#### How the War is Progressing.

At the time of our going to press (Wednesday evening) there is no war news of a startling nature. On our inside gages will be found a full account of the progress of the war up to Monsteamer Panama, by the American Willie Filtz, son of Henry Filtz, a light-house tender Mangrove. The the Panama had 900 soldiers on board and \$500,000 in silver. The captured vessel has been brought to Key West. General Blanco, of the Spanish army

in Cuba, has reported to his government that one Spanish gunboat re pulsed three American ships while trying to land troops at Cardenas.

The President's call for 125,000 volunteers is being responded to from all parts of the Union, Pennsylvania, being the first state to respond.

Our Asiatic squadron has sailed for Manilla, where it is expected to make war on the Phillipine islands by Satur-

Spanish war vessels seem to be trying to avoid battle with American war ships, and altogether it looks as though the enemy dreads to do battle with us. found therein:

The insurgents are active and are threatening Havana, which General Blanco glaims to be able to hold against all comers. American officers think they can easily take the city when they once decide to bombard it. In the meantime we can only await further

The farmer, the mechanic and the bleyele rider are liable to unexpected cuts and bruises. DeWitt's Witch Hazel Salve is the bruises. Dewrites when the frame best thing to keep on hand. It heals quickly, and is a well known cure for Piles. [P. 8. Hay, Elk-Lick. C. A. Bender & Bro., Grants-

#### An Interesting Fact.

It is a striking and interesting fact that the first year of the Presidential term of President McKinley is signalized by the exportation to Europe of American tin plate, whose manufacture in the United States was brought about by the high protection given to ment as chairman of the House Committee on Ways and Means.

Bro., Grantsville
