GREAT ROCK ISLAND ROUTE

BEST LINE TO THE WEST

Superb Dining Car Service

As long a time as David reigned, so long has
the Chicago, Rock Island & Pacific Railway run
trains westward from Chicago.

The Rock Island is foremost in adopting any
advantage calculated to improve speed and give
that luxury, safety and comfort that popular
patronage demands. Its equipment is thoroughly
complete with vestibuled trains, magnificent
dining cars, sleepers and chair coaches, all the
most elegant and of recently improved patterns.

Faithful and capable management and polle,
honest service from employes are important
items. They are a double duty—to the com-
pany and to travelers—and it is sometimes a
task difficult of accomplishment. Passengers on
this line will find little cause for complaint, as
that ground.

The importance of this line can be better un-
derstood if a short lesson in geography be now
recited.

What is the great Eastern terminus of the Rock
Island Route?—Chicago. What other sub-
Eastern terminus has it?—Peoria. To what im-
portant points does it run trains to the Northwest?—St.
Paul and Minneapolis, Minnesota, and Water-
town and Sioux Falls, Dakota. To what im-
portant Iowa and Nebraska points?—Des Moines,
Des Moines, Iowa; Omaha and Lincoln, Nebraska.
Does it touch other Missouri river points?—
Yes; St. Joseph, Atchison, Leavenworth and
Kansas City. Does it run trains to the foothills of
the Rocky Mountains?—Yes; to Denver, Colo-
rado Springs and Pueblo, solid vestibuled from
Chicago. Can important cities of Kansas be
reached by the Rock Island Route?—Yes; its
capital city, Topeka, and all the cities in
all directions in the State, and it is the only
road running to and into the new lands opened
for settlement in the Cheyenne and Arapahoe
Reservations.

It will thus be seen that a fine tapping, as the
Rock Island does, such a varied territory, has
much in that regard to commend it to travelers,
as all connections are sure, on the Rock Island,
and passengers can rely on a speedy journey, as
over a bulk of the system through trains are run,
and it has become, and rightly too, the popular
line.

A very popular train on the Chicago, Rock
Island & Pacific Railway leaves Chicago, daily,
at 10 p. m. It is called "The Big Five," is only
one day out, and passengers arrive at Denver,
Pueblo or Colorado Springs early the second
morning.

The Rock Island has become a popular Colo-
rado line, and the train above referred to is ves-
tibuled and carries the Rock Island's excellent
Dining Car Service.

Don't Mingle Your Friends.
Why should you when we can provide
you twelve elegant Holiday Presents for
\$3? Think of it—twelve friends made
happy by twelve of Conrad's beautiful,
fadeless, water-proof American "Artist"
Photos! Could anything be more taste-
ful and economical? Certainly not, and
nothing could be more appreciated. Come
now, and avoid the rush that al-
ways occurs just before Xmas. Studio
over Dr. Speicher's drug store open on
Wednesdays. Respectfully,
E. E. CONRAD.

16 World's Fair Photos for One Dime.
The Chicago, Milwaukee & St. Paul Railway
has made an arrangement with a first-class pub-
lishing house to furnish a series of beautiful
World's Fair photos, of a large size, at the nom-
inal cost to the purchaser of only ten cents for
a portfolio of sixteen illustrations. Nothing so
handsome in reference to the World's Fair has
before been published. The series would be
worth at least twelve dollars if the pictures
were not published in such large quantities, and
we are therefore able to furnish these works of
art for only ten cents.

Remit your money to George H. Heafford, Gen-
eral Passenger Agent, Chicago, Milwaukee & St.
Paul Railway, at Chicago, Ill., and the pictures
will be sent promptly to any specified address.
They will make a handsome holiday gift.

Residence Property for Sale.

is for sale. For terms, address

Rockwood, Pa.

Don't Forget This.
Watch the man that wants to sell you
goods of Marble at 40 per cent. below
price. He must have something in view
in the future to catch up to a living price;
so watch him and his work, and then you
will place your orders with the old, re-
liable firm of J. B. Williams, Frostburg,
Md., for first-class work.

LOCAL AND GENERAL.

Don't make a mistake, but use Thurston's
Cathartic Liver Pills. 5-1

Mr. and Mrs. Simon Beachy return to
their western home today.

Lichter's handsome new business
house is about ready for occupancy.

Rev. D. H. Leader has our thanks for
several desirable news items handed to
THE STAR this week.

Diseases caused by torpid liver are en-
tirely cured by the use of Thurston's
Cathartic Liver Pills. 5-1

Rev. E. L. Jones will preach in the
Lutheran church, next Sunday evening.

Behold T. W. Gurley's fine new "ad"
on 1st page. Gurley is a great hustler
for Salisbury trade and he gets lots of
it, too.

