisement and comes out of the fighter than ever. His instruments, as is well known, are very popular and are to be found in all parts of the world. We are informed that during the next ten years he intends to sell \$0000 more of his make, that means a business of \$80,000,000 ff we average them at \$100 each. It is already the largest business of the kind in the same good results. I write this because I 4 hought there might be some one in the same good results. I write this true merit of this wonderful medicine."
