CORRESPONDENCE.

Savage. The farmers of this vicinity are about done with their spring work.

E. Brown and Henry Beitzel, of Garrett county, Md., were recently visiting friends and relatives in this vicinity.

What is wrong with "Uncle Joe" that he does not continue giving us the news? Has he been scared out by desperate threats, or did he go to Somerset to be examined in law and get a diploma?

E. J. Egan has put forth another appearance in this vicinity, sporting a brand new go-away coat, which contains so many pockets that it took him fully one hour and a half to find out in which pocket his sugar was.

Lloyd Shoemaker has gone to Meyersdale to purchase a suit of new clothes. He said: "By gosh! I must have a new suit, even if I have to carry my neck in a sling to get it."

J. A. is at present doing a thriving business in medicine. He was called from his sleep shortly after midnight, Sunday morning, by Joel Staubaugh, who purchased a bottle of liniment for the purpose of testing its temperature with ice cream.

N. B. Christner says plowing rough new ground brings a man to repentance. He says when he plowed the first patch he used enough nine-foot wheels to fill a book as large as Peck's blacksmith shop; but before he started on the second patch he purchased a \$10 Bible. Please read it, Norman.

Gen. J. L. and L. A. Peck have laid the corner stone of their new blacksmith shop. It is supposed that Gen. J. L. will run the shop. TIMOTHY FLINT, May 29th, 1893.

Are You a Sufferer From Catarrh, Hay Fever, Etc.?

THE MAYERS DRUG CO., Oakland, Md.

Sandfat. People in this vicinity are about all done planting corn and potatoes, and the farmers are peeling bark for all that is in it.

On Whit, Monday a party of mountain folks were out for tea berries. They picked several gallons. They say there are more berries in "Bloody Hollow" than at any other point on Negro Mountain.

Ask your druggist to show you a bottle of Mayers' Magnetic Catarrh Cure. One bottle to cure any case, no matter how severe, and will last for 3 months' treatment. Sold everywhere.

The Superintendency Contest. The following, which was contributed to the Meyersdale Register, by a Confluence correspondent, contains so much good sense and voices THE STATE'S sentiment so well on the County Superintendent middle that we take pleasure in reprinting it:

The contest between Profs. Berkey and Pritts for County Superintendent of common schools, was, if reports are true, about as spirited as it was close.

Just as sure as hot weather comes there will be more or less howel complaint in this vicinity. Every person, especially families, ought to have some reliable medicine at hand for instant use in case it is needed.

By a simple rule the length of the day and night, any time of the year, may be ascertained by simply doubling the time of the sun's rising, which will give the length of the night, and double the time of setting will give the length of day.

Hon. W. V. Lucas, Ex-State Auditor of Iowa, says: "I have used Chamberlain's Cough Remedy in my family and have no hesitation in saying it is an excellent remedy. I believe all that is claimed for it. Persons afflicted by a cough or cold will find it a friend."

to prepare for such a position, and then see it all showered upon one man for nine successive years. The fact of the matter is, Prof. Berkey should not have asked for the third term.

What is the great Eastern terminus of the Rock Island Route—Chicago. What other sub-terminus has it—Peoria. To what important points does it run trains to the Northwest—St. Paul and Minneapolis, Minnesota, and Waterloo and Sioux Falls, Dakota.

One dollar for a three months' treatment, and an absolute guarantee for a cure, which the Mayers Drug Co., of Oakland, Md., offers to sufferers of catarrh, hay fever, etc.

A Texas Man Soliloquizes. "See here," said Mr. Jefferson T. Short, of Carrizo, Texas, as he dived into his pocket and brought up a hundred neatly engraved visiting cards.

The following item clipped from the Ft. Madison (Iowa) Democrat, contains information well worth remembering: "Mr. John Roth, of this city, who met with an accident a few days ago, spraining and bruising his leg and arm quite severely, was cured by one 50-cent bottle of Chamberlain's Pain Balm."

A Postal Relic of Hygiene Days. At a banquet of California pioneers, held in Boston, a letter envelope was shown, which was sent from Mount Vernon, Iowa, in pioneer times, bearing this inscription:

Just as sure as hot weather comes there will be more or less howel complaint in this vicinity. Every person, especially families, ought to have some reliable medicine at hand for instant use in case it is needed.

As long a time as David reigned, so long has the Chicago, Rock Island & Pacific Railway run trains westward from Chicago.

The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular travel demands.

Bad complexion indicates an unhealthy state of the system. De Witt's Little Early Risers are pills that will correct this condition. They act on the liver, they act on the stomach, they act on the bowels.

The attention of the borough council is called to the provisions of an act of assembly, approved May 23, 1887, pamphlet laws, page 164, entitled: "an act appropriating the tax on dogs to the support of public libraries in boroughs."
