CORRESPONDENCE.

Grantsville.

Mr. Harris is sending out weather bulletins again to the tune of more rain, and he seems to know what he is talking about, same as during the entire month of April.

Miss Lily Kurtz celebrated her 22nd birthday, last Friday night, by having a birthday party. The participants were composed entirely of honored and respected young ladies of the town, and all reported a nice entertaining and sociable time. The presents were numerous and pleasing to the recipient.

M. Durst and Baker Johnson have been repairing the A. L. Gnager store room and getting it ready to be occupied again. Mr. Bowser expects to have the old stand in running order by the first of June.

Miss Fannie Getty returned home last Wednesday, after an absence of almost a month. Her numerous friends were very glad to see her come back again. The greater part of her absence was very pleasantly spent in Cumberland, visiting her brother, who is employed in the Second National Bank.

Senator Wm. R. Getty, has been confined to his bed for the last ten days, but we are glad to note that he is convalescing.

Prof. Bertwin Ryland spent Saturday and Sunday at home with his parents. He seems to be very well pleased with his first impression of Salisbury, and the Salisburyans can congratulate themselves on the acquisition of such a moral young man to their town.

Last Monday a new medical fraternity made its appearance in this place. Among the big "Medicine Man," "Faith Curer" and general practitioners, there ought not to be much continued sickness in this community. ENRICA.

Guard Against Cholera.

It is well to be prepared when summer comes to guard against cholera, diarrhoea and all summer complaints. Mayers' Magnetic Drops for cholera and diarrhoea have no equal as a quick and safe cure. A bottle should be kept in every house. Our agents will supply you.

Ask your druggist for Mayers' Little White Pills for sick headache. Druggists say that Mayers' Magnetic Remedies have no equal in this world. Try them and take no substitutes. Take Mayers' Magnetic Drops for cholera, diarrhoea and all summer complaints. For sale by A. F. Speicher, Elk Lick, Pa., also by G. E. Pearce & Co. and A. F. Parker, Frostburg, Md.

Southampton.

The weather is cold and wet.

Bark peelers are putting in full time in this locality. The woods is full of 'em.

The sale at Mrs. Nelson Bittner's was well attended. Quite a lot of goods sold, at fair prices.

Mrs. Nelson Bittner left for parts unknown, last Monday. Nelson also disappeared, last spring. It is supposed that she has gone to where her husband is holding forth. They left things in very poor shape.

Isaiah Matz has moved onto the Nelson Bittner farm.

Jesse Cook, of near Wellersburg, is still not getting any better. He is troubled with dropsy.

Miss Rebecca Emerick, of this vicinity, has gone to Buffalo Mills to work for Rev. W. C. Garland.

Rev. Garland will occupy the pulpit at the Kennell's Mills church, on Sunday, May 21st, at 10:30 a. m.

May 8th, 1893. PRIMA DONNA.

Shady Side, Md.

S. D. Yoder was absent in town, last Thursday. There must be something wrong; perhaps he is sick, for he is seldom absent.

Lumbermen are trying to purchase timber along the Casselman river. Mind your eye, for timber is timber and it is worth 25 cents per top to clean up the tops. Then, how much have you for your timber?

Lookout, you Elk Lick farmers, and don't sow so many acres of oats, for you can't sell the crop, next fall, for E. J. Miller has put out two large patches of that kind of grain. I will give you the size of the patches: They would make ordinary sized patches on Uncle David Fuller's pants.

It is rumored that F. J. Folk is going to embark in the lumber business again. Hope he will have success. Jonas Boyd will likely have another call to turn the crank.

Shady Side has a smiling face; so has Greg. B. But away, Grantsville, when John W. Davis brings the railroad down Shady Side. Come on, for Shady Side is one of the best places for a town in all these parts. Plenty of everything here—

if you work like the dence for it.

F. J. Folk came home the other day, quite down-hearted. He was asked what was wrong, whereupon he remarked that Hay's hotel, in Salisbury, is a bad place at which to stop. He says when a man sits down at Cal's table he will not only satisfy his hunger, but will have the bad luck to burst the buckle of his pants and see the buttons fly in all directions. Too much good "grub." Hurrah for C. T. Hay! He keeps the right kind of a house. PAT.

BARNUM, W. VA., April 11th, 1893.

The Mayers' Drug Co., Oakland Md.

Gentlemen: My wife has been troubled with catarrh for twenty years, and I have spent over three hundred dollars with doctors, without her having derived any benefit from them. I have consulted physicians and had medicine from New York, Cincinnati, Ohio, and Toronto, Canada, and finally concluded that her case was incurable, but noticing your advertisement in the Oakland papers, I decided to give it a trial, and my wife has now used half a bottle of Mayers' Magnetic Cure, and it has done her more good than all the other medicines that she has ever tried for catarrh. She thinks that the remainder of the bottle will complete a permanent cure. I can see a great change for the better in her case, and any person troubled with catarrh, I would advise to give Mayers' Magnetic Cure a trial. I would have written to you before but have been waiting to give the medicine a fair trial before saying what I thought of it.

Very Respectfully Yours,

M. HARVEY.

The farmers are about done sowing oats and are now planting corn.

Jonas S. Keim is still working at his old trade—tanning.