Dr. Lichty has moved into his hand-
some new office. He undoubtedly has
a finer suite of rooms than any other M.
D. in Somerset county.

Mothers find Thurston's Present Age
Worm Syrup a perfect remedy for worms,
wind colic and relieves the troubles
caused by children teething. It is soothing
and produces rest. 5-1

There are a great many cases of In-
grippe in town at present. The said dis-
ease and an enormous amount of job
printing account for the delay in getting
out THE STAR, this week.

S. C. Hartley & Co. have something
new on 1st page for Salisbury people to
read. It will do its intended work, too,
and don't you forget it. The people like
to be informed concerning the new bar-
gains, and when informed, they will do
the rest.

Jesse Jeffery is making preparations to
put a stock of confections and groceries
in the room vacated by Dr. Lichty.
Jesse is badly crippled from his injuries
sustained in the mines, and being unable
to perform hard labor, he should be given
a liberal patronage.

Hand in the copy early for your Hol-
iday advertisements and hand bills. Re-
member there is always a big rush of job
work at THE STAR office, at this time of
the year, so don't wait until the "eleventh
hour" and then expect us to do your
work on a moment's notice.

John Bender was sent to jail, the other
day, charged with abusing his family and
cutting up devilish pranks in general.
John claims to be a small edition of Jesse
James, but Constable John Fair and his
able assistant, "King Catawba," can pull
him in every time and not half try.

Speicher's Holiday Goods are now open
for inspection. You want to see them
before buying your Xmas Presents.
The finest Albums, Toilet and Manicure
Sets, Poems, Story Books, Christmas
Cards and Souvenirs, Toys, Games, etc.,
etc. Prices guaranteed with the lowest.

Now is the time to get your Holiday

advertisements into THE STAR, also to
get your Christmas hand bills printed.
The wise merchant will attend to this in
time. The people will do the most of
their buying at the stores that do the
most advertising. It's a way the people
have.

It not only relieves; it does more, it
cures. We refer to One Minute Cough
Cure. Suitable for all ages, all con-
ditions, at all times. A. F. SPEICHER.

Now that the Holiday season is almost
here, remember that W. J. Lichty always
keeps the best oysters to be had in the
town. There are oysters and oysters,
but the place to get the best oysters is at
"Soldier Billy's." That's the reason Billy
has practically all the oyster trade in
town. He holds every customer he gets.

Not one minute elapses between the
taking of One Minute Cough Cure and
relief. Why shouldn't people take One
Minute Cough Cure? They should.
They do. A. F. SPEICHER.

Edward Bruce, an infant son of Mr.
and Mrs. John Short, of Rockwood, died
on the 4th inst., of croup. The child
was 6 months and 21 days old. Funeral
services by Rev. Milliron, of Salisbury.
The bereaved family used to be residents
of this town, and their numerous friends
here extend their heartfelt sympathy to
them in their sorrow.

Burns are absolutely painless when Dr.
Witt's Witch Hazel Salve is promptly
applied. This statement is true. A perfect
remedy for skin diseases, chapped hands
and lips, and never fails to cure piles.
A. F. SPEICHER.

Now is the time people are looking for
Holiday advertisements in the news-
papers. The men who have attractive
"ads" in the papers will get the bulk of
the trade, while the other fellows will get
left, as usual. People will flock to the
places that are extensively advertised,
not only because it is human nature to
do so, but because it pays.

The Salisbury Cornet Band has decided
to have a fair and festival during the
Holiday week and the boys are making
great preparations for something super-
ior to the average fair and festival. Bills
will be out in a few days giving further
particulars. Our band is making com-
mendable progress and deserves encour-
agement. Give the boys a liberal pat-
ronage; they deserve it.

A large number of the members of the
Reformed church of this place repaired to
the parsonage on the afternoon of
Thanksgiving day, and made their pastor,
Rev. Leader, a generous donation of
things useful and good for food. The
pastor wishes to express his very grate-
ful appreciation of this and many other
kind attentions received at the hands of
these people since he came among them.

J. C. Balliet gives us this interesting
bit of news: "On Monday of last week
we left here at 10 a. m. for our new saw-
mill site beyond Grantsville. Upon our
arrival there we felled the trees and
sawed the lumber for two houses 16x30
feet, two stories high, and by Saturday
evening both houses were roofed, weath-
er-boarded and all finished throughout,
with the exception of a few partitions
inside. Frank Petry was the carpenter."

Miller & Collins, the hustling Meyers-
dale clothiers, are great on getting up at-
tractive advertisements, and it pays them
well. Their liberal advertising in THE
STAR is approvingly spoken of by the
paper's numerous friends and readers,
and it has sold them a great many suits
of clothes. We can prove this by the
people themselves. Liberal advertising
means liberal merchants to deal with.
The people know this and govern them-
selves accordingly.

