Berkley's Mills.
It has been very cold for the last fifteen days and keeps people busy hauling coal.

Our band had an election on Saturday evening, the 7th inst. The following officers were elected: President, C. W. Baldwin; Vice President, E. M. Bear; Secretary, W. W. Shumaker; Treasurer, F. Dively. The band has decided on getting C. G. Conn instruments.

W. W. Shumaker and wife were on a visit to Johnstown, during the holidays, and found it very cold over there; but all the same they enjoyed their trip very much.

Our millers, Baldwin & Critchfield, are doing very good work. They have John Rile to drive their team and deliver flour, feed and do their coal hauling. John says the spotties are not going to leave Berkley's Mills as long as he can handle them.

C. E. Shumaker and wife have been visiting friends at Keystone.

Ike N. Miller and wife have been visiting Mrs. Miller's father, Mr. Landis, over at Berlin. Ike is the boss distiller at the Walker & Walker distillery. Our present store keeper, Ed Spangler, is a first-class man in every respect.

James Davis wears a broad smile, because it's a bouncing, big girl.
- Wm. Landis has rented Wm. Fritz's tenement house and intends to dig coal for Mr. Fritz. He is going to move in a couple weeks.

Our band is going to have a festival before long. Every body is invited to attend and have a good time.
Jan. 9th, 1893. PELL MELL.

Mr. William T. Price, a Justice of the Peace, at Richland, Neb., was confined to his bed last winter with a severe attack of lumbago; but a thorough application of Chamberlain's Pain Balm enabled him to get up and go to work. Mr. Price says: "The Remedy can not be recommended too highly." Let any one troubled with rheumatism, neuralgia or lame back give it a trial and they will be of the same opinion. 50 cent bottles for sale by Copland, the druggist, Meyersdale, Pa.

GREAT ROCK ISLAND ROUTE

BEST LINE TO THE WEST

Superb Dining Car Service
1852 - 1892.
As long as a time as David reigned, so long has the Chicago, Rock Island & Pacific Railway run trains westward from Chicago.

The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved patterns.

Faithful and capable management and polite, honest service from employes are important items. They are a double duty—to the Company and to travelers—and it is sometimes a task difficult of accomplishment. Passengers on this line will find little cause for complaint on that ground.

The importance of this Line can be better understood if a short lesson in geography be now recited.

What is the great Eastern terminus of the Rock Island Route?—Chicago. What other sub-Eastern termini has it?—Peoria. To what important points does it run trains to the Northwest?—St. Paul and Minneapolis, Minnesota, and Watertown and Sioux Falls, Dakota. To what important Iowa and Nebraska points?—Des Moines, Davenport, Iowa; Omaha and Lincoln, Nebraska. Does it touch other Missouri River points?—Yes: St. Joseph, Atchison, Leavenworth and Kansas City. Does it run trains to the foothills of the Rocky Mountains?—Yes: to Denver, Colorado Springs and Pueblo, solid vestibuled from Chicago. Can important cities of Kansas be reached by the Rock Island Route?—Yes: its capital city, Topeka, and a full hundred others in all directions in the State, and it is the only road running to and into the new lands opened for settlement in the Cheyenne and Arapahoe Reservations.

It will thus be seen that a line tapping, as the Rock Island does, such a varied territory, has much in that regard to commend it to travelers, as all connections are sure on the Rock Island, and passengers can rely on a speedy journey, as over a bulk of the system through trains are run, and it has become, and rightly too, the popular line.

A very popular train on the Chicago, Rock Island & Pacific Railway leaves Chicago, daily, at 10 p. m. It is called "The Big Five," is only one day out, and passengers arrive at Denver, Pueblo or Colorado Springs early the second morning.

The Rock Island has become a popular Colorado Line, and the train above referred to is vestibuled, and carries the Rock Island's excellent Dining Car Service.
