AN IMPROVEMENT IN TRADE.

A Hopeful Feeling Prevails and Money Abundant a: Speculative Centers. R. G. Dun & Co.'s Weekly Review of Trade of New Yors says: Returns from every part of the country show decided improvement. A hopeful feeling prevails, money grows abundant : it lative centers and somewhat easier for

commercial purposes. The number of establishments reported as resuming work, 31 whoily and 26 in part, still exceeds the number closing, 33 for the past week, beside 10 reducing force, so that the hands employed have somewhat in-

A BRIGHT OUTLOOK. Good Business News From Nearly 1.000

Localities. There were published at New York or Saturday, telegrams from nearly 1,000 citie and towns in the west and south giving the views of bankers and business men on the commercial outlook. Particularly good news comes from Pittsburg. President C.

Batchelor, of the Keystone bank of tha place, expects confidence to be fully restor-ed by Oct. 15; Cashier Scully, of the Dia mond national bank, says times have improved, money is easier, and prospects for a big fall and winter trade are excellent.

for a big fall and winter trade are excellent. From Boston comes a story of great im-provement in business; at Worcester and Fall River, Mass., prominent manufactur-ers say there never has been a brighter prospect in business circles since the finan-cial depression began. Many mills and factories have resumed operations and others are preparing to do so, From all over the New England states the reports are that business is much improyed and that money is easier. At Buffalo. N. Y., the bankers and com-mercial men consider the outlook excep-tionally bright. From Bochester Syracusa

The business is much improyed and that money is easier.
At Buffalo, N. Y., the bankers and commercial men consider the outlook exceptor.
They, Elmin and Joher places in New York its reports are heatd, and the telief is general that the panic has passed away.
The reports from the South are especially end to be good, and it has been "made" at lease expense than usual. There is an abundance of money to move it and the price is satisfactory. The indications are that the parice is assessed on the source of the

OHIO DAY AT THE FAIR.

Some 70,000 Fuckeyes Attend the Ded-ication of the State Monument. Gov. McKinlev, of Ohio, his general staff, the Third Infantry of Ohio NationalGuards, Grand Army veterans and the State and Na-tional Computisionarie for the Burkeyes State tional Commissioners for the Buckeye State made a triumphal and imposing entry into

made a triumphal and imposing entry into the Exposition grounds, at Chicago on Thursday morning by way of the Midway Plaisance. It was the opening of the Ohio Day celebration, which probably brought 70,000 Ohio people to the fair on Thursday. The procession halted at the Ohio build-ing, where the bronze statue outside the building, "These Are My Jewels," was dedicated. Addresses were made by W. W. Peabody, president of the Ohio Board of Managers; Gov. McKinley, Gen. R. Brink-erhoff, Judge Samuel F. Hust and Judge L. D. Thomas.

BOLD TRAIN ROBBERY.

THE ENGINEER SHOT.

The Express Car Blown Open With Dynamite A Rich Booty Obtained.

Twenty masked and armed men held up Lake Shore passenger train, No. 14 at Kes-sler, Ind., shot the engineer and blew open the United States Express company's with dynamite about 1 o'clock Tuesday

At that point there is a switch used to pass trains. As the train reached that point the engineer noticed that the switch was turn-ed and hastily reversed his engine and applied the brakes.

plied the brakes. The train had hardly stopped when it was surrounded by the robber band. A half dozen mounted the engine and commanded the crew to get off. The fireman obeyed but the engineer, J. Knapp, paid no attention and endeavored to get the train under headand endeavored to get the train under heav-way at the same time striking one of the robbers with a coal pick. The robber with a moan fell off the engine, but the next instant the brave engineer lay insensible in his cab. A second robber shot him through

the chest. A deafening crash quickly told of the means of robbery employed. Several sticks of dynamite were exploded under the express car, tearing one end out. The express car, tearing one end out. The express then at bay for a few minutes but was knocked in the head from the rear and stretched insensible in bis car. Meanwhile the train crew started to in-restigate the crown du pussengers inside the cars. The conductor and brakeman were coved with winchesters as they appeared on the platform, and they wisely remained motion cass with their hands elevated sky-ward.

on the platform, and they water visit of visit and a motion esses with their hands elevated sky-ward. The safe in the expless car was blown open with dynamite and its contents placed in bags and handed to man in waiting. The guards were then called from the 'cars and the their safe that the timber. T. C. P. Cat, Propagation of the United States Express Cott, Propagation of the United States and the theory of the timber of the United States and the theory of the timber of the United States and the train as follows: One sealed bag, bload \$5,566, remittances of our agents log, bload \$5,566, remittances of our agents log, one cashier, one sealed bag, \$5,700, for our general agent. New York: one bag, \$3,217 60, for American Exvress Company, States and the theory of the theory of the theory mackage holding \$2,673, the others holding sums ranging from \$10 to \$300, As the four bags are missing the amount lost is according to the express company, \$19,100 60. In addition two bars of goid valued at \$16,000 eaved, there's also a sum of \$4,000 vericoked, which was in the local safe, and which the messenger secreted. Full you for a train detectives are on the train of the robbers. It is not believed any gang of crooks can escape the force put after them. The express company's officers are performed.

gang of crooks can escape the force put after them. The express company's officers are per-fectly satisfied that the robbery was coa-mitted by expertsafe 10 wers who know the use of dynamite and just how to get at the vulnerable spots in a safe. This, in their opinion, ought to make the chase more certain to ead in the capture of the robbers and the recovery of the money than would otherwise be the case. President Neweil has offered a reward of \$1,0 06 for the capture and conviction of the robbers.

Theside to Swell has offered a reward of \$1,000 for the capture and conviction of the robbers.
Inw THE NORMER WORKED.