Married—On the evening of Thanks-
giving day, Nov. 30th, 1893, at the par-
sonage of the Reformed church, Wm.
Wagner to Annie Eliza Thompson,
Rev. D. H. Leader officiating. The bride
is a twin sister of Mrs. M. E. Smith.
She is a very estimable lady and has a
large circle of friends. The groom is
one of Elk Lick's substantial farmers and
a good man in every sense of the word.
THE STAR extends its most hearty con-
gratulations to the couple.

Prof. Howard Miller, of Lewisburg,
Pa., who was lately land agent for the
Union Pacific Railroad Co., has been ap-
pointed general land agent for the Mexi-
can government. The Pittsburgh Times
is authoritative for this and says Mr. Miller's
salary will be from \$5,000 to \$8,000 a
year and expenses. Mr. Miller used to
be a resident of this town and for sev-
eral years helped to fill the pulpit of the
German Baptist church. He is a very
able man in almost any capacity, and
his numerous friends here congratulate
him on his good fortune.

Do not send us lengthy obituary
notices, obituary poetry, resolutions of
respect, etc., unless you want to pay ad-
vertising rates to have the same published
in THE STAR. There are a few people
that seem to have forgotten that our
readers last winter voted almost unani-
mously against the obituary and resolu-
tions of respect notices. They decided
by filling out the ballots printed in THE
STAR that they want only short mention
made of deaths, preferring live news to
long, dreary, senseless and useless resolu-
tions of respect and obituary notices.
Now, hear this in mind.

TOBACCO HABIT EASILY CURED.

A FEW
Testimonials
from persons
who have been
cured by the use of
Hill's Tablets.

THE OHIO CHEMICAL CO. DEAR SIR:—I have been using your
cure for tobacco habit, and found it would
do what you claim for it. I used ten cents
worth of the strongest chewing tobacco daily,
and from one to five cigars, and I would smoke
from ten to forty pipes of tobacco. Have since
and smoked for twenty-five years, and two packages
of your Tablets cured me so I have no desire for it.
B. M. JAY LICK, Leslie, Mich.

DOBBS FERRY, N. Y.
THE OHIO CHEMICAL CO.—GENTLEMEN:—Some time ago I sent
for \$1.00 worth of your Tablets for Tobacco Habit. I received
them all right and, although I was both a heavy smoker and chewer,
they did the work in less than three days. I am cured.
Truly yours,
MATHIAS JOHNSON, P. O. Box 45,
PITTSBURGH, PA.

THE OHIO CHEMICAL CO.—GENTLEMEN:—It gives me pleasure to speak
a word of praise for your Tablets. My son was strongly addicted to
liquor, and through a friend, I was led to try your Tablets. He was heavy and
constant drinker, but after using your Tablets but three days he quit drinking,
and will not touch liquor of any kind. I have written four months before writing
you, in order to know the cure was permanent. Yours truly,
MRS. HELEN MORRISON,
CINCINNATI, OHIO.

THE OHIO CHEMICAL CO.—GENTLEMEN:—Your Tablets have performed a miracle in my case.
I have used morphine, hypodermically, for seven years, and have been cured by the use
of two packages of your Tablets, and without any effort on my part.

Next week THE STAR will again ap-
pear in its former size and once more be
as large a paper as is published in this
county. At present it does not justify us
to make this change, but we hope our
business men will give us a better ad-
vertising patronage than they have been
giving us, for upon that alone will a con-
tinuance of the life of the paper depend.
Our patrons must remember that we are
not in a position to get any of the coun-
ty printing, which keeps up the majority
of the newspapers of this county, hence
we must necessarily have a liberal home
advertising patronage if THE STAR is to
continue to shine. The county printing
all goes to the papers that stand in with
the old rotten ring and do its dirty work.

Deserving Praise.
We desire to say to our citizens, that for
years we have been selling Dr. King's
New Discovery for Consumption, Dr.
King's New Life Pills, Bucklen's Arnica
Salve and Electric Bitters, and have never
handled remedies that sell so well, or that
have given such universal satisfaction.
We do not hesitate to guarantee them
every time, and we stand ready to refund
the purchase price, if satisfactory results
do not follow their use. These remedies
have won their great popularity purely
on their merits. Sold by A. F. Speicher
Druggist.

THE STAR greatly regrets to announce
that Rev. W. W. Kribbs, our popular Lu-
theran minister, has handed in his resig-
nation and will in a few weeks depart
from our town. Mr. Kribbs has resided
here a little over two years, during which
time he has greatly endeared himself to the
people of Salisbury and vicinity. He is
a cultured and refined young man, and
for many principles and genuine worth
has few equals and no superiors. He
has proven himself to be kind, generous
and charitable, always ready to lend a
helping hand to those who need encour-
agement. A more gentlemanly man we
have never met. It is therefore with
deep regret that we shall bid him adieu.
Mr. Kribbs will spend the winter at his
home in Clarion county, and thinks some
of going to Florida, next spring. The
best wishes of the community will go
with him wherever he may go. May his lot
ever be cast in pleasant places.