Last week one of Wm. W. Bender's horses died. The animal was worth about \$175.

Jacob and W. A. will not accept a seal award's case, which W. J. and N. B. could not act on and handle themselves. I don't think any lawyers in Somerset county will interfere with their case.

The gritty boys of this vicinity were out rattle snake hunting on Ascension day and killed a number of snakes. What do you think of that for knot pickers?

Mr. Boyd says he lives in Somerset Co., Elk Lick township, at a place where the wildcats and owls stay in a hollow—where he sees the sun only three hours in twenty-four—among hemlock trees and laurel—and he further says that the Savage correspondent can't scare him. He is done digging potatoes now, and is out of the sawmill business since he caused that wreck. He is now in a better business, as he is clearing new ground, which he expects to sow in pepper and tobacco. He says he will take THE STAR as quick as somebody will write about him. JOHN TAD.

A. F. Speicher, the druggist, desires us to publish the following testimony, as he handles the remedy and believes it to be reliable:

I bought a 50-cent bottle of Chamberlain's Pain Balm and applied it to my limbs, which have been afflicted with rheumatism, at intervals, for one year. At the time I bought the Pain Balm I was unable to walk. I can truthfully say that Pain Balm has completely cured me. R. H. FARR, Holywood, Kan. Mr. A. B. Cox, the leading druggist at Holywood, vouches for the truth of the above statement.

Extra Hazardous.

Applicant for insurance—"No, sir; I neither drink, chew nor swear. I don't go to the theatre or attend balls and have no evil associates. I am at home always by 10 o'clock, am a Sunday school teacher and my morals are above reproach. I never had a day's sickness in my life."

Agent—"That is an extra hazardous risk, young man, and we can't take it."

Applicant—"What?"

Agent—"No. The good die young, you know."

GREAT ROCK ISLAND ROUTE

THE BIG LIMITED

BEST LINE TO THE WEST

Superb Dining Car Service

1852 1892.

As long a time as David reigned, so long has the Chicago, Rock Island & Pacific Railway run trains westward from Chicago.

The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved patterns. Faithful and capable management and polite, honest service from employes are important items. They are a double duty—to the comfort of passengers and to the convenience of the public.

The importance of this line can be better understood if a short lesson in geography be now recited.

What is the great eastern terminus of the Rock Island Route?—Chicago. What other important points does it run trains to the Northwest?—St. Paul and Minneapolis, Minnesota, and Watertown and Sioux Falls, Dakota. To what important Iowa and Nebraska points?—Des Moines, Davenport, Iowa; Omaha and Lincoln, Nebraska. Does it touch other Missouri River points?—Yes. St. Joseph, Atchison, Leavenworth and Kansas City. Does it run trains to the foothills of the Rocky Mountains?—Yes; to Denver, Colorado Springs and Pueblo, solid vestibuled from Chicago. Can important cities of Kansas be reached by the Rock Island Route?—Yes; its capital city, Topeka, and a full hundred others in all directions in the State, and it is the only road running to and into the new lands opened for settlement in the Cheyenne and Arapahoe Reservations.

It will thus be seen that a line tapping, as the Rock Island does, such a varied territory, has much in that regard to commend it to travelers, as all connections are sure on the Rock Island, and passengers can rely on a speedy journey, as over a bulk of the system through trains are run. It has become, and rightly too, the popular line.

A very popular train on the Chicago, Rock Island & Pacific Railway leaves Chicago, daily, at 10 p. m. It is called "The Big Fly." It is only one day out, and passengers arrive at Denver, Pueblo or Colorado Springs early the second morning.

The Rock Island has become a popular Colorado line, and the train above referred to is vestibuled, and carries the Rock Island's excellent Dining Car Service.

Some of the Grand Army boys may be interested in the following, from Alex. B. Pope, A. D. C., Commander Dep't. Tenn. and Ga. He says: "We have had an epidemic of whooping cough here (Stewart, Tenn.) and Chamberlain's Cough Remedy has been the only medicine that has done any good." There is no danger from whooping cough, when this remedy is freely given. It completely controls the disease. 25 and 50 cent bottles for sale by A. F. Speicher, druggist, Elk Lick, Pa.

Don't Tell All They Know.

If a newspaper man plainly made public all that he knows about the hidden movements in business or social life, he would be able to create many a sensation as well as to enlighten the general public concerning many things whereof they are likely to die in ignorance. We suppose the Catholic priest and the physician know more than any of their neighbors concerning the personal life of the community in which they live, but an experience of a quarter of a century leads us to the conviction, that the newspaper man comes next to them in the abundance of his knowledge, and in certain departments he does not yield even to them. Nor is his discretion less great, for in spite of his anxiety to print a readable sheet, and contrary to the general impression that he puts everything he hears and much he imagines into his newspaper, he is one of the most secretive of men and carries about with him a whole menagerie of secrets, the escape of any one of which would create a prodigious uproar and sometimes bring a proud head low. But it is seldom that one gets away.—Altoona Tribune.

In almost every neighborhood throughout the west there is some one or more persons whose lives have been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who have been cured of chronic diarrhoea by it. Such persons take especial pleasure in recommending the remedy to others. The praise that follows its introduction and use makes it very popular. 25 and 50-cent bottles for sale by A. F.