A Million Friends.
A friend in need is a friend indeed, and
not less than one million people have
found such a friend in Dr. King's New
Discovery for Consumption, Coughs and
Colds.—If you have never used this Great
Cough Medicine, one trial will convince
you that it has wonderful curative pow-
ers in all diseases of Throat, Chest and
Lungs. Each bottle is guaranteed to re-
fund. Trial bottles free at A. F.
Speicher's Drug store. Large bottles 50c.
and \$1.00.

Rev. D. H. Leader's special sermon to
the Jr. O. U. A. M. last Sunday evening,
was one of the ablest and most appro-
priate sermons we have listened to for a
long, long while. In fact it was the
only special sermon that we ever heard
preached to the Juniors in this town that
was worth listening to. It wasn't an
abusive and uncalled-for tirade against
the Catholic church, such as a minister
from another town once preached here
on a similar occasion, but it was a gentle-
manly, a scholarly and a genuine Chris-
tian sermon preached by a man who
knows the difference between common
sense talk and a harangue full of false
statements that would fill any intelligent
10-year-old school boy with chagrin and
disgust. The Jr. O. U. A. M., as an
order, has suffered almost irreparable
injury at the hands of preachers of the
rabid, ranting, Catholic-hating class that
do not know the true principles of the
order. While it is true that this order
teaches some doctrine that the Catholic
church does not sanction, and the Catho-
lic church teaches some doctrine that
the order does not sanction, there is no
occasion for abusive speeches from either
side. Abuse is not argument and hurts
any cause more than it helps it. We all

we please, so long as we remain in the
bounds of the law, and we should thank
God that we live in a country of civil
and religious liberty. Virtue, liberty
and patriotism are the chief things ad-
vocated in the principles of the Jr. O. U.

his mouth without showing a spirit of
bigotry and intolerance has no business
to speak for the Juniors or to be a mem-
ber of them. THE STAR is glad to state,
therefore, that for once a respectable
sermon has been preached to the said
order in this town—a sermon full of
truth, common sense and courtesy, a
credit to Rev. Leader and in accord with
the principles and teachings of the Jr. O.

From the Editor's Brother.
The following is an extract from a per-
sonal letter written to the editor by his
brother, W. S. Livengood, of the editorial
staff of the Los Angeles Daily Herald:
"We like our new house very much.
We are about 2 1/2 miles from my place
of business, but the electric cars run near
the door, and I can go the whole distance
on cement sidewalk and paved streets on
my "bike," which takes me only 15 min-
utes, so I am not so far from my work
after all. I generally make two round
trips a day, one in the afternoon on ac-
count of the Chamber of Commerce and
one at night for the Herald. I was both
amused and astonished when I read that
some people back there were scandalized
at the fact that you rode a bicycle on
Sunday. How ridiculous! Everybody
rides bicycles here, Sunday same as old-
er days, men, women and children, old
and young, doctors, lawyers, laborers
and even preachers. I simply couldn't
get along without one, at least I wouldn't."

We had no election here this fall. I
wish we would have had I think
California would have gone as solid
for the G. O. P. as Ohio and Pennsylva-
nia. The Democrats hereabouts are
the worst disgusted people I ever saw,
and well they may be. I don't know
any state that has a bigger kick coming
against the administration than Califor-
nia and the people here are just aching
for a chance to register their indignation
at the polls. It is hard to find a man
here who pleads guilty of being a Demo-
crat of the Cleveland variety. Accord-
ing to California notions Andy Johnson
wasn't 'in it' with Grover C. for impeach-
ment conduct. There is not a Demo-
cratic paper in the state that is friendly
to the administration, unless it is some
country sheet whose editor got a post-
office or has the promise of one.

In answer to a general demand from all parts

lished in one volume, cloth bound, all of the
"Nasty Letters" ever written by the late D. R.

letters on local or forgotten topics. Only a few
of these letters were ever published in book
form. Everybody has read some of them, but
who has read all of them? The book contains
over 500 large pages, and all the Nasty Letters
written during a period of twenty-five years; also
a portrait of D. R. LOCKE from his last photo-
graph. It would sell at one dollar or more, but
will never be placed on sale. One hundred thou-
sand copies are now being printed and bound,
and one copy will be sent postpaid by mail, free,
to every person who this winter remits one dol-
lar for the WEEKLY BLADE, one year. Everybody
invited to send for a specimen copy of the WEEK-
